

CLEAR THE WAY

LOAN TO RIDE TO SUCCESS ON WAR TANKS

Each of Seven Pacific Coast States Given Tank to Advertise Victory Loan

Each of the seven states in the Twelfth Federal Reserve District will be given at least one of the twelve tanks assigned this district for use during the Victory Liberty Loan drive which starts April 21. The tanks have been assigned in the following manner: Two to Washington, one to Oregon, one to Idaho, one to Utah, one to Nevada, two to Northern California and two to Southern California and Arizona. The remaining two tanks will be carried on special trains, one of which will tour the Northwest and the other to travel through California and the Southwest.

War Veterans to Drive The tanks will be handled in the campaign by twenty-four veterans with European service, to their credit. All of the drivers have actually seen service in France. Before being sent out over the district the camouflaged tanks will parade and give a sham battle in San Francisco.

According to present plans all of the tanks will arrive in San Francisco about April 6. They will be taken to a four acre tract of land near the Southern Pacific freight station where they are to be assembled and the camouflaging retouched by the men who are to drive them during the campaign. The tanks will be equipped with machine guns or 37 M.M. smoke bombs with special pistols and lights.

Trophies From France On the special trains which are to carry the tanks will be a complete display of war trophies which have been collected on the battlefields of France and brought back to this country since the signing of the armistice. With the trophies will travel heroes of the American Expeditionary Forces who will speak for the Victory Loan.

FLYING CIRCUS TO ADVERTISE VICTORY LOAN

American Aviators to Exhibit in at Least Nine Coast Cities During Campaign

A flying circus made up of twenty American aviators, a captured German submarine and 3000 feet of motion picture film showing actual fighting on the Western front will be three of the features used to attract attention to the Victory Loan which opens April 21.

The aviation feature will exhibit the American birdmen flying American, English and German planes and exhibitions will be made in at least nine of the larger cities of the district. This will be the most sensational feature of the campaign and in the fleet of eleven planes which will come to this district will be two captured German Fokkers, two British single seater Spads, two British combat S. E. 5's and five American Curtiss bombers.

The official itinerary has not been completed, but among the cities which will be visited are San Diego, Los Angeles, San Francisco, Sacramento, Portland, Seattle, Spokane, Boise City and Salt Lake City. Landing fields in all these cities are now being chosen.

Save a small expense: a small leak will sink a great ship. Spend one penny less than thy neighbor gains.

VICTORY SLOGAN CONTEST WILL END ON APRIL 5

The last day for the Victory Loan slogan contest will be Saturday, April 5. Any slogan in the mail on that day will be considered in awarding the \$30, \$20 and \$10.

Slogans need not be in rhyme and although the limit is 12 words, shorter slogans are preferred. There is no limit to the number of slogans each person may send.

Here are samples of the 10,000 slogans that have been received at 430 California street, San Francisco:

- "Your bond keeps faith with those who died."
- "Insure the Victory with Victory Bonds."
- "Victory Bonds Bind Victory."
- "Punch the Bond out of Bondage."
- "Make good the Liberty that Victory has won."
- "You've finished the Kaiser. Now finish the job."
- "Don't quit because the Kaiser did."
- "Remember the Argonne. Buy a bond."
- "If it was worth dying for it's worth paying for."
- "Don't be a quitter."

CROOKS AND FOOLS

The American people, called spend-thrifts by the rest of the world, were taught the remarkable lesson of thrift in the four Liberty Loan campaigns which were held before the signing of the armistice November 11. Thousands of persons who had never saved a penny in their lives are now holding Liberty Bonds bought on the installment plan.

If you have bought a Liberty Bond, hold it. You have the best investment in the world. Every day people who have paid hard earned money for their bonds are trading them for worthless stocks of a dozen different varieties. These stocks will never pay them a cent of dividend. They are investing their money in a Mississippi Bubble. Don't let yourself be led astray by a nicely engraved yellow-back certificate that has no guarantee of value and is only supported by gilt edged promises. Before you relinquish your Liberty Bond be certain that you have a better investment. If you follow this rule you will probably keep your bond.

You get your Hartford check promptly—but

full insurance will never repay the loss. To carry insurance is a proper caution, but the bigger phase of caution does not stop with insurance. It never stops. Caution against fires is an ever-present need. This need is more urgent than ever before.

All property values, materials and labor have risen. Building must be done at higher cost than ever before.

The Hartford Fire Insurance Company is starting a nationwide movement to stop fire waste. It is doing this for the benefit of the nation as well as for the individual. Its fire prevention service, based upon an experience of 108 years, is available to you through this agency.

We would like to talk this important matter over with you.

WOMEN GIVE OUT.

Housework is hard enough when healthy. Every woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder trouble, should be glad to hear Hillsboro woman's experience:

Mrs. S. A. England, 728 W. Oak St., Hillsboro, Ore., says: "Two years ago I had such a bad attack of lumbago I wasn't able to get up or down stairs. When I sat down on a chair I could hardly get up again. Sharp pains, like a knife sticking in my back nearly killed me. I could hardly drag myself around, I felt so completely played out. I had taken only a few doses of Doan's Kidney Pills when my back began to feel stronger and had used only one box when I was able to get about as well as ever. Since then have never had any trouble with my back or kidneys."
