Flagg and wife, Mr. and Mrs. Ray Warner, Mrs. Shellas, Harry McKune and Mrs. Stuart.

**MAY BUILD NEW MODERN SCHOOL**

School Board Meets Tonight to Vote On Bonding Measure.

A new \$25,000 school house to be used probably as a high school will be built by district No. 32, Bay City, if the measure receives the approval of the property owners. The school board meets tonight, (Thursday), and will take the matter up. The district owns five acres of land just beyond Provost's, on the cut, and this is where the building will be erected. The present building is felt to be inadequate, and with the growth that must necessarily come to Bay City when the new cannery goes up, and the United Railways build their projected line, a modern high school is one of the most needed things to attract desirable citizens.
