See That He Never Lacks a pouch of Real GRAVELY Chewing Plug

Your fighting man will go to almost any lengths to get good tobacco. Many a man has paid \$5 for less good tobacco than you will send him in a pouch of Real Gravely Chewing Plug. Only costs you 10 cents.

Give any man a chew of Real Gravely Plug, and he will tell you that's the kind to send. Send the best! Ordinary plug is false economy. It cost less per week to chew Real Gravely, because a small chew of it

lasts a long while.

If you smoke a pipe, slice Gravely with your knife and add a little to your smoking tobacco. It will give flavor—improve your smoke.

New Superintendent Chosen.

The School Board has elected J. S Wright as superintendent of the Tillamook schools for the next year. Mr. Wright comes from Dufer, Oregon, where he has been very successful as head of the schools at that place. His recommendations are very strong. Mr. Wright made a visit to Tillamook several weeks ago and had an interview with the board.

There were some fifty-three applications for the position, which would seem to show that the Tillamook position is very attractive one, and that the attention of the people generally has been attracted this way.

Choosing from a large number was a rather difficult matter, but the members of the board think that they have made a good selection and have obtained a worthy successor to Professor Kirk.
