

TILLAMOOK, OREGON, SEPTEMBER 25, 1919.

Tillamook Jottings.

Miss Ethel Wilson, of Kansas, is visiting Mr. and Mrs. F. N. Wilson for a few weeks.

W. H. Ewan, of Nehalem, was in the city on Wednesday, and became a subscriber to the Headlight.

Marriage licenses were issued to Buell C. Woods and Ruth Gray Altenger; Neil Hiner and Pauline Hathaway.

Morris Schnal having bought the building occupied by Condit and Conover, expects to pull down the old shack and replace it with a modern building.

Mrs H. L. Mason died yesterday in this city and the funeral will be held Friday afternoon. The deceased was 65 years of age and the cause of death was asthma.

Weather conditions this week were decidedly warm for Tillamook County, the east wind during the day making it the hottest weather the county has had this summer.

Dr. and Mrs. Lebow have returned and will be at Dr. Wise's Tillamook office on Monday and Tuesday, Bay City on Wednesday; at Cloverdale on Thursdays; Nehalem, Fridays and Wheeler Saturdays.

A. F. Coates, of the Coates Lumber Co., was in from Seattle, Wash. this week, and left on Wednesday with Joe Franklin and W. F. Baker and wife, all of whom to attend the State Fair at Salem.

The Board of Equalization made a reduction of 50 per cent in the valuation of the timber that was burned over in September, of last year. It is the intention of the County Court to have the burned timber cruised as soon as possible, so as to arrive at a just valuation.

The Portland Chapter of the Red Cross is anxious to have Miss Jane V. Doyle, who is Executive Secretary of the Bureau of Nursing Activities, come to Tillamook for the purpose of interesting the members of the Tillamook branch in educational and nursing activities.

On Wednesday evening, Sept. 11, Frances Buckles, of Tillamook, Ore., and Miss Maude E. Shearer, of Portland, Oregon, were married by the Rev. McDermoth, of the Congregational Church, at Aberdeen, Wash. After a trip to Oregon they will make Aberdeen their home.

The case of Vern Blanchard was tried before jury in Justice of Peace Stanley's court, who was arrested for violating the fishing laws. The jury found Blanchard guilty and he was fined \$100. As there is some doubt in the case as to law points, the case is to be appealed to the circuit court.

Dr. Livingston Farrand, head of the National American Red Cross, will be in Portland Monday, September 29. It is the intention of the Portland Chapter Officers to arrange a meeting or meetings throughout the day for the privilege of hearing Dr. Farrand tell representatives of the Chapters and Branches what the future program of the Red Cross is to be.

At the School meeting on Saturday the budget as submitted by the school board and published in the local newspapers was accepted. The school board was instructed to negotiate with Mr. Stillwell for the purpose of obtaining a clear title of the school grounds, and the school board was authorized to obtain an option on the Hays tract and a tract of land in the east part of the city. It is proposed that the Hays property be bought for school purposes and a city park, the school board and the city owning same jointly. Chester McGhee was elected school clerk in the place of Erwin Harrison, resigned.

Charles Elliott vs Fred C. Seomp is a suit filed in the circuit court, which in a counter suit filed by the defendant last week, growing out of the value of chittim bark. Plaintiff alleges that in July, 1919, he entered into a contract with the defendant, to buy chittim bark and to store the same in a barn on the place, and on the 3rd of September, 1919, the defendant set out fire without first having obtained a permit, and the barn and bark was burned, besides other personal property of the plaintiff. The present suit is to recover the value of two tons of chittim bark valued at \$490.00.

Charles Gates vs. Pete Buckbey, Ralph Dunn, Harry Southmayd, Artie Southwayd, Cook, Harry Brooten, D. Brooten, Bell Buckbey, John Fiddler, Wm. Dunn and Frank Dunn is a suit filed in the circuit court to restrain the defendants from operating drift gill nets or set gill nets, in the day time, or from laying nets out at any time in such manner as to interfere with the reasonable and practical operation of plaintiff's drag seines; that defendants be enjoined from colliding with or bumping into the plaintiff's boat with their net into the plaintiff's boat with their

ment against the defendants for the sum of \$250.00.

Prof Farrington, head of the Dairy Division, University of Wisconsin, and Mr. Marshall, who manufactures the Marshall's rennet and cheese color, both of Madison, Wisconsin, paid Tillamook a visit Sunday. Carl Haberlach took them to several of the larger cheese factories in this vicinity and also for a ride through our dairy section in the afternoon, and to Rockaway beach in the afternoon. Both Mr. Farrington and Mr. Marshall expressed themselves as much surprised over our fine cheese factories, saying they were much superior to those in Wisconsin. Mr. Farrington is to score the dairy products at the Salem fair this week.

As the result of indiscretion, more than anything else, probably, Floyd V. Blanchard, a young man 18 years of age, found himself locked up in the county jail charged with stealing an automobile from the Bay City garage last week, consequently he faces a serious charge, which, if pressed, would send him to the penitentiary for a term of years. The young man realizing what a serious mistake he had made, owned up to the county officials that he had no intention of stealing the auto, and realizing that it would be a mistake to send the young man to the penitentiary, which would blight his young life, District Attorney Goynne charged him with a minor offense, and it is hoped the young man will profit by it, for it was a close call of going to the penitentiary for a number of years. Blanchard was fined \$50.00 which was paid, and he promised to stay at home and go to work.

The city was visited this week by several "dead beats," and the city and county officials soon rounded them up and put them in the "sweat box." Two claimed to be deaf mutes, and when the officials said they would send one to the rock pile for 30 days beads of perspiration rolled down his face and he appeared very uncomfortable at what was said. The officials told them to get out of town on the next train or they would be put on the road work. Early next morning one of the dead beats went down to Sunnymead and undertook to do business as a deaf mute. He happened to run across a deaf mute family, and when the deaf beat was asked to do a little talking with his fingers, he was unable to talk that way, which was proof that he was an impostor. The city marshal was informed of this incident and after he had done some main talking the man beat it to the depot as fast as he could get there.

Grocery Stores Consolidate.

Two of Tillamook City's grocery stores have consolidated. Conover & Condit having bought out the Tillamook Feed Company, of which Geo. Williams was the principal owner and manager. Conover & Condit will move their stock of goods to the building now occupied by the Tillamook Feed Company, employing the same clerks. Conover & Condit have done a large amount of business, and by the consolidation of the two stores this will mean considerable more business.

Powerful Photoplay.

One of the strongest prothoptlays seen here in many weeks is "Paid In Full", starring Pauline Frederick, the brilliant Paramount star, which will be shown at the Gem Theatre, next Wednesday, Oct. 1. The story of Emma Brooks whose happiness is married by a shiftless and improvident husband, is finely appealing marred by a shiftless and improvident and it affords this popular player one of the most powerful roles of her career.

Baby Week in Tillamook.

The campaign for the \$60,000 fund for the new fire proof nursery building of the Pacific Coast Rescue and Protective Society is being carried on this week.

The amount to be raised and the conduct of the campaign has the full approval of Governor Olcott, who has, by proclamation, given his official sanction and recommended that all good citizens contribute.

The amount set to be raised in Tillamook county is \$1000. Although there has not been as much publicity given to this matter as we might have desired we are sure that Tillamook will, as usual, go over the top.

Last year the society cared for 132 babies under the age of two years. At the present time the home is so full that it has been necessary to board out 200 babies under two years old.

In order to carry on the work it is absolutely necessary that proper buildings and equipment be provided, and it is for this purpose that these funds are being asked.

The campaign is under the direction of Mrs. S. H. Upton, of Portland, Field

Secretary of the Pacific Coast Rescue and Protective Society. Mrs. Robert H. McGrath is in charge of the drive in Tillamook County and all who desire to contribute and who have not been directly solicited may send their contributions direct to her.

TILLAMOOK ASKS FUNDS.

County is First to Apply Under the Market Roads Tax Law.

Tillamook is the first county to make application for funds under the market road tax law, approved by the people at the special election in June. Under the law a 1 mill tax one each \$1 of taxable property in the state shall become part of the state highway fund of the state and shall constitute an appropriation therefrom, subject to disposal and distribution by the state highway commission.

The highway commission is directed to annually appropriate amounts to each county, which sum shall be at least equal to its contribution to the market road fund, but no county shall receive in excess of 10 per cent. When courts fail or neglect to accept the amount proportioned, the state highway commission may distribute such funds to the counties accepting and operating under the act.

These market roads are to be constructed only under the supervision and control of the county courts, but the courts must request the state highway commission to furnish plans and specifications, supervise surveys and establish grades. Counties desiring to avail themselves of the law must make a uniform levy which will raise an amount equal to the amount appropriated by the state highway commission.

About \$1,000,000 will be raised by levy to equal this sum, there will be a second million dollars available for the mileage tax for the market roads each year.

American Legion Organizes in Tillamook.

On Friday night at the Court House a number of ex-service men met and permanently organized a post of the American Legion. E. J. Clausen, who attended the state meeting in Portland reported on what work was done there, and the purpose of the organization as explained by Colonel Roosevelt, who spoke at the meeting. Temporary officers were elected consisting of E. J. Clausen, chairman; H. L. Lamar, vice-chairman; I. E. Keldson, Sec & Treas.

Plans were made for giving a grand ball on Armistice night, November 11.

Any ex-service men who do not already belong can obtain information and application blanks from any of the officers. It is desirous to have a one hundred percent enrollment in this county.

Call For Warrants.

All county general fund warrants endorsed prior to September 12th, 1919, will be paid upon presentation. Interest ceases this September 23rd, 1919.

Kathleen Mills, County Treasurer.

Ethel Clayton Central Figure in Charming Picture.

How an out of date department store may be transformed by the common sense and intelligence of a girl into a prosperous enterprise, is told in "Maggie Pepper", at the Gem Theatre next Monday. Furthermore the story depicts the struggles of the clever Maggie against heavy odds, enemies and adverse circumstances. The big, human note is uppermost in the play, which was written by Charles Klein.

Ethel Clayton in the title role is said to be superb. She has the peculiar quality of alertness and activity as well as the charm and culture to make the role one that will not soon be forgotten. The production is far above the average, which is easily believable when it is remembered that this is a Paramount picture.

Hiner-Hathaway.

On Saturday at 3 o'clock at the bride's home, Mr. Niel Hiner was welcomed with warm words of welcome and much of good cheer, among the sons-in-law of Mr. and Mrs. J. H. Hathaway. At this time and place their beautiful and attractive daughter, Miss Pauline, who has many warm and worthy friends in and around Tillamook City, was given in the bonds of wedlock to Mr. Neil Hiner, Rev. Norman Wayne Phelps, officiating.

Members of the Hathaway family witnessed the ceremony, after which with much good cheer, dinner was served. Tasty decorations, of which astors of many colors predominated, made bright the room.

Mr. and Mrs. Hiner will be at home to their many friends at the home of the bride's parents near the fair grounds.

New Barber Shop.

Emil Heusser, who for the last several years has been employed in the Moulton barber shop, has leased the old Riefenberg building, next to the Condit and Conover's grocery store, and is having the building remodeled. Mr. Heusser has sub let half the building to F. B. McKinley, who will use same for a real estate office, while the other half he will turn into a neat little barber shop.

Mr. and Mrs. Heusser left for Portland Thursday and while there the former will buy the fixtures for the shop, which will be open for business about Oct. second.

INSURANCE ON AUTO PAID

In view of the interest which all owners of automobiles have, or should have, in insurance on machines, I feel it a duty to express publicly my appreciation for the prompt and satisfactory manner in which my fire loss has been adjusted.

No auto owner should hesitate or take a chance in carrying the risk himself when it is possible to get such service as was rendered me; and I am glad to recommend the agency of A. C. Everson, in which my insurance was written, to all who desire insurance that insures.

Clark Embum

Dairy Farm Sells for \$32,000

A deal was consummated on Tuesday in which Andrew Anderson disposed of his dairy farm, which includes 45 acres of land north of this city and is all river bottom land. The farm and the stock was sold for \$32,000, which is over \$600 per acre for the land. The place was bought by L. C. Daniels of South Prairie, which is only another instance that it is people that have resided in this county who pay the high prices for land.

It is predicted that a large amount of the prairie land, which is not very good land for dairying, will eventually be worth \$1000.00 an acre when it is planted to loganberries, for the logan berry industry is destined to become a large and profitable industry in this county.

Safe Crackers at Nehalem.

Yeggmen pounced down on the peaceful little city of Nehalem early Friday and blew open the safe of Dave Thompson's store and got away with \$413.16 in cash, \$80.00 worth of war stamps and about \$500.00 worth of jewelry, which included watches, rings, etc.

It was between three and four o'clock in the morning when Mrs. Perego heard an explosion, but thought it was the backfire of a fisherman's boat on the river and later saw two men pass, whom she thought were fishermen.

When Thompson went down to the store to commence business he was much surprised to find that his safe had been successfully blown open and the valuable contents carried off. To deepen the sound of the explosion, the yeggmen had placed sacks of flour against the safe.

It is thought that one of the safe crackers was an ex-convict who was known to be in that neighborhood.

On Saturday some of the jewelry, consisting of watches, rings, trinkets, etc., with a bag of skeleton keys, were found in the tunnels on the railroad, and it is supposed the yeggmen had boarded the outgoing passenger train that morning and dropped the articles through the toilet, for fear of being caught with the articles on them.

Thompson came down from Nehalem for the purpose of recovery the jewelry that was in the possession of Sheriff Campbell, which was turned over to him. He claimed that the jewelry secured was worth \$1000.00 and that the missing jewelry is worth \$600.00, there being one watch worth \$50.00.

Roosevelt Memorial Fund.

A state organization has been perfected to raise the quota of \$37,500 for the State of Oregon toward the national fund of \$5,000,000 to be raised for the Roosevelt Memorial Association.

The purpose of the Roosevelt Memorial Association is to create a national fund of \$5,000,000 which will be devoted to the erection of a permanent memorial in Washington D. C., and to the creation of a park in the town of Oyster Bay, which may ultimately, perhaps, include Sagamore Hill, to be preserved like Mt. Vernon and Mr. Lincoln's home at Springfield.

The national campaign will be held during the week of October 26-27 which is intended to give every American citizen who so desires the opportunity for expressing his or her regard for the examples of patriotism and loyal service that have been furnished by the career of the late Theodore Roosevelt.

Personal friends of Colonel Roosevelt will also defray the expenses of the national campaign and also of the state campaigns. Thus the public will be assured that every cent given for the memorial fund will be spent for the purpose outlined.

A memorial to Theodore Roosevelt, it is felt, will be an inspiration to future generations of Americans by reason of the high ideals of citizenship which it will perpetuate.

It is hoped and expected that the free will offering will be sufficiently large to exceed the minimum objective set, but no pressure will be exerted. The great bulk of the money, it is expected, will be in small contributions for already thousands of citizens have expressed a desire to contribute to a national memorial to the soldier statesman and it is felt this campaign will afford the logical channel for such offerings. No contribution is too small, one penny or one dollar, not to be welcomed.

Tillamook county's quota for the Roosevelt memorial fund is placed at \$250.00, and as this is for a worthy cause there should be no trouble in raising that amount of money in the county.

REFORMED CHURCH

Rev. W. G. Lienkaemper, pastor. Sunday School, at 10 a. m. Public worship at 11 a. m. Subject: "Aquila and Priscilla; or Helpers in the service of the kingdom."

GEM THEATRE PROGRAM

Friday, Sept. 26—"Bella Donna," Paramount production, featuring Pauline Frederick.

Saturday, Sept. 27—"Same Bride" Metro production, featuring Viola Dana. Comedy.

Sunday, Sept. 28—"Delux Annie", Select production, featuring Norma Talmage. Pathe News.

Monday, Sept. 29—"Maggie Pepper", Paramount production, featuring Ethel Clayton. Comedy.

Tuesday, Sept. 30—"Headin' South", Arctcraft production, featuring Douglas Fairbanks. Pathe News.

Wednesday, Oct. 1—"Paid In Full," Paramount production, featuring Pauline Frederick. "Bray Pictograph."

Douglas Fairbanks in 'Headin' South'

Many of the scenes in "Headin' South", Douglas Fairbanks, latest Arctcraft picture which will be shown at the Gem Theatre next Tuesday, September 30, were taken on the Mexican border during a time when trouble was brewing, and close watch was kept on the hundred Mexicans which were engaged to take part in the photoplay. One of the Mexicans was suspected of trying to start an uprising and was shot and wounded by a Fairbanks cowboy who happened to be an Arizona deputy sheriff. The matter was taken into court, where it was held that the cowboy was justified in his action, as his promptness in squelching the Mexican had averted a possible riot. However, this incident cost Fairbanks \$500 for attorney and doctor fees.

"Headin' South" is full of Mexican and Western types, who supply the local color to the vivid border episodes.

Buy No Clothes, No Shoes, Hoover Says.

San Francisco, Sep. 21—"I am going to live at Palo Alto where I hope no one will say to me, I'm cold; I am hungry," declared Herbert Hoover on his arrival here today from the East, enroute to his home at Palo Alto.

"I have seen my family only one month in five years," he added. "I went to Europe for three months in 1914, but have been away from California for five years."

He said staple foods already had fallen in price considerably and predicted there would be a further steady fall for three months.

Regarding high prices of clothes and shoes, he declared the public could rectify the whole business in three months' time by not buying any clothes or shoes for that length of time.

NOTICE TO CREDITORS

NOTICE IS HEREBY GIVEN, That the undersigned has been by the County Court of Tillamook County, Oregon, appointed administrator of the estate of William H. Perry, deceased. All persons having claims against the estate are required to present them for allowance to the undersigned at the office of Botts & Winslow, Tillamook, Oregon, within six months from date hereof.

Dated this September 25th, 1919.
John William Jennings,
Administrator.

Wanted To Rent.

Dairy near Tillamook on share basis by competent dairyman of long time experience. Reference exchanged, address "X" Headlight office.

Peculiar Patches in Sky

Not less than 182 more or less clearly defined dark patches in the sky are recognized by Prof. E. E. Barnard in his latest catalogue. In some cases they are fairly round and regular, in others they are of complicated and contorted form and their appearance and sharpness suggest that they are dark clouds or nebulae cutting off a background made faintly luminous by unseen stars or diffused nebulous matter. Most, though not all, of the dark patches are in the region of the Milky Way, where so much of the material visible in the heavens is concentrated.

Belt Had Tightened.

Two soldiers from Fort McKinley, Maine, attended a bounteous repast on Thanksgiving day, and after partaking of the most varied assortment of dishes, the hostess inquired if they would have anything else. One soldier gazed longingly at the fruit, candy and ice cream as yet untouched, and remarked: "A little more room, please."—Everybody's Magazine.

RUNNING AMUCK

Uncle Sam—"I don't know where we're going but we're surely on the way"
