**All Parts of the State Getting Behind The Roosevelt Highway**  
In response to a number of communications sent out by the local Roosevelt Highway Association they are getting a number of encouraging replies, some of which we give below:  
Medford, Ore. May 2.  
Roosevelt Highway Association.  
Dear Mr. Rosenberg:—I have your circular letter of the 24 ult regard Roosevelt Highway and in connection therewith will say that I am heartily in favor of this project and will use whatever influence I may have in this section in favor of it. I might add that I would do this regardless of whether I was a taxpayer in Tillamook County or not, as I am a firm believer in good roads for all sections of the state. With kind personal regards, I beg to remain,  
Yours very truly,  
Wm. G. Tait,  
Pres. First National Bank, Medford, Oregon, McMinnville, Ore. April 28, 1919.  
Mr. H. H. Rosenberg, Tillamook, Oregon.  
Dear Sir:—I have your circular letter of the 24th inst. concerning the benefit to Tillamook County in connection with the Roosevelt Highway, and beg to assure you that I am giving this project my hearty support, as I believe it is of equal importance to the entire state of Oregon.  
So far as I am advised I think our people are quite favorably inclined toward this proposition. Personally, I sincerely trust it will carry.  
Yours very truly,  
E. C. Apperson.  
Portland Oregon, May 1, 1919.  
Mr. H. H. Rosenberg, Tillamook, Oregon.  
Dear Sir:—You can put me, personally down as being in favor of Roosevelt highway and will certainly vote for it.  
Yours very truly,  
E. P. Hopwood,  
Circulation Mgr., The Oregonian.  
Astoria, Ore., May 1, 1919.  
Mr. H. H. Rosenberg, Tillamook, Oregon.  
Dear Sir:—This will acknowledge receipt of your literature in reference to the Roosevelt Highway. You can count on us to do the needful for the adoption of this measure during election.  
Yours truly,  
Union Fish Co-Op. Pkg Co. Astoria, Ore.  
Portland, Ore., May 3, 1919  
H. H. Rosenberg, Tillamook, Oregon.  
Dear Sir:—In response to your appeal for votes for the Roosevelt Highway, permit me to assure you my vote and influence are always for good roads in the whole U. S. and I'd go farther than the highway Commissioners do in making them, for so many of the Oregon Highways are dangerously narrow, and very little more cash outlay would have made the roads more beautiful as well as safer.  
You know how it is; one never wants to pass another car without the third car coming from the other way just in time to make three abreast, and (I think) most of our highways will not permit that, because too narrow, so one must lag back and keep repeating the maneuver till fate holds the third car back.

Our turns and curves should be much broader. Sure, I'll boost and vote for the Roosevelt Highway, would do that even if I did not have a foot of ground in Tillamook Co.  
Sincerely,  
Dr. Ella K. Dearborn,  
Portland, Oregon.  
Portland, Ore., April 29, 1919.  
H. H. Rosenberg, Tillamook, Oregon.  
Dear Sir:—Replying to your circular letter of the 24th would say that we count ourselves as boosters for the Roosevelt Highway. It is bound to be built sooner or later, and the sooner the better for the reason that when it is finished it will make an all year round highway into California, and from a scenic standpoint it will be one of the wonders of the United States.  
Thanking you for calling our attention to the matter, and assuring you of the hearty support of both members of this firm, we are,  
Yours truly,  
Jaeger Bros.  
Portland Oregon.

**"THE GREAT LOVE" PROVES THAT WAR LEVELS ALL RANKS**  
Noble Women of Britain Assist In Production of Big Griffith Play.  
If the time-worn saying, "Love levels all ranks" be true, the newer one "War levels all ranks" is doubly true. This is plainly shown in David W. Griffith's special production for Artercraft, "The Great Love" which is to be displayed at the Gem Theatre next Tuesday, May 13. This remarkable picture was filmed largely in the homes and on the country estates of several of the titled families of England, and the actors in many of the scenes were members of the nobility, who have given their all to the prosecution of the war, turned their magnificent homes over to the government for hospital purposes and sacrificed every thought of self, every indulgence in pleasure, to aid and do their part in the great struggle for human liberty and freedom from autocratic despotism.  
This remarkable photoplay reveals a wonderful story. It portrays the awakening story. It portrays the awakening of a lethargy that had been produced by the conditions in the "piping times of peace" bringing out the wonderful character and nobility of purpose, the self-immolation, the letting down on the bars of caste on the part of the noble families of the Empire. Chief among the high social celebrities of England, who are conspicuously shown in the photoplay, are Queen Alexandra, Countess Masserene, Lady Lavery, Lady Diana Manners, reputed to be the most beautiful woman in England, Miss Elizabeth Asquith, daughter of the former Prime Minister of England, Lady Paget, the social dictator of London, and many others. The chief roles are in the hands of Lillian Gish, Robert Harron and Henry B. Walthall.  
This is by far the greatest play ever shown in Tillamook, so don't miss it! Next Tuesday, May 13, first show begins at 7:30, and the second show about 9:20. Seven reels.
