

Notice of School Election to Increase Tax More than Six Per Cent Over That of the Previous Year, and to Elect District Clerk.

Notice is hereby given to the legal voters of School District No. 9 of Tillamook County, State of Oregon, that a school meeting of said district, and an election thereof, will be held in said district at the high school building on the 29th day of September, 1919, at one o'clock in the afternoon, to vote on the question of increasing the amount of tax levied in the district for the year 1919 by more than six per cent.

It is necessary to raise this additional amount for the following reasons:

It has been found necessary to pay increased salaries to all teachers and everything purchased is higher, and besides this it is desired to get complete title to site where grade school building is situated.

At said meeting and election there will further be submitted to the legal voters of said district, and said meeting is called for that purpose, the question of authorizing the district school board to purchase for the district a release from W. D. Stillwell of his interest in the tract of land heretofore conveyed by him to the district for school purposes, being the tract now occupied by the grade school building, and to pay said Stillwell the sum of \$2000.00 for said interest.

Said meeting is called for the further purpose of electing a District Clerk to fill the unexpired term of Erwin Harrison who has resigned.

Dated this August 22nd, 1919.
Erwin Harrison, Dist. Clerk.
H. T. Botts, Chairman of the School Board.

The silks from which these waists are made were purchased by the manufacturer before the radical advance in Silk Prices of the last few months and being designed, made and brought to us under the unique plan mentioned above permits the purchase for this nominal sum of waists that would sell for half as much again if presented under ordinary merchandising methods.

Four styles are illustrated and from the sketches you will note that the styles are both distinctive and authentic. Some of the models are handsomely embroidered, others are Filet Lace trimmed while others depend upon an attractive arrangement of tucks, pleats and buttons for their appeal.
