

"THE BARRIER," Seven Reel Super Production.

Taken from the Famous Story of the same name by Rex Beach.

Everything about "The Barrier" is powerful-- Character, Plot and Incidents. It is "BIGNESS" spelled with capital letters. The cast is especially strong, including Mitchell Lewis, Russel Simpson, Ed. Roseman and other stars of great prominence in the "Photoplay World." The scenes in this stupendous play are laid among surroundings of unusual beauty and grandeur in the Far North, as seen by Mr. Beach during his five years in Alaska, and concern men and women whom he met during his stay among the mining camps.

SEE THIS AT GEM THEATRE, Tillamook Friday-Saturday, 30th-31st.

Reconstruction Committee Boosting For the Roosevelt Highway

Dear Mr. Baker: I notice in the press clippings that quite a few papers are printing your article on the reconstruction measures to be voted upon June 3. I want to congratulate you upon your article. It strikes me that it is very good and effective piece of work.

I had the honor of speaking before the Chamber of Commerce on Monday on the Roosevelt Highway, and was glad indeed to do my little bit for this very important public improvement. I am very anxious indeed to see the Roosevelt Highway get a very splendid vote on June 3 in Multnomah County, and I assure you that I am bending every energy to secure that result. I am working also in close touch with the irrigation boys, and they are sending out letters and telegrams to their friends in Eastern Oregon, instructing them to go down the line for the Roosevelt Highway. It strikes me that one of the important results of this election if we win on the various measures, will be a better spirit of cooperation between the different sections of the state.

I assure you that we appreciate your very good and effective work. With kind personal regards, I am,
Yours truly,
Clark Leiter,
Campaign Director.

Chas. F. Girard, Mayor of Bay City.

Have delayed some in answering your letter of the 15th. Have been busy in converting some of the people to the right way of thinking and doing for their own good.

I find that they are mostly all in favor of the project. The very importance of the matter does not require much consideration to bring most of the people in our vicinity to the right way of thinking. That to vote for the bonds with a great majority.

Tillamook county is beginning to wake up to the realization that the time is ripe for a great movement. Nothing yet has been proposed that means more for the upbuilding of the whole county and state than the road bonding measure as just put up by the Roosevelt Highway Association.

Not alone that, but there is the State Bond Payment of Irrigation and Drainage District Bond interest measure that should be carried by a good majority that one and all will be benefitted by it. We no doubt will

have to pull for every measure. It will be a great benefit to the whole state.

We must not rest on our oars. We must put the shoulder to the wheel and work like trojans so as to be sure to carry all the measures by unanimous vote.

We, the people of Bay City, realize what it means to have the highway improvement going through. We have been struggling for years for the want of better roads but now we are on the eve of victory. We shall endeavor to carry all the measures by unanimous vote. I can assure you that Bay City will not stand behind as to voting for all that interests county and state measures. It means prosperity and upbuilding of the whole state. It is no dream, have been here for the last fifteen years in this county in and out and have never seen anything yet that Tillamook County undertook that they did not finish proper. Wishing you success I remain.

President Campbell, U. of O.

Owing to absence from home I have been delayed in replying to your favor of May 9th. I can assure you that we are all deeply interested in the Roosevelt Highway and we will do our best to secure for it the support of this section of Oregon. I agree with you perfectly that the state can do nothing better now than to undertake an aggressive campaign in all questions relative to international development. You may count on our hearty sympathy and support.

Lang & Co., Portland, Oregon

I wish to acknowledge yours of May 15th, relative to the Roosevelt highway measure, and assure you that not only myself, but I think every man in this office agrees with you. Everything reasonable will be done here to push the measure.

E. L. McCormick, City Recorder of Hillsboro.

I just received your letter pertaining to the Roosevelt Highway, and will say that you have a friend in me for the highway. I have come to the conclusion that if we who are here today, do not do anything along the lines of progress and development for the state's resources, there will never anything be done. The highway, in my estimation, is one of the best moves on foot. Of course we have a lot of proposed highways to build, and it seems like the state is very, very slow to get busy, and sometime a fellow feels like waiting awhile until they do something.

I will do what I can to boost the Roosevelt highway, and you can depend on that. It is a difficult matter to know how the vote will come out,

for there are so many old voters opposed to taxation. Nevertheless we will give them a run for their money.

Mosier Fruit Growers Association.

Yours relative to Roosevelt Highway received, and have been doing a little boosting for you, but so far have found no one opposed to it, also understand Hood River people are solid for it, so guess you will have that mud fixed.

Queen Insurance Co., of America.

I have for acknowledgment your favor of May 15th, together with circular with reference to the Roosevelt Highway and your request that I keep it in mind and vote for it when the time comes and do what I can to help it along.

I assure you, my good friend Watson, that when this measure comes up, I shall certainly vote for it and do all I can to help it along. In fact I am so much of a road enthusiast, that I believe, were there a provision on the ballot to vote for a highway across the Pacific Ocean, I would vote for it, so you can rest assured that I will do all I can in favor of this measure, with the belief that it is one of the main issues up for the benefit of Oregon.

Vivian Martin in "Mirandy Smiles".

Vivian Martin certainly shows her versatility in "Mirandy Smiles" her latest Paramount picture in which she will be seen at the Gem Theatre, Wednesday, June 4. She appears as a quaint, high spirited little scrub girl who works in the opera house of a middle west town.

At first we see her with the celebrated Martin curls whipped straight back and tied in two straight braids. She is cleaning the floors in the opera house when she slips and lands in a pail of soapy water. She is rescued by Teddy Lawrence, a musician at the opera house and there the romance starts.

Even without her curls and while doused in soapy water pretty Vivian is as fascinating as ever, and as the story develops and she appears with her hair puffed out, and in better clothes, she shows some exceeding clever acting by the contrast in the little scrub girl character which she presents.

Card of Thanks.

It is with heartfelt thanks that we wish to express our gratitude for the sympathy and kindness shown us in the death of our beloved wife and mother, and for the many beautiful flowers.

CITY TO HAVE "ROUND UP"

Women To Pull Off Big Stunts Next Tuesday.

Tillamook City is to have a genuine "Round Up" next Tuesday, with some sensational stunts. The star actors in the city "Round Up" are women, and they are going to make it interesting for the Bull Moosers, the unterrified Democratic mules, the Republican elephants and the "wet" and "dry" goats, should they attempt to buck when being roped and dragged to the polls. Lord Harry only knows what is going to happen to any wiskered bolschiviki the women happen to lasso who refuses to vote for the Roosevelt Highway measure and other reconstruction measures. The "knockers", and moss-backs, and persons running around with a grouch had better take to the woods. The sheriff and city marshal as well as the district attorney, won't take part in the performance, but should these minions of the law attempt to interfere they will be roped and put through some bucking stunts.

Every loyal Tillamooker must go to the polls next Tuesday and vote for the Roosevelt Highway measure. That is the mandate of the committee, and the women have promised to see that the mandate is carried out. A word to the wise is sufficient. Go to the polls early and then the women won't be able to make a "goat" of you and put you through a bucking stunt. Let'er buck, and success to the city "Round Up!"

The managers of the "Round Up" are Mesdames C. J. Edwards, S. S. Johnson and W. B. Alderman, and the lasso committees for each precinct are as follows:

- Goodspeed—Mrs. R. McGrath and Mrs. Robt. Wott.
- Hays—Mrs. H. T. Botts, Mrs. J. M. Smith and Mrs. Sam Moulton.
- Stillwell—Mrs. Jennie McGhee, Mrs. W. G. Dwright and Mrs. Geo. Yarson.
- Sunnymead—Mrs. Jesse M. Stephens, Mrs. F. R. Cardiff and Mrs. C. J. Coburn.
- Tillamook—Mrs. J. P. McGinnis, Mrs. Chas. Barnes and Mrs. Cloyd Dawson.
- Hogarton—Mrs. A. C. Everson, Mrs. H. Crenshaw and Mrs. Geo. Leep.

Notice to Rebekahs.

The annual Rebekah Convention will be held at Cloverdale, Wednesday, June 4th. Jessie E. Jarvis, Assembly president will be present on an official visit.

A good attendance is desired. Committee.

Attention Knights.

Memorial Day, Friday, May 30, 1919, will mean more than ever before. We have just passed through the greatest war in the world's history. The young men of this nation laid aside the business of civil life when the call went out, left all that was near and dear to them, and marching shoulder to shoulder with the Allied soldiers of the old world, fought the battle for freedom on a foreign soil. Many are lying upon the bloody battle fields of France; many are lying beneath the waters, but where ever they may be they will not be forgotten. It is only fitting that we should lay aside the business of the hour, and upon this day pay homage to our heroic dead, and to those who have passed from the peaceful walk of life. The members of the G. A. R. soldiers of that victorious army of fifty years ago will have charge of the exercises, assisted by other fraternal orders. We therefore urge that all Knights meet promptly at the Hall at 1:30 p.m., May 30, prepared to take part in the parade, and attend exercises at the cemetery.

C. E. Gibson, H. J. Hickerson and C. A. Johnson, Committee.

Peggy Hyland in New Play.

Peggy Hyland the William Fox star, is compelled to mingle with crooks in her new play "The Girl With No Regrets", which will be shown at the Gem Theatre, Thursday, June 5. But if sweet Peggy were

surrounded by a million crooks and as many conspirators, no one would deem possible that she could ever be one of them. The conclusion would naturally be that if she were with them the reason must be that she was trying to reform them. That is what a wealthy man believes in this story, and although he was supposed to be a confirmed women hater, Peggy's charming ways forced him to fall in love with her despite conspiracy aimed to ruin her.

Incidentally the big jewel robbery plot by Peggy's relatives is defeated.
