**Tillamook City Failed to Raise Its Quota—Hope to do So in a Few Days.**

The Victory Liberty Loan Drive is lacking in some parts of the county, which is a little disappointing to County Chairman J. Mannix. It is Tillamook City that has not come through, for it was hoped that the county's quota would have been raised on Monday morning. This failed to materialize, and renewed efforts will have to be made to reach the city, as well as the county's quota as soon as possible, and those who have not subscribed, or failed to subscribe as much as they should, will have to come through, for this will be the last drive, Tillamook county must not be a slacker. Therefore, we want to appeal to the people of Tillamook county to put new energy into the drive, for the \$173,700 should be subscribed the next few days. In fact, Saturday night should see this accomplished. Mr. Mannix informs us that the two largest individual subscribers in Tillamook County will be presented with a German helmet.

We are giving a list of the subscribers who have taken their loans through the First National Bank and the Tillamook County Bank.

**Coming Back**

America is proud of them—the whole world is proud of them. They finished their part of the job with a courage and daring best described by Marshal Foch in these words to General Pershing before the battle of the Argonne:

"Your men have the devil's own punch. They will get away with all that. Go to it."

How proud of them are you?

THE AMOUNT OF THE VICTORY LIBERTY LOAN YOU SUBSCRIBE Measures your pride in them.

**PEACE MISSION ASKS SUPPORT OF FIFTH LOAN**

**Urges American People to Finish the Job by Taking the Victory Loan**

Four members of the American peace mission in France, Secretary of State Robert Lansing, Col. E. M. House, General Tasker N. Bliss and Henry White, have sent this message to the American people urging support of the Victory Loan:

"TO THE AMERICAN PEOPLE: "We have had the opportunity here in France to see and realize the magnitude of the accomplishment of our country in this war and the magnificent spirit with which this great task has been carried through to a triumphant issue.

"What has been done and what remains to be done before normal conditions are restored demand your continued and united support with the same spirit of self sacrifice and of determination as that which was manifested by the nation while the German armies faced our men at the Marne, and in the Champagne, at St. Mihiel and in the Argonne. We must not relax our efforts until every soldier of the republic is landed on the soil of America.

"To finish this mighty task imposes upon the government of the United States a great financial burden. The Victory Liberty Loan must thrive. If it should fail it would indicate that the Nation is willing to leave its task uncompleted.

"To secure the ideals for which Americans fought and died this great demand on national patriotism and united effort should meet a generous and universal response. Let us do our duty to the end.

"ROBERT LANSING, "HENRY WHITE, "E. M. HOUSE, "T. N. BLISS."

**NAVY BANDS WILL SPUR PATRIOTISM IN VICTORY DRIVE**

**Mare Island Commandant Offers Marines and Jackies to Aid Fifth Loan**

Captain Edward L. Beach, commandant of Mare Island Navy Yard, Mare Island, Cal., who was in command of the United States dreadnaught New York in the North Sea at the time the German navy was turned over under the terms of the armistice, has offered three of the crack service bands stationed at Mare Island for use during the Victory drive.

One of the bands will travel on the trophy train which will tour all of the seven states in the Twelfth District and the other two bands will be used in cities within a day's journey of Mare Island. One of these bands is the famous sixty-piece Marine Band and the other is the forty-piece Jackie Band.

Paymaster Ralph Phelps, U. S. N., has been placed in charge of the itinerary to be mapped out for the two bands which will not travel on the train and any local committee desiring to make use of either of these two bands during the drive should communicate with him.

**OH LORD! HIT US ALL!**

Former Secretary of the Treasury William G. McAdoo is telling this story to get buyers for the Victory Liberty Loan:

"A pastor in a New Jersey village," he said, "devoted a half hour one prayer meeting night to a loan appeal. His appeal was forcible. It even touched the rich old deacon, who hadn't subscribed to the loan hitherto on the ground that he could get a better rate of interest elsewhere.

"I'll take \$50," announced the deacon solemnly from his pew.

"Then, as he sat down, a piece of plaster fell from the ceiling, striking him a pretty hard blow on the head. He rose again hurriedly. He had a scared, awed look.

"I mean \$500," he said. "Then Brother Jimmy Conner shouted lustily from the amen corner: "Oh, Lord, hit him again!"

**41 LANGUAGES AID FIFTH LOAN DRIVE**

Pamphlets, posters, advertising and newspaper copy will be printed in 41 languages during the Victory Loan drive so that the campaign may be carried among people of foreign birth. All organizations with a foreign birth membership will be sent form letters and special appeals will be written by racial group leaders for publication in foreign language newspapers.

**CHICAGO DAILIES HIT AT LOAN SWINDLERS**

Chicago newspapers have made an agreement not to accept advertising of financial pirates offering to trade "gilt edge" securities for Liberty bonds and have started a campaign to educate the public against this swindle, through which it is estimated the public has been cheated out of more than \$500,000,000 a year.

Beware of small expenses. Stop them with War Savings Stamps.
