**THANKSGIVING SALES**  
**WONDERFUL SAVINGS IN EVERY DEPT.**  
**Beginning Saturday, November 23rd**

For the double Thanksgiving Celebration this year you will need new linens for the festive board and new garments in keeping with the day's festivities, and these very special Thanksgiving Sales will help you supply all your needs at great savings.

**Higher Prices  
And Wages.**

Don't expect an early reduction in the price of commodities or wages. Previous experience proves that prices will be maintained if not increased in the days following the cessation of hostilities in Europe.

When the 50,000,000 soldiers engaged in this war are mustered out and returned to civilian life they will have to be clothed from head to foot and there is not half enough raw material in the world at the present time to do it.

Statistics show that at the end of the Civil War in this country Men's ordinary suits sold for \$75 to \$85 and Calico at 75c. yard. What, therefore, conditions will be like, after this the world's greatest and costliest war in the destruction of raw materials and manufactured goods, we leave you to judge.

Our advice is to buy Now and continue to buy all your needs as you can afford. If you do this you will be grateful for our advice.

Take special advantage of these great Thanksgiving Sales.
