## "Under the Top"

An Arcraft Picture

By John Emerson and Anita Loos.

IF FRED STONE had been born in the Middle Ages they wouldn't have known whether to make him Court Jester or Court Acrobat or Court Juggler.

See him in this Arcraft Picture—Gee whiz! he's enouge to make a cat laugh! Plays a country boy part, grows up and elopes with the daughter of a circus man whose show comes to Three Forks, vaults over seven horses in a gateway and parachutes himself about the ring like a figure on elastic.

"Pathe News."

The end of the second round.

### Shirley Mason in Fine Picture.

Petite, pretty and talented, Shirley Mason will appear at the Gem Theatre next Monday in "The Winning Girl," her first California made Paramount picture, the story by George Weston from a scenario by Will M. Ritchey. Miss Mason has won the hearts of all playgoers by her wonderfully convincing work on stage and screen and in this production she is to have a delightful starring vehicle.

The story itself, which appeared first in the Saturday Evening Post, is one of those human interest tales that win by their very naturalness, while the comedy characterizations and incidents with which it is garnished, are excellent.

Niles Welsh, one of the best known young actors of the screen world, appears in support of the tiny star.

### TAKE IT IN TIME.

Just as Scores of Tillamook People Have.

Waiting does not pay. If you neglect kidney backache, Urinary troubles often follow. Act in time by curing the kidneys. Doan's Kidney Pills are especially for weak kidneys.

Many people in this locality recommend them.

Here's one case: James C. Duncan, real estate dealer, 315 S. Meridian St., Newberg, Ore., says: "I used to be subject to kidney trouble. I had a too frequent desire to pass the secretions, especially during the night and had to get up several times. After taking a box of Doan's Kidney Pills, my kidneys became normal. Just as soon as I notice my kidneys are not acting just right, I take Doan's Kidney Pills a few days and they never fail to relieve the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Duncan had. Foster Milburn Co. Mfgs., Buffalo, N. Y.—Pr Adv.

### Fish Leathers a Success.

The bureau of fisheries has received a sample lot of leather made from the skins of aquatic animals, including ray, shark, sturgeon, paddlefish and porpoise. It has received also articles made from such leathers, including men's, women's and children's shoes, as well as a belt, wallet, portfolio, brief case, etc. The manufacturers have established stations on the South Atlantic and Gulf coasts where supplies of raw material are obtained, and are producing from such sources a very high grade of leather suitable for nearly every purpose for which leather is used.

### The Rabbit Skin Industry.

Rabbit skins from Australia and New Zealand were among the largest offerings in the recent international fur auction at St. Louis. Half a million pounds of Australian skins and 50,000 pounds from New Zealand were sold for a total of \$335,000. Prices advanced 25 per cent over quotations last January, according to the official market announcement. The largest lots went to hatmakers and felt manufacturers.

### Hard to Catch.

"Waydown," a comedian in a colored regiment, was asked when he received his discharge if he would enlist in case of another war. His reply was: "Boy, if this man's country gets into another war they is gona be two men missing—this nigger and the man what's chasing him."

## "Don't Cheat Yourself" says the Good Judge

There's nothing saved by chewing ordinary tobacco. A little chew of that good rich-tasting tobaccogoes a lot farther, and its good taste lasts all the way through.

Little chew—lasting—satisfying. That's why it's a real saving to buy this class of tobacco.
