

Unusual Times

WE ARE facing the most extraordinary situation in the history of our country. Never before have so many new problems—so many demands for re-adjustment—thrust themselves upon men and women for settlement.

Things big with fate are happening and we must know how to adjust our business—our homes—our personal lives to the new conditions.

This bank publishes a Monthly Bulletin Letter that represents a very unusual service at this time. In a clear and general way these Bulletins present the pith of facts that influence your welfare.

This is one of the ways we are helping our friends and customers to meet the demands of the present and assisting them in their plans for the future. We will gladly mail future copies regularly to anyone free for the asking.

BIG REGISTRATION IN TILLAMOOK.

Serial Numbers of 1200 Men Drafted in County.

The registration of men between the ages of 18 and 46 took place Thursday of last week, when 1170 men registered in Tillamook county. This was 200 more than was estimated. We give below part of the list this week, with the serial number of each man, and the remainder of the list will be published next week. This is on account of the large space taken up to boost the Fourth Liberty Loan drive.
