Loomis is a divorce suit filed in the circuit court. These parties were married in Tillamook County the 29th of June 1910. Plaintiff wants her maiden name restored, which was Edith Estell Smith. On Wednesday, Miss N. Marie Hathaway became the wife of Roland Heusser, the ceremony being performed by the groom's father, Rev. Mr. Heusser. The bride is the daughter of Mr. and Mrs. John Hathaway, the ceremony being performed at their home, which was witnessed by a number of relatives and friends. The happy couple received the congratulations and best wishes from their friends. They will be at home in Tillamook after the 1st of December. J. S. Lamar vs. Arthur Stuebeling and H. C. Daulton is a suit filed in the circuit court, who claimed \$10,000 against the defendants. The complaint alleges that the defendants, acting together, for the purpose of harassing, intimidating, and frightening the plaintiff, who falsely and maliciously placed the plaintiff in duress by threats and violence, without any right or authority of law to do so, damaged the defendant's person and reputation in the full sum of \$2,500.00. That said arrest was made with wicked and malicious intent on the part of the said defendants, and the plaintiff further demand punitive damages against the defendants in the full sum of \$2,500.00 and a judgment against each of them in the sum of \$5,000.00. A motion was filed to dismiss the case.

Floyd Eberman who enlisted in the navy was home for a few days and left for New York. After enlisting he went to the training college at Chicago, and after taking several trips to Europe was placed in the training college at New York where he obtained a commission and given the rank of ensign. He has signed up to remain in the navy for four years, and by the rapid strides he has made since he enlisted he will, no doubt, soon receive further promotion, for he is another Tillamook boy who has made good. Carl Haberlach reports having sold all of the October and part of the November cheese. One sale made to one Seattle buyer Saturday was for 1,000 boxes triplets at 35c. Tillamook. Larger single sales have been made, but none so large at such a high figure since the cheese industry has been going in Tillamook. Last year at this time the cheese market was 23c. on triplets and shortly thereafter a slump came and the October cheese was not cleaned out until Christmas. With small stocks on hand in this country and with Tillamook cheese closely sold up, it would appear that Tillamook dairymen are in much better position for the coming season than usual. For a number of years past, a slump has come in the market in the fall. ANOTHER TILLAMOOK BOY KILLED IN ACTION. Leonard C. Gitchell, Son of Mrs. Florence Gitchell, of Hebo. A telegram was received stating that Leonard C. Gitchell, of Hebo, was reported killed in action in France. He was the son of Mrs. Florence Gitchell, postmaster at Hebo, and previous to the draft worked in Ott Brother's store at Hebo. He left here with a number of drafted men on the 26th of June. He was a young man who was respected by all who knew him, and his numerous friends are sorry to hear of the sad news, which is doubly so, for his brother L. E. Gitchell died in this city on Monday from Spanish influenza. Another boy whose name will be on the Tillamook honor roll is that of Private Frank Mitchell, Company G, 361st Infantry. A telegram was received by his father, Harry Mitchell, of Garibaldi, from Washington, D. C., stating that Frank died at a hospital in France on the 17th of October. It is not known whether he died from wounds or disease, but it is supposed that he had been wounded in action. He was in the draft from Clatsop County. Hester-Shillinglaw, Wedding. A very pretty and quiet wedding occurred at 12:30, Nov. 17, 1918 at the home of the bride's parents, Mr. and Mrs. Thomas Shillinglaw, of Hemlock, Ore., when their youngest daughter, Miss Alice, was united on marriage to Eugene D. Hester, by Rev. Pearson, in the presence of a few invited relatives and friends. The groom is the eldest son of Mr. and Mrs. James D. Hester, of Hebo. A bountiful dinner was served, after which the afternoon was spent in singing and prayer. The bride and groom are both well and favorably known and have a host of friends who wish them success. They will reside at Hebo on a farm. Death of Goran Munson. We are sorry to announce the death of Goran Munson, which occurred in this city on Sunday. The deceased was one of our highly respected citizens, who had resided in the county since the year 1879. The funeral took place on Tuesday, which was conducted by Rev. C. E. Gibson, of the Allied Churches. Goran Munson was born in Sunne, Sweden, Nov. 22, 1845. Died in Tillamook, Oregon, November 17, 1918, age 72 years, 11 months and 25 days. Deceased came to America when 23 years of age, living in Michigan for a while, then moving to Chicago, where he followed his trade as a brick mason. From Chicago he came to Tillamook, Oregon, in 1878. In 1884 he was married to Maria C. Elofson. To this union was born one son, Edgar, and one daughter, Esther, who, with their mother in this city and a brother, Olaf Munson, and a sister, Christina Peterson, both in Sweden, survive him. Men Wanted. Loggers and mill men wanted at the Brighton Mill Co. at Brighton. Card of Thanks. We wish to thank our many friends for the beautiful floral offerings and for the sympathy and kindness shown us in the recent loss of our dear son, Harold. Mr. and Mrs. C. B. Vantress.

Obituary. Funeral services for Harold Levant Vantress, eldest son of Mr. and Mrs. C. B. Vantress were held at the residence on Fifth street on Sunday, Nov. 17, 1918, at 1:30 p.m. The Rev. Ingler officiated, and at the close Miss Marie Hathaway in a duet entitled, "I Want My Savior Near Me." Another impressive service was held at the graveside, "Harold" was a bright lad of eight summers and will be greatly missed by his parents, other relatives and friends. United War Work Drive will Amount To About \$10,000. The United War Work Campaign in Tillamook County have been proceeding satisfactorily, with some few districts a little slow in raising their quotas. Up to Wednesday evening \$8,400 had been turned over to the treasurer, Attorney H. T. Botts, and as there are several districts that have not made their returns, C. J. Edwards thinks the total amount of money raised in Tillamook County will be somewhere near \$10,000. Flu Situation Still Bad. The Spanish influenza situation in Tillamook county continues to be serious, there being a large number of cases in all parts of the county, but for the most part of a light character. There are some few serious cases but only one death, that of L. E. Gitchell, who died at Dr. Boals' hospital. The deceased was a son of Mrs. Florence Gitchell, who is postmaster at Hebo. What makes the death of the deceased more sad, a telegram from Washington stated that his brother Leonard C. Gitchell had been killed in action in France. It is generally thought that the influenza situation will grow better from now on, although it is considered wise to keep the embargo on for several days more. To Members of Pomona Grange. The next regular meeting of Tillamook County Pomona Grange will be held at Pleasant Valley, on the first Thursday in December, 1918. This being the date of the biennial election, every member who can possibly come should be in attendance. Since the Pomona Grange is paying instalments on a Liberty Bond all members knowing themselves to be in arrears should make arrangements to pay their dues at this meeting. One of the features of the meeting will be the dedication of a service flag. Will the secretary of each subordinate grange in the county mail a list of the names of the members of his grange who are in Uncle Sam's service, either in the Army or the Navy, to the secretary of Pomona Grange before the next meeting. Fannie Smith, Secretary. Instructions Relative to Sending Parcels to Boys in France. An individual who should have received a label, but who failed to receive it, or who has lost it, may receive a carton not earlier than Nov. 21st, upon signing a statement at the Red Cross Christmas Parcel station substantially as follows: The undersigned hereby makes application to forward to _____ name _____ Organization _____ American Expeditionary Forces, a Christmas package. The undersigned hereby declares that he or she is nearest living relative in the United States of the proposed recipient; that he or she has not received this man's label from abroad; and that should such label be received it will not be used, and that to the best of his or her knowledge and belief only one Christmas parcel will be sent to proposed recipient. UNINTELLIGENT VOTING. What the Oregon Voter has To Say About Jackson's Bills. The passage of the two Jackson bills by the vote of the people of Oregon last week is one of the clearest examples of the abuse of the initiative system that has occurred. It is a perfectly safe assumption that 75 per cent of the votes in favor of the abolishment of the publication of the delinquent tax lists and the establishment of a 3 1/2 cent legal advertisement rate were unintelligently cast, for the simple reason that not one voter in four took the trouble to investigate the merits, fathom the purpose nor consider the harmfulness of these measures. On the face of these bills they appeared as economy measures and as such ignorantly received support. In reality the voters were made the tools for spite by C. S. Jackson of the Oregon Journal on the newspapers of the state outside of Portland and a full measure of revenge has been accomplished. It would have been more sensible had the voters been asked to favor the establishment of maximum price of 25 cents per dozen on eggs, 8-cent milk or \$300 automobiles, for the gullible voters then would have at least stopped to consider the harmful effects on the producers and manufacturer. But as it was the economy seeking, short sighted voters jumped at the opportunity to "hit the profiteer," although they had little idea who the profiteer was nor whether a profit was being made. As it now stands the newspapers of Oregon outside of Portland, have received a severe wound and one that may actually result in a number of suspensions of business and failures. The newspapers of Oregon have been fighting a hard up-hill battle for bare existence since the war began, being called upon to donate their only saleable article, namely space, to patriotic causes. The revenue received from the publication of the delinquent tax lists was one of the few tangible assets left and the legal advertising at an average price of 5 cents per line gave but a small margin of profit, as that price had been current for years past, despite the increases in all costs of manufacturing. Now the newspaper publisher by a vote of his own people, unintelligently cast, has been substantially legislated out of this business and forced to content himself with a 3 1/2 cent per line legal advertising rate and at a time when he was entitled to fully double that amount, if charges were increased in proportion to the prices of other manufactured articles. The State of Oregon will surely lose by this unintelligent vote in favor of this oppressive newspaper legislation. Over thirty strictly county newspapers in this state have suspended publication and gone out of business within the past two years representing about 15 per cent of the state's weekly and daily newspapers, not to mention numerous semi-weekly and other publications. These unfortunate publications could not weather the increased cost of material and labor incident to the war and at the same time donate to the government a majority of their advertising and reading columns for patriotic purposes and besides stand the loss of the usual income from the railway and other advertising, which the government's administration did away with completely. It now looks as though many more will be forced out of business because a misguided, gullible and too-busy-to-intelligently-investigate public jumps at a chance to kill a supposed graft and substitute a supposed economy. Like the enactment of former Jackson propaganda into laws dealing with poll tax matters, when the public voted without thinking and later repealed their action, so this latest example of foolish legislation will undoubtedly later be reconsidered and repealed, but in the meantime many hardworking, struggling publishers probably will have been forced out of business. Call For Bids. Bids are hereby called for the construction of the Trask Drainage District's ditch. Plans may be seen at the office of H. T. Botts, secretary, Tillamook City, Oregon. Bids will be received up to the close of Wednesday, November 27th, 1918, and should be left with the secretary, H. T. Botts. Card of Thanks. It is with heartfelt gratitude that we wish to express our sincere thanks to the many kind friends who showed so much sympathy and kindness, and for the beautiful flowers in the hour of our sad bereavement in the death of our dear husband and father. Mrs. Munson and Family.
