The editor met Judge Hewitt at Albany and he wished to be remembered to old friends. He told us of an amusing gambling case that came before him in this city when he was circuit judge, when certain parties sued for money they lost in a gambling game. He turned the tables on both parties and had them arrested for gambling and being indicted by the grand jury, they pleaded guilty as the pleadings in the cases admitted that both sides had gambled.

President Wilson made a bad mistake when he was so persistent about giving Fiume to Italy, and when he endeavored to discredit the Italian people. It acted as a boomerang and the president had to come down off his undignified high horse. The same thing happened when the first covenant of the league of nations was given out. He became peeved because it was so severely criticised by leading Republicans, but when he reached France the changes were made in the covenant. Thanks to the Republican statesmen of the United States.

The time has now arrived when the Germans have to put their heads into the yoke. It certainly must be exceedingly galling to them, for they loudly acclaimed that they were going to annex Belgium, take possession of the French coast and other territory in that country, give large portions of England to the German Junkers, take possession of India and other British colonies and make the United States pay for the whole cost of the war. In fact, it was the intention of Germany to run rough shod over the world, and had she won in her blood thirsty struggle for world wide dominion, the German treaty of peace would have reduced the allied nations to serfdom. That is what Germany would have done. But the tables are turned and Germany is not subject to as severe and exacting terms of peace as she would have inflicted upon the allies.

That every faithful administration idolator, the Springfield, Mass., Republican complains that the United States Senate actually proposed to send a "Snooping" committee to Paris to find out what was going on. In this day of open covenants openly arrived at any attempt by the American people or their official representatives to learn anything not handed to them by administration press agents over the seized cables is looked upon as impudent by the administration court journals.

**A Great Difference.**

A noted physician, particularly, expeditious in examining and prescribing for his patients, was sought out by an army man whom he "polished off" in almost less than no time. As the patient was leaving, he shook hands heartily with the doctor and said:  
"I am especially glad to have met you, as I have often heard my father Colonel Blank, speak of you."  
"What!" exclaimed the physician, "are you old Tom's son?"  
"Certainly."  
"My dear fellow," cried the doctor, "fling that infernal prescription in the fire and sit down and tell me what is the matter with you."

**CHOOSING A CAMERA**

"Oh! For a Camera!" How often have you exclaimed in admiration of a beautiful landscape, watching the kiddies at play, or perhaps at a gathering of home folks and friends. Yes, a camera! What joy its possession brings. But then there are cameras and cameras. In selecting your camera, choose an instrument of established quality, of known merit, backed by an iron clad guarantee—a **Rezo**—the one camera that is sure to satisfy.

To promote a healthy action of the liver and correct the disorders caused by biliousness, Chamberlains' Tablets are excellent. Try them and see how quickly they give you a relish for your food and banish that dull and stupid feeling.—Adv.

**HOW'S YOUR BLOOD?**

**Pimples and Eruptions Mean Bad Blood**

People who have impure or impoverished blood should be careful to take only a temperance remedy made of wild roots and barks such as Dr. Pierce's Golden Medical Discovery is and has been for nearly 50 years. Ingredients printed on wrapper.

The first day you start to take this reliable medicine, impure germs and accumulation begin to separate in the blood and are then expelled through the eliminative organs.

In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, back-ache, headache.

Get Dr. Pierce's Golden Medical Discovery to-day at any medicine dealers, in tablet or liquid form, or send 10c for trial package to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

Spokane, Wash.—"I had scrofulous sores on my body and limbs and boils were always coming out in different places. I took treatment from several doctors but they did me no good. At last I began using Dr. Pierce's Golden Medical Discovery for my blood. When I had taken three bottles of it the sores were all healed and I have not been troubled any more with boils."—U. S. Fuson, S. 110 Ivory St.
