## 100 PER CENT VOTE FOR ROOSEVELT HIGHWAY.

### This is How Tillamook County Should Vote Next Tuesday.

#### OVER 4,000 VOTERS MUST VOTE.

#### Every Precinct in County to Have a "Round Up" Committee.

We do not recall anything in recent years that is of as much importance to Tillamook county as the Roosevelt highway measure, and for that reason it behooves every voter to go to the polls next Tuesday and vote for this measure. Never before have the people of this county been so united and of one accord as on this occasion, and we cannot conceive of one reason why the voters of this county should not give a 100 percent vote for the Roosevelt highway and poll the biggest vote in the history of the county. All loyal, patriotic Tillamookers should take great pride in being able to say that they cast their ballot in favor of this commendable enterprise, which means so much, and is of far reaching importance to the future development and prosperity of the Coast Counties, and of Tillamook County in particular. Even in Tillamook county only a comparatively few persons have any conception of the large amount of undeveloped country the highway will open up to settlement, which is bottled up and isolated because of the need of a coast highway. The snap shot man has been preaching the gospel of the Roosevelt Highway for several weeks and we have devoted considerable space and time in the effort to put the measure over the top on the 3rd of June. So this is our last sermon we intend to preach to the people of Tillamook county on this subject. We are fully aware that we have converted most every Tillamooker to vote for the Roosevelt highway, but should there be one or two who are opposed to the development of the Coast Counties, all we can say we hope they will fall into line before election day. It is not necessary for us to add another word as to the merit of the measure. We are all agreed and united on that point and co-operating one with the other to obtain a favorable vote in the state. There is one more thing to do however, and that is to create plenty of enthusiasm and get the people to the polls on Tuesday. It is votes that count. There are about 4000 or more in the county. Let every voting precinct in the county make a strenuous effort to get the voters to the polls. Every patriotic, loyal Tillamooker should devote some time to this on Tuesday, for it is of vital importance to Tillamook county that a heavy vote be cast in favor of the Roosevelt highway. The snap shot man is in hopes that Tillamook County will have the honor of recording a 100 per cent vote in favor of the Roosevelt Highway measure. It will be a wonder when built. Won't you put your shoulder to the wheel and help bring this about. It can and should be done, and we know it will be done now that the people see what this great highway will do for the future development of the Coast Counties and the State of Oregon.

There are some persons who advocate that the voters vote for all even numbers on the ballot, and from present indications a considerable vote will be cast that way.

Below we give the measures to be voted upon, and how to vote for the reconstruction measures:

Every lady will get a number as she comes in and the one who holds the number corresponding to the one inside the box, gets the candy. Box will be opened at eleven thirty. Be sure and be there.

Tillamookers: Are you going to wait until the boom is on before getting in on some of the real estate propositions? Realty that will advance rapidly as soon as the highway and other coast developments are under way can now be secured for a small outlay. We have some mighty interesting propositions in Bayocean for the beach home seeker or the speculator. H. L. King.

**Death of Mrs. Kasper Schlappi.**

We are sorry to record the death of Mrs. Katherine Schlappi, wife of Kasper Schlappi, which occurred on the 25th at her home in this city. The funeral services were held on Tuesday, at the reform church, Dr. Charles Gibson conducting the religious services, which was one of the largest attended funerals in the county for some time, the deceased being highly respected by a large number of friends and neighbors, as well as a woman who was greatly beloved.

Katherine Raz, was born in Switzerland, September 16, 1852. On Nov. 13, 1874, she was united in marriage with Kasper Schlappi of that place. In 1887 they came to America, locating at Tillamook, where they have since made their home.

Nine children were born to the union. The husband and seven children survive the wife and mother.

The surviving children are as follows:

Mrs. A. G. Wilhelm, of Seattle, Wash.; Mrs. J. C. Strebin, of Gresham, Or.; Mrs. A. Marolf, Mrs. W. H. Hannenkrat, Mrs. J. Naegeli, Albert and Herman Schlappi, of Tillamook, Oregon. The two elder sons Kasper and John are dead.

Besides her husband and children Mrs. Schlappi leaves three brothers, 4 sisters and 6 grand children to mourn her absence.

As she lived a Christian life so she died a Christian death.

On May 25th, when she went home, nature was dressed in her loveliest robes; surrounded by singing birds and blooming flowers she said goodbye to these earthly scenes and entered the Paradise of God, there to meet the friends of the long ago, no more to say "good by" forever.

**President of Roosevelt Highway Association and Tillamook Cheese**

Glowing tribute to Tillamook county, to its famous cheese, to its many attractions and the progressive policy and energetic spirit of its people, was paid by S. C. Pier, recently, in an address before the federated clubwomen of Portland. Mr. Pier was speaking in behalf of the Roosevelt highway and he told the women what this great roadway would mean to all the counties of the coast of Oregon. In his speech he explained the educational, economic and agricultural advantages that would be opened up and urged the women to stand by the measure at the election June 3.

"Tillamook is an example of what can be done on the coast of Oregon," said the speaker. "The fertile valleys and hillside are yielding in dairy products millions of dollars yearly. Tillamook cheese is famous as a product of Oregon, famous because it is the best cheese in all the country. When I was in Philadelphia I saw some cheese in the place of honor in a fine store and I asked the proprietor why it was there and he said 'That's Tillamook cheese. It is so much better than others that my customers are glad to pay more for it than any other.' I felt a glow of pride to hear Oregon goods so highly praised.

Mr. Pier explained also that the highway will help the farmers in isolated spots and will open up a field of wealth to the state. Mrs. Charles H. Castner, state president of the federation, appealed to the club to support the bond measure for the highway, for soldiers and sailors education and for the building of institutions. The entire reconstruction program was discussed and advocated. The Portland committee includes Mrs. G. W. McMath, Mrs. A. Bernstein, Mrs. C. E. Runyan, Mrs. Jennie Richardson, Mrs. Edith Knight, Holmes, Mrs. J. F. Chapman and a few other, representing the clubs.

**Archbishop Christie Visits Tillamook**

Most Rev. Alexander Christie, bishop of the Catholic arch diocese of Oregon, composed of the northwest part of the United States, arrived in Tillamook Sunday afternoon and Sunday evening at eight o'clock administered the sacrament of confirmation to a class of 75 at Sacred Heart church. The archbishop was assisted by Prior Maurus, O. S. B., and Father Ambrose, O. S. B., of Mount Angel, Oregon. Father Odilo, O. S. B., of Conception, Missouri, and Father Hilbrandt the local pastor.

The confirmation class was composed of children and some adults from all parts of the Tillamook county. Besides a large congregation of Tillamook people a number of relatives and friends, of those confirmed, from outside districts, were in attendance at the ceremonies.

Address to the class explaining the sacrament and that they were to be come confirmed soldiers, fighting for the spiritual kingdom of Heaven. Must also remember that as Catholics they must be loyal soldiers of their country and ready to give up their lives for it.

The archbishop expressed himself as very glad to have been able to come to Tillamook. He was surprised and well pleased at the progress of the Tillamook parish and the beautiful church that has been erected.

Archbishop Christie is a booster for Oregon good roads projects. Some of Tillamook's citizens called on him at the Catholic parsonage while he was here last Sunday. He made inquiries in regard to the location of the Roosevelt highway and other highway projects in Tillamook. He hoped they would all carry and that the roads would be constructed at an early date.

**A Charming Photoplay.**

Revealing a story of intense dramatic interest, "A daughter of the Old South," the newest Paramount picture starring beautiful Pauline Frederick, which will be shown at the Gem Theatre, Monday, June 2, is in every respect a charming photoplay. The story was written by Alicia Ramsey and Rudolph De Cordova and it was adapted for the screen by Margaret Turnbull. The director was Emile Chautard.
