

# CLOSED SUNDAYS.

BEGINNING SUNDAY, OCT. 20.

The Oregon State Council of Defence has requested that no delivery of Petroleum products be made on Sundays.

The Standard Oil Co. is glad to comply with this request, and beginning Sunday, October 20th, and thereafter, until further notice, all of our distributing stations in the State of Oregon, including our automobile service stations, will be closed on Sundays.

As in the case of our previous announcement regarding the sale of gasoline and engine distillate only between the hours of Six A.M. and Six P.M. (now week days only), this request is made for the purpose of conserving man power, and we know that our patrons will patriotically co-operate in making this important war measure effective.

### UNITED WAR FUND SURE TO BE NEEDED

Even End of Hostilities Would Not Change This.

Though the war should cease immediately it is said that every cent of the \$170,500,000 sought in the United War Work Campaign in the United States, for the seven approved organizations ministering to the American fighters, will be needed just the same.

This is the word of leaders of the fund-raising campaign and their explanation is easily comprehended. In the first place, it has been officially estimated that 18 months to two years must elapse before all the American boys can be returned from foreign soil. There are the men of many other countries to be transported home when the war ends, so the number of boats for use of the Yankees will be limited. Then there is also the fact that thousands must remain so long as the great properties and stores of the United States have not been disposed of or returned.

Immediate cessation of war activities in Europe would plainly create grave problems connected with the care of the men. Remove the great motive which actuates every man at the front today and throw him into dull inactivity, with nothing much to do but await his chance to return to home and loved ones, and the work of keeping him cheerful increases in magnitude. The soldier welfare organizations foresee all phases of this grave contingency. They foresee how great would be the need for reading matter, entertainments, amusements, recreation and the cheery personal touch.

### PERSHING WARNS OF GERMAN PUBLICITY

Germany's efforts to involve the United States and her Allies into a consideration of peace terms and an armistice did not impress James F. Pershing, brother of General Pershing, as being sincere and designed to give the world what it is praying for. Mr. Pershing, who was in Oregon recently in the interest of the United War Work drive, which opens November 11, cautioned the American people against the too-common tendency to become apathetic under the idea that peace and the cessation of hostilities are at hand.

"When heaven is ready to negotiate with hell," he declared, "then will America be ready to make peace with Germany." He told of the great work being done in Europe by the Y. M. C. A., Knights of Columbus, Salvation Army and other agencies, and called on Americans to respond liberally in supporting the campaign about to open for raising money with which to carry on these activities.

### GENERAL PERSHING MODEST MAN

"All that General Pershing wants now is the success of the American boys in France, and to avoid, so far as possible, any glory for himself," declared James F. Pershing, brother of America's leader in the field, in an address delivered in Portland recently in behalf of the United War Work drive, which opens November 11. The speaker paid a tribute to the men in the ranks, and gave his audience an idea of the high esteem in which the boys are held by their commander. He showed the importance of war work in this country as an imperative necessity to the victory of the Allies in the battles for Democracy, and urged that no diminution in speed be allowed to result through recent peace proposals. Unqualified indorsement of the United War Work drive was voiced by Mr. Pershing who is one of the leading authorities on conditions now existing along the battlefront, and he was especially desirous that there be no relaxation of efforts in behalf of the several war work funds.

**Best Big Sisters.**  
The Y. W. C. A. is known as "The Best Big Sister in the World." Of the \$170,500,000 to be raised in the United War Work Campaign \$15,000,000 will go to the work of this organization.

**Hospitality to the fighting man and to his visiting friends, is the motto of the War Community Service, a mighty necessary thing.**

### "CARRY ON," IS OFFICIAL CRY

The caution issued recently in Portland by James F. Pershing, brother of General Pershing, against relaxation of war work activities, has been echoed in messages issued by departmental heads in Washington, D. C., copies of which were sent to Executive Secretary John Kollock, of the Oregon State Council of Defense. "Carry on" is the theme of those telegrams, whose senders felt the German peace proposals might interfere with campaign plans just formulated. Consequently, the United War Work drive, which opens November 11, will be conducted with even more vigor than had Germany not sought to bring about peace on her own terms. The departmental heads, as well as Mr. Pershing, emphasize the need of continued activities by the several affiliated organizations participating in the drive, even after hostilities have ceased.

### HOW YOUR MONEY WILL HELP "BOYS"

Official Statement of Several Great Welfare Organizations.

Citizens of Oregon, in the week of November 11-18, will respond to the call of the United War Work Campaign for funds to make happy and effective the fighting men of the Nation. That the citizens will uphold the commonwealth's notable record in doing its share to win the war is taken for granted, once the needs are understood.

Oregon's quota in the joint drive of the seven great organizations doing war service work is \$770,000. President Wilson authorized this united drive and named the participating bodies. The purposes for which the funds are needed and to which they are dedicated are vital to the war's success.

The Y. M. C. A. has more than 2000 huts in the great battle zone and is ministering to the boys overseas, in trench and camp, leaving undone nothing it can do to help them. In America the "Y" is in every camp and cantonment. It is with the boys "crossing over" and, at request of the War Department, has recently joined in the task of instructing selectives even before they are called.

War work of the Y. W. C. A. is thus outlined by Mrs. William MacMaster, state chairman:

"Already we have in this country 2,000,000 women doing actual war work, while another 2,000,000 have released men for service by undertaking their work. To the Y. W. C. A., 'the best big sister in the world,' has been committed by the government and military authorities the serious responsibility of directing the thought, creating the environment and furnishing the material needs of this army of girls. Already 105 hostess houses have been opened, War Service Clubs organized, the Patriotic League created, nurses sent where needed and now we are asked to furnish emergency housing for thousands of girl war workers."

John W. Kelley, associate drive director, says of the Knights of Columbus:

"Knights of Columbus halls are in operation in all cantonments, training camps and naval stations in the United States and the halls are also established with the American Expeditionary Forces in France, Italy, Russia and England. The motto is 'Everybody Welcome,' service being given irrespective of race, creed, or rank. Millions of cigarettes, pipes, bouillon cubes, gum packages and tons of chocolate have been given free to the soldiers overseas. One of the specialties is the promotion of athletics and a considerable item in the budget is for baseball equipment, boxing gloves, etc. In the war zone the troops are followed with motor trucks which are virtually traveling huts, fully stocked with athletic goods, stationery, cigarettes, and the like."

Needs and activities of the Jewish Welfare Board, explained by Ben Selling, are:

"In one year the number of our field representatives has grown from 10 to 213. Now we are faced with the demand for 400 additional workers in this country and 100 overseas. The money going into our fund pays necessary expenses and salaries, furnishes Bibles and prayerbooks by the thousands and letterheads and envelopes by the million, and provides camp, educational and recreational activities for the fighters, both here and abroad."

"War Camp Community Service," explains Emery Olmstead, state chairman, "developed from the commission created by the War and Navy Departments, first known as the Foodick Commission. The community is its particular field and thousands of workers are assisting the towns in caring for visiting soldiers and sailors, providing wholesome amusement and clean recreation and surrounding the camps with hospitality."

Functions of the American Library Association, says William L. Brewster, state chairman, are "to provide books and reading matter to the soldiers and sailors through co-operating agencies and directly." Thirty library buildings have been provided at cantonments; 3,750,000 donated books distributed; 1,000,000 books and tons of magazines sent abroad, and 600,000 needed military technical books bought and given the men.

These are some things the Salvation Army does, according to O. C. Bortmeyer, state chairman:

"On lines of communication our huts are open day and night. Then, following their methods, our men and women go right to the trenches and distribute chocolate, coffee, doughnut, and pies. Sixty per cent of the 1000 workers are women. We have now 703 huts and 60 ambulances in service. In the past few months aid has been given the Red Cross in sending abroad 100,000 parcels."

Here's your chance—give to the Y. M. Y. W. K. of C., Salvation Army, Jewish Welfare Board, Library Association and the War Community Service and you help make a soldier, sailor or marine happier and better.

Do you want to get a good book to a soldier, sailor or marine? GIVE to the American Library Association.

GIVE to the war welfare agencies and keep up the morale of our fighting forces.

Send a doughnut to the front line by giving to the Salvation Army.

### MISUNDERSTANDING CLEARED UP

A misunderstanding relative to the canteen work of the Y. M. C. A. has been cleared up by the War Department, which issued the following:

"Matter of prices asked by Young Men's Christian Association for its articles sold in canteens overseas already investigated by war department and condition is being remedied. The Young Men's Christian Association was originally asked by General Pershing to run the canteens for the army on a cost basis. In order to do this it had to reckon in price fixing such overhead charges as transportation charges and marine insurance so that prices were much higher than in this country."

"The Young Men's Christian Association made no profits, but lost thousands of dollars. Arrangements now made will enable them to obtain supplies from sources that will reduce overhead charges and keep prices down."

### UNITED WAR WORK OFFICERS

State committee officers for the United War Work Campaign are: W. M. Ladd, chairman; O. W. Davidson, director; John W. Kelley, and Mrs. William H. Marshall, associates; director publicity, Ira F. ### Huts for Nurses.

Huts for nurses are maintained by the Y. W. C. A. at the base hospitals in France. To extend this work a portion of the United War Work funds to be raised in November will be used.

### PERSHING'S "DO WITHOUT IT" CLUBS

Organization of "do without it" clubs in America, as a means of aiding the United War Work campaign, which opens November 11, was recommended by James F. Pershing, brother of General Pershing, in an address delivered recently in Portland in behalf of the drive. He urged the American people to make some sacrifices in order to help "carry on" the great undertaking that is to furnish money for war work in the battle zone during the coming year. A great percentage of American people, he said, do not know, from any sacrifices made thus far, that a war is in progress. Relaxation of activities because of peace proposals, he declared, should not be tolerated, and asked people of the country to throw their whole energy and co-operation behind this latest drive for securing funds for the seven big war-working agencies consolidated in the campaign.
