The Oldsmobile is built for those who want a car at a moderate price that in individuality of appearance, power, comfort and durability in service, completely satisfies every normal need.

In distinctiveness of design, attractiveness of body lines, and completeness of appointments, the Oldsmobile sets a standard with an equal among moderate priced cars. The ratio of

power to car weight is exceptionally high—providing ample reserve power to meet any emergency of the road. Even a short run over rough roads conclusively demonstrates its luxurious comfort. The name 'Oldsmobile' is a guarantee of durability.

Gasoline consumption is unusually low—both operating and maintenance expenses are as comparatively light as the first cost is moderate.
