Notice of Sheriff's Sale.

Why all the haste about junking war material and knocking it down at ten cents or so on the dollar? Why not wait until we see what demands are to be made upon this country when the war is over, if it is ever allowed to be over by the diplomats and politicians? Surely not so that we may have opportunity to buy more material at inflated prices.

William Allen White writes: "Am_ erica's inextricable entanglement in Europe as the world's money lender makes retirement impossible, however desirable". A good many people have been coming to the conclusion that this is a better explanation of a lot of the things that have been hap- have had our wish. pening at Paris than the solful rhapening at Paris than the soulful rha- German colonies. from other quarters.
