ODDFELLOWS SMASH RECORD.

Gathered About 2,000 Sacks of Sphagnum Moss on Sunday.

The Oddfellows and Rebekahs of the county broke the record at the moss gathering picnic at Sandlake on Sunday, when about 2000 sacks of moss were gathered and sacked. It was a splendid day's work for a good cause, and one which Tillamook county should be proud of, for the party did not consist of more than 125 persons, but would have been much larger had there been more automobiles to take people to Sandlake. The moss gathering committee had provided a large number of sacks, anticipating a much larger crowd to gather moss, consequently there were 700 empty sacks on the ground when the day's work was over simply because those who owned autos did not come forward and offer to take persons to Sandlake, but preferred spending the day elsewhere. This is one reason why the moss gathering drive is not over before this.

Sunday was an ideal day for a moss gathering picnic, and everybody was happy in the consciousness of doing a patriotic service, which prompted everybody to do their best. It was 10:30 when the sacks and some of the party arrived at Sandlake and they went to what is known as the Harris place, where some splendid moss was growing, in fact it was the best bog picked over in the county. It was not long before everybody was busily engaged in picking, and packing moss and sewing sacks, and when lunch time arrived there was not only a great pile of moss but hundreds of sacks to be carried out. A new feature was tried in moss gathering, hay knives being used to cut the moss and stretchers being used to carry the moss out.

Prof. Albert R. Sweetser, of the U. of O., and special agent for the Red Cross for the collection of Sphagnum moss in Oregon, was one of the party, and he was highly delighted with the enthusiasm in which the Tillamook Branch of the Red Cross had taken hold, also the splendid result in gathering such splendid quality of moss. Prof. Sweetser was perfectly surprised how everybody pitched in and worked with a vim, and if other localities in Oregon had had done likewise there would now be a large amount of moss gathered and in reserve for winter work. He took quite a number of pictures.

Everybody enjoyed a sumptuous lunch and felt refreshed after about an hour's rest, then they went to work again for several hours, with the result that about 2000 sacks were gathered, and it made a big pile. We are sorry we could not get the names of the party, for everybody was too busy and intent on gathering moss.

Mrs. Jeanie Burke, president of the Rebekah Assembly for Oregon was an invited guest of the Rebekah Lodge, and she was highly interested and wonderfully pleased with the way Tillamook people, especially the Oddfellows and Rebekahs had entered into the spirit of all patriotic movements, the moss gathering picnic being a great surprise to her. F. H. Matthews, noble grand of the I. O. O. F., wishes to extend his thanks to the Oddfellows and Rebekahs who made up the party on Sunday from different parts of the county.

On behalf of the Tillamook Branch of the Red Cross and the moss gathering committee, we wish also to extend thanks to the Oddfellows and Rebekahs, some of the Firemen and others who helped, especially to those who took auto trucks and those who gave the use of their autos.

Gilford Stillwell Returns After Long Trip to Southern Country.

Gilford Stillwell was in Salem yesterday, after an absence of a year. Last August he left for Guaymas, Mexico, in the state of Sonora, of which state Hermosillo is the capital. He went with a party on the gasoline boat, the "Frolic", which was built on Tillamook Bay.

They were bound for the fishing grounds of Guaymas bay. In order to reach their destination, they sailed down the coast of California, and around the southernmost point of

lower California, then north to Guaymas.

The fishing venture, properly managed, is bound to be a great success, but the canning of fish has not yet been commenced, and Mr. Stillwell left there in April. He says the United States fishing investigators found in the waters of Guaymas bay over ninety varieties of food fish that had not heretofore been known to commerce.

After leaving Mexico Mr. Stillwell traveled through New Mexico, Colorado, Nebraska, etc., and finally back to Salem. In Sante Fe, New Mexico, the oldest town in the United States, he visited the Masonic lodge, where is the rifle that once belonged to Kit Carson. He visited the grave of Buffalo Bill, near Denver. He was in a number of military camps, and all in all, he had a most interesting journey home.

He came very near seeing a massacre of Mexican soldiers by Yaqui Indians, in Sonora.

Mr. Stillwell will now go to work, in the west side counties, for the Capital City Nursery Co., of Salem.

All old time Oregonians remember Gilford Stillwell, the guard at the penitentiary who did such effective work in the great break of 1883 at that institution—the greatest break in the history of the institution, and in which Mr. Stillwell did so much toward preventing a still greater delivery. That was before the present wall around the institution was constructed.—Salem Ex.

Obituary.

Nellie Patience Blanchard was born near Salem, Oregon, July, 1895, and passed peacefully away at Bend, Oregon, August 19, 1918 at the age of twenty three years and one month.

She was converted in April, 1912, in Tillamook, Oregon, and lived a consistent Christian life to the last.

She was united in marriage to Barney Hanson on January 1, 1913, at her home in Hemlock, Oregon. She is survived by her husband and two children, Chester and Karl, also by her mother, three sisters and five brothers, her father having preceded her nearly a year ago.

We bow submissive to his will. Knowing He doeth all things well.

Community Sing.

A Community "sing" was started on Tuesday evening in this city which will be a weekly event in the future. Mrs. Chas. E. Gibson being appointed chairman. The "sing" on Tuesday evening made a good start.

Among the patriots at the Liberty Temple meeting it was noticed that one man sang the Marsallaise very enthusiastically in the French language. Those who noticed this gentleman asked him to step to the front and sing it again. This he gladly did, as he is a very loyal American who has a son in the navy and acquired his knowledge of the French language under a native teacher. His name is T. Wigman, Sr., and is a traveler who represents the American Druggists Syndicate of New York. Mrs. Gibson sang in English while Mr. Wigman sang in French.

The community will sing again next Tuesday night, Sept. 3rd, at Liberty Corner at 8 o'clock, everyone come. Please learn the words of the following songs: Star Spangled Banner. America. Battle Hymn of the Republic. Keep the Home Fires Burning. Columbia the Gem of the Ocean. Dixie. Yankee Doodle. Onward Christian Soldiers. Massellaise Hymn (French National Hymn). The Battle Cry of Freedom.

If you have books with any of these songs bring them. This is your "Sing". We will try to sing songs that all like, only we have been asked not to sing sad songs.

Committee.

(Sing to the tune of Yale Boole) The Yankee boys are in the fight Where the Boche are dancing to and fro. The Allied guns are pointed right Where the German crowd will have to go. Right in Berlin we'll raise our flags For peace and liberty.

We'll back our boys with all our bonds To help them bring us liberty. Chorus. Keep them going, keep them going. Now we have them on the run. Keep them going, keep them going. Soon we'll finish up the Hun. Now if our armies win this fight Everyone will have to buy a bond. So each one buy right on first sight Sacrificing things of which we're fond. We have no time for slackers now, We're sure they're all in jail. We'll to our country keep our vow. Giving all we've promised without fail. Mrs. Chas. E. Gibson, Tillamook, Or.

ANOTHER PATRIOTIC DRIVE.

Planning for the Fourth Liberty Loan Sale in Tillamook County.

On Monday evening Filed Manager E. N. Strong, of the State Liberty Loan Executive Committee, met with a number of citizens in the Commercial Club rooms, to plan for the Fourth Liberty Loan drive. Jihn O. Bozorth, of Bay City, was made chairman of the evening and with a few remarks introduced the executive committee man.

Mr. Strong said it was fitting that the campaign for the Fourth Liberty Loan in Oregon should be launched in Tillamook County, which was the first county in the state to go over the top in the Third Liberty Loan drive, and although its quota was \$105,000, the county had the honor of raising over \$300,000. It had the largest percentage of subscribers to population in any county in Oregon. Mr. Strong paid the people of Tillamook a great compliment for what it had done in the previous Liberty Loan and other drives, and he said "Let Tillamook County challenge the counties of Oregon for first place in the Fourth Liberty Loan drive. What a tribute to your loyalty, the furthest county in the United States from the scene of battle, to be the first county to subscribe its quota to the Fourth Liberty Loan Bond issue, which will drive the Hun back until he surrenders unconditionally."

Mr. Story then explained the plan that had been outlined to bring about a strong organization and the methods to be used in the disposal of the bonds. He stated that it was intended to do considerable advertising, each locality and city to have a soliciting committee who would call upon all leading citizens for support. He said it would be unfair to ask the newspapers to give several pages of display for four weeks. One of the most important statements made by Mr. Strong, and which is of interest to everybody, was the plan to put Oregon over the top at 12:01 a.m. on the morning of the 28th of September. Previous to that time however, everybody's financial standing will be obtained and they will be informed that they can make application to purchase bonds at any bank in the county, but the check that accompanies the application must be dated September 28. For three weeks previous to the date a list of subscribers will be published in the local newspapers. This will show who are subscribing and who are not doing so. There will be no yellow cards in this drive, and a great deal of care will have to be taken not to hurt the feelings of those who went to the limit of their financial ability in previous drives and are not able to subscribe more at this time. It was the men who are receiving war time wages and are financially able to buy Liberty Bonds that a strong appeal will be made by local committees. It is proposed to have a number of speakers, men who have been to the front, who will address meetings in different parts of the county.

Frank A. Rowe, of Wheeler, who was chairman of the previous county committee will act in a like capacity. He has appointed a number of committees, viz: Tillamook—H. H. Rosenberg, chairman, C. J. Edwards, H. T. Botts, Erwin Harrison and Ira Smith. This is an important committee, for a great deal of hard work will fall to its lot.

The Fourth Liberty Loan Campaign will open formally throughout the county on September 28th, but a preliminary educational campaign will be undertaken in Oregon commencing on September 15th, for which purpose organization is now being perfected.

The country will be called upon to subscribe six billion dollars, of which Oregon's allotment will be approximately forty million dollars. In order that Oregon may meet this huge demand upon its resources, every citizen in the state must be enlisted in the united and undivided support of the loan, and be thoroughly aroused to the necessity of responding promptly to the demands which loyalty and patriotism place upon him.

The citizens of Oregon have resolutely met every duty and obligation

incident to the war, and have placed their state amongst those who rank foremost in duty well performed. We expect that this standard will be maintained in the Fourth Liberty Loan Campaign.

You are, therefore, urged to give this cause your earnest attention and to assist in every possible way the movement to put Oregon first over the top.

Our boys on the western front have their faces toward Berlin, there can be no backward step. We are determined that the struggle for democracy and universal peace throughout the world shall not be in vain. Let us at home do our full duty.

Student Nurse Girls.

Tillamook County's share of student nurse girls is five. It was thought that the quota was reached, but one who had planned to go has decided not to take up the work, and this leaves one vacancy yet to be filled.

It is earnestly desired that another girl of nineteen years or over will take up this work, as Tillamook County should always do her share.

Anyone wishing to apply may gain information by applying to the recruiting agents mentioned below.

Beaver, Mrs. Minnie Gilbert. Tillamook, Mrs. W. J. Riechers. Wheeler, Mrs. John Kidd. Nehalem, Mrs. Henry Tohl. Those who have applied are Fay Hill and Elva Austin, Tillamook; Gladys Leona Alley, Nehalem, and Margaret Teoka Mix, Wheeler.

It is very commendable on the part of these young women to take up this work at this time and prepare themselves to become nurses. The experience they gain will be most useful to them in future life, for very few young women know how to treat the sick, and those who are injured.
