**REFERRED BY THE STATE TAX COMMISSION.**

Certificate of Necessity for Increase in State Tax Levy for 1919. (Issued under authority of Chapter 150, Laws of 1917.) STATE OF OREGON, County of Marion, ss.

We, the undersigned, constituting the State Tax Commission of Oregon, hereby certify that in our opinion it is necessary to levy an amount of State taxes for the fiscal year 1919 larger by \$940,000.00 than the amount limited by the Constitution of Oregon, unless specifically authorized by a vote of the people.

From careful investigation we believe that the proposed specific increase of the State levy of taxes for 1919 is necessary that deficiency debts incurred for maintenance of State institutions and departments may be paid, that increased cost of necessary labor and supplies during the ensuing biennium may be anticipated, that unavoidable obligations in war emergencies may be met and that the credit of the State may be preserved. The amount specified is estimated as equivalent to an average levy of one mill on the dollar of the total assessed valuation of the State for the current year.

Witness our hands and the seal of the State Tax Commission this seventeenth day of September, 1918.

JAMES WITHYCOMBE, Governor, Chairman.  
(Seal of the ) BEN W. OLCOTT, Secretary of State  
(State Tax Commission ) THOS. B. KAY, State Treasurer.  
(Oregon ) CHAS. V. GALLOWAY, Tax Commissioner.  
Filed in the office of the Secretary of State, September 17, 1918.

Shall the increase of \$940,000.00, as stated in the foregoing certificate, in the total amount of the State levy of taxes for the year 1919 over the amount otherwise limited by the Constitution of Oregon, be authorized? Vote YES or NO

- 312 Yes
- 313 No

**SANITATION.**

That the germ is the cause of most deadly disease is more than mere theory—it is a real fact. The work of tuberculosis sanitariums, the typhoid hospitals in the canal zone, the vaccine laboratories are all evidence of the fact that the safety of man does not depend on good or bad luck, but upon the fight which each individual makes upon the disease germs, the cause of most losses of life and dollars. In selecting a weapon to kill the germs of disease several vital questions must be looked squarely in the face or disinfectanting will be little better than useless. First—Has the disinfectant the power to kill all kinds of disease germs? 2nd, Can the disinfectant be used safely whenever disease germs are found? 3rd, Is it effective, when used anywhere and every where, and by any body, and can it be used with safety? Therefore a disinfectant that can be used with safety must not be a poison or caustic acid, whereas poisonous disinfectants endanger the life of human beings or animals, this can be verified by turning to the files of our daily papers. When buying a disinfectant be sure what you buy as your life may depend on that purchase, look at the label, note the germ killing power and if it is poison or not. Disinfectants are measured upon the germ killing strength of undiluted carbolic acid, which they term a phenol coefficient. Look for the phenol coefficient on the label. B. K. was tested by the United States Hygiene Laboratory and found to have a phenol coefficient 10 plus or ten times stronger than undiluted carbolic acid as a germ killer. Much stronger than coal tar disinfectants—much safer. Safe—B.-K. contains no poison, acid or oil. Clean—B.-K. is colorless, leaves stain on floors or walls. Drodorant—B.-K. destroys foul odors leaves no odor of itself. Cheap to Use—B.-K. is so much stronger than other disinfectants that it does more disinfecting for the same money. Use it in Barber Shops, Barns, Bath Tubs, Bleaching, bread boxes, chambers, closets, cupboards, cuts and scratches, house and kitchen, laundry, nasal and throat sprays, nursing bottles, operating rooms, purifying air, sick rooms, etc. B.-K. is not a cure all but a thorough germ killer. Protect yourself now against any dangerous disease germs that you may come in contact with by using B.-K. B.-K. is sold in quart and gallon bottles. Our guarantee. B.-K. stands absolutely on what it does for you. Use it according to directions then if you don't find it exactly as represented by us we will refund your money—For sale by Kuppenbender, both phones.
