The Style of the Day.

It's the new lively idea for Spring, especially becoming to the well set-up men of America.

The Waist Seam

You see it here; snug, body-tracing, emphasizing the shoulders and making the waist look narrow. The pockets and collars of these models are well worth noting.

**Hart Schaffner
& Marx**

were the makers and the usual standards—all wool and fast colors—are maintained. You'll get more for your money here than any other place; more style, more wear, more all-round satisfaction.

Come in and see these new models. You will not be importuned to buy if you don't want to just now. It will give us pleasure to simply show them to you.
