In fact there is nothing better on the market at this time, but when something better is offered chances are that Partridge and Morrison will have it in their booth.

Alice Brady in "The Whirlpool."

"The Whirlpool" Alice Brady's latest Select Picture, adapted for the screen by Eve Unsell from Victoria Morton's popular novel of the same name, will be shown at the Gem Theatre on Sunday, November 9, as a feature in her Select Star Series, and promises to surpass even the best of its predecessors.

The story deals with the struggles of the nobler nature of a young girl brought up among the temptations of a gambling house conducted by her uncle, a prominent figure in New York's tenderloin. Bella Cavello (Alice Brady), leads men on to play in her uncle's gambling house aljoyment. The amusement feature of though her soul revolts at the thought of the ruin which she ultisome what delay the work, which Friday night the student body gave honors being carried off by Mrs. Fred mately brings to many of the habitues. One of the most frequent visitors, Richard Brettner, falls in love with m.. Here is a church where strangers her, and in spite of her protests, goes will receive a warm welcome, come to every length to provide her with and bring your friends. costly gifts. His thefts lead him into court where Judge Reverton, because of Brettner's youth and previously fine record, suspends sentence.

Shortly after this one escape from Existence of Unseen Worlds." justice, Brettner through Ferris, the There will be a series of lectures In front of a large cauldron from Campbell and mother, Mrs. Janery, uncle (who cunningly suggests this on this vital subject, most interesting means of attaining funds), steals the and well worth hearing.
