Make your plans to see both of these features. Don't forget the nights.

\$1650 of Salvation Army Quota Raised.

With the reports from Cloverdale and Nehalem not all in, and one or two solicitors in Tillamook still to send in their results, the Salvation Army Quota of \$1750 set for Tillamook County, is all raised except about \$100.

The largest donor in the county was the estate and heirs of Anna S. Burton, who gave \$400. One hundred and twelve dollars collected at the D. O. K. K. dance was the next largest sum raised, and the other contributors of \$5 or over were:

First National Bank	\$20.00
K. of P. Lodge	20.00
A. G. Beals	20.00

William Jennings Bryan, who will speak at the Tillamook Chautauqua on "Foreign and Domestic Problems."

making Bayocean accessible is completed as speedily as possible so more of our people can enjoy it with us. Many will come from our part of the state when they can reach Bayocean by automobile. Also there is no doubt that some will acquire property and build cottages as soon as the place is made more accessible.

The Fourth of July Celebration.

With fine clear weather for the Fourth, the people of Tillamook celebrated all day long with riotous joy, the anniversary of the signing of the Declaration of Independence. Judge R. R. Butler, who Tillamook was fortunate enough to secure for its speaker, made an oration that will linger long in the minds of his appreciative hearers; the merry crowds on the streets battling with confetti delighted themselves, and the dance after the day grew old was amusing, and all, all of the above went to make Tillamook's celebration one of the happiest, and jolliest homecomings ever rendered a returning army.

The morning parade was constantly applauded, eight Civil War veterans marched, quite a number of Spanish-American war veterans and nearly a hundred soldiers of the World War. The K. of P. Band played for the procession, and many beautifully decorated floats and automobiles lengthened the parade into a procession nearly five blocks long.

The K. of P. should be praised for their arrangements of the day, and for making it such a success for the crowds. At noon nearly a hundred and fifty were served by the committee at the luncheon at the Guild Hall.

Saturday afternoon a ball game was played between Tillamook and Nehalem, Nehalem winning with a score of 9 to 3. The lineup was as follows: Nehalem—F. Tubbesing, 1. f.; H. Tubbesing, 1st; Gresham, c. f.; Atwood, c.; Blanchard, p.; Perogoy, 3rd; Harris 2nd; Sullivan, s.s.; Davidson, r. f.

Tillamook's team had on it the following members: Cowles, 1. f.; Gabriel, s.s.; King, c. f and 2nd; Crimmins, 3rd; Armbruster, c; Travis, 1st; Bliss, 2nd; Himes, f. f. and McClenny, p. Arthur Wallace was the score keeper. F. Tubbesing, Gresham, Perogoy, Sullivan, Davis and Harris scored for Nehalem, while Armbruster, Travis and Bliss scored for Tillamook.

Tillamook got four hits off Blanchard, and Blanchard struck out nineteen. Blanchard and McClenny both walked two men. Nine hits were secured off McClenny, who struck out nine men.

The list of prize winners in the races, best decorated automobile, and other events during the two days is as follows:

Wm. Foster, 100 yd. \$5; A. K. Stanley, log-rolling, \$15; Ebbesen, log-rolling, \$10; Henry Sause, log-

rolling, \$25; Benny Hathaway and Davis pony, \$4 each; Edwin Glad, pony race, \$5; O. E. Gulstrom, pony race, \$10; Fairview team, tug-of-war \$25; Wm. Campbell, bicycle race, \$2; McKinley, bicycle race, \$1, Crane \$5 and McKinley \$2 in greased pole contest; Fat man's race, Henry Plasker, \$5; Viva Owens, ladies race, \$3; and Erma Austin, \$2; Boy's race, Harold Mattoon, \$3; Howard Matthews, \$2; Girl's race, Helen Newland, \$3, Freves McKune, \$2; Stocking race, Verne Abplanalp, \$2, Irvin Crawford, \$3; Ladies egg race, Auli Green, \$4, and Flo Innes, \$3; Pillow fight, Joe Mills, \$5.

The complete list of prize winners can not be given out as some of the prize winners have not turned in their vouchers to Mr. Crenshaw, who has charge of them, and the payment of the prizes.

Think Loganberries are Sure Money Makers.

A. W. Bunn, Dan Murphy, C. S. Barnes and W. G. Dwight returned Tuesday evening from a trip through the valley during which they inspected many loganberry patches at Sheridan, Salem, Newberg and Woodburn. Loganberries are a fruit especially adapted to the north-west coast and no other part of the country grows loganberries extensively, according to Mr. Dwight.

Land that grows healthy fern is best suited to growing loganberries, Mr. Dwight said he was told by the people of the valley. Wonderful returns for the money invested are shown by the people who grow loganberries extensively, and who take proper care and cultivation of them, Mr. Dwight was told by the enthusiasts in the valley, and some of their enthusiasm for loganberries he has brought back with him.

One of the big canning companies at Salem has spent nearly \$400,000 advertising its product throughout the east, he says. Loganberries are used for canning, for juice, and could be dried, but little has been done in the latter line yet.

Marguerite Clark At The Gem.

Marguerite Clark Paramount star, will appear in "Wildflower" at the Gem Theatre next Friday. The photoplay is a delightful tale of sweet innocence and eternal youth, admirably exemplified in the personality of Miss Clark.

"Wildflower" is a refreshing note in the regular routine of film production. It transports the spectator into far green fields, out into the open spaces, where the gulle of the city does not penetrate. Yet we catch a glimpse of the city too with its yellow lights and yellow hearts, and its numerous infamies. But always the wholesomeness of the great outdoors dominates the plot and the action, and the final victory over villainy and deceit brings us back again to the forest and its purities.

The action in "Wildflower" is closely knit, and the pleasing tale is unfolded with ever increasing inter-

THE car with two or three or four different brands of tires reflects on the owner's ability to buy judiciously.

People who try Firestone Gray Sidewall Tires are no longer in the ranks of the tire doubters.

They know that at least one make of tires has more miles of wear. They know that the name Firestone carries assurance and that the tires are uniformly good.

Firestone TIRES

Most Miles per Dollar

est. Miss Clark makes the character of "Wildflower" a genuine delight, an elfish, untutored whimsical little nymph who learns the ways of civilization and who is made a victim of its delicate tortures in the learning. But in the end she masters the culture of the city, and incidentally the heart and soul of a devoted and faithful lover.

Coming "The Man From Funeral Range."

Mark Brenton, a mining man of somewhat shady reputation was shot and killed at the hotel yesterday and the affair is veiled in mystery. There were two people present when the shooting occurred. One was Harry Webb, a prospector, who is accused of the crime and the other, Janice Williams, a beautiful cabaret girl, who disappeared before she could be detained and Webb will probably pay the penalty.

Announcement.

Mrs. Holden, after spending months in extensive study in technic and interpretation with Mrs. Carrie Louise Dunning, of New York, will return to Tillamook and open her studio September 1. Applications for admittance to the classes of the Dunning system or for private lessons will be received after August 1st.

Notice.

The following list of warrants issued by the County of Tillamook more than seven years prior to July 1, 1919, have not been paid and notice is hereby given by order of the County Court that if said warrants are not presented for payment within sixty days from July 1, 1919 they will be cancelled, and payment thereof will be refused.

Kerosene a Most Convenient and Economical Fuel.

The MUSE had dirt of a coal or wood cook-stove add to the burden of the house wife. Coal dust seems to get everywhere and it means continual work to keep a kitchen clean when coal is used in the stove. All this trouble is done away with when kerosene is used as fuel. It is clean and convenient and makes less work for the housewife. In addition to this, it is more economical than either coal or wood. A good kerosene like the Standard Oil Company's Pearl Oil make a distinct saving, not only in the household but also in the time and energy of the housewife. Pearl oil gives excellent results as far as good cooking is concerned and when it is used the kitchen never becomes overheated. Good cookstoves with Pearl Oil will bake, broil, roast, and toast economically.
