We recognize a loyalty to our depositors that grows stronger as the years of association rolls by--a loyalty that expresses itself in an ever-active effort to conserve their interests in every possible way. This spirit applies not alone to a depositor's direct banking connection with us, but is further evidenced in a desire to co-operate, through investigation and counsel with everything needed to advance their interests.

Undoubtedly this is your kind of a bank because its service embraces every element of constructive banking effort and we shall enjoy explaining the use you can make of our equipment and advantages.
