

TILLAMOOK, OREGON, NOVEMBER 13, 1919.

### Tillamook Jottings.

Arthur Gilmore and Earl Gilmore have been arrested for stealing tools.

L. V. Eberhart has brought suit in the circuit court against Wayne Franklin for \$229.20 on a promissory note.

Married, on the 8th of November, in this city, by Justice of the Peace E. W. Stanley, Emanuel F. Borba and Ethel Jensen.

Druggish methods used in chronic diseases of stomach, bowels, liver, diabetes, brights disease, and nervous conditions. Room 4 Masonic, Bldg.

Four cars of cattle and hogs were shipped to Portland from here on Wednesday, the stock to compete in the International Live Stock Exposition.

Married, on Thursday, Nov. 6, at Pleasant Valley, Arthur Donaldson and Miss Esther Blum, the ceremony being performed by the Rev. C. E. Pearson.

The Sunshine Club was entertained by Mrs. Noyes and Mrs. Doty last Tuesday afternoon. All enjoyed the occasion, especially the lunch. All W. R. C. women are invited to join this club.

Owing to the high tides the run of salmon on the bay have greatly decreased and it is expected that some of the fishermen will quit for the season unless the run becomes better.

Armistice Day in Tillamook City passed off in somewhat solemn fashion for such an occasion. Stores closed and business to a large extent was suspended, but no bells or whistles were heard and no demonstration took place.

Rockaway celebrated Armistice Day with a parade which was represented by service men from the army and navy, old veterans, Red Cross workers and school children, and in the evening an entertainment was given when nearly one hundred persons were present.

Although there was two heavy frosts Friday and Saturday nights there was no frost on the south side of Tillamook bay. Not being troubled with the cold northwest winds in the summer and the frosts in the winter, makes that part of the county an ideal spot for fruit and garden truck.

The Library Board is making a list of technical books and would appreciate any suggestions from those wishing to study along these lines. The requests may be left with the Librarian. The library is open every evening except Sunday from 7 p.m. to 9:30. Also Wednesday and Saturday afternoons, between 2 and 5.

Hans Hanson, who went to Rochester, N. Y., to consult with the Mayo Brothers, arrived there last week and was immediately examined. He is suffering with tumors in the breast, and the doctors gave little hope for recovery who examined him here and in Portland. He sends word that after the Mayo Brothers examined him they said they could fix him up but it would take some little time to do so.

Lester Turner, auditor of the Western Division of the American Red Cross, was in on Sunday and left the next day. Mr. Turner came in for the purpose of instructing Chester McGhee, who is treasurer, of the Tillamook County Red Cross, in the system of keeping Red Cross accounts.

A. J. McKeen has taken over the general merchandise store at Blaine and is putting in a new stock of goods.

The County Court was looking over the Bayocean road on Friday and as the piece of road thrown up by the Bayocean dredge four years ago from the Biggs place stood up well, the county court will make application for the government dredge and complete the road to Dick's point in that way. As the government dredge can be kept at work for less than \$1,000 a month, it is thought the cost would be much less that way. To expediate the work two shifts could be used on the dredge.

Lou Riefenberg died suddenly near the Brighton logging camp No. 4 on Wednesday. He was returning to camp at the time, as he was sick, and while Mr. Zweifel went for assistance on returning Riefenberg was found dead near a stump, about 200 yards from camp. He had been sick for several weeks with gall stones, and had recently returned to work. Coroner Henkel did not think it advisable to hold an inquest. Riefenberg had lived in the county a number of years and had been connected with logging.

Several fishing cases have been tried before Justice Stanley, who imposed the following fines: Bradley Caddell, \$25.00; Gordon Hare, \$50; Bernard Williams, \$50.00; Ted Gillispie and William H. Jarvis \$50. A large delegation waited on the County Court on Wednesday from

Rockaway and Brighton in regard to obtaining money for the beach road.

The dance given on Tuesday evening by the American Legion was well attended, and the Legion will give a masquerade dance on Thanksgiving night.

P. C. Meyer vs. Edith E. Meyer is a divorce suit filed in the circuit court. These parties were married at Falls City, Polk County, in the 11th of January, 1914, there being one son born to the union. The complaint alleges cruel and inhuman treatment on the part of defendant who has an uncontrollable temper, and on repeated occasions struck the plaintiff. During the last three years of their married life, defendant refused to cook or do the general house work, and that she had associated with other men under circumstances unbecoming to a married woman. Plaintiff asks the court to give him the custody of the child.

Mr. and Mrs. C. Dyrland gave a social and card party at their home in this city on Saturday evening, when a most pleasant time was spent by all present, the excellent lunch being one of the pleasing features. Mrs. Robinson and Mr. Kuratil were the winners of the first prizes and the consolation prizes went to Dr. Robinson and Mrs. Carlin. Those present were: Mr. and Mrs. Fred C. Baker, Dr. and Mrs. David Robinson, Mr. and Mrs. M. E. Gruber, Mr. and Mrs. G. E. Carlin, Miss Georgia May Carlin, Mr. and Mrs. W. B. Alderman, Mr. and Mrs. L. E. Partridge, Dr. Ramsey, Miss Blanche McNair, Mr. and Mrs. D. Kuratil, Mr. and Mrs. R. H. McGrath and James Watson.

There is considerably more ducks on the bay than in previous years.

Louis Hammer, who is a breakman on the electric cars between Portland and McMinnville, and a son-in-law to Mr. and Mrs. I. C. Rowe, met with a most serious accident on Saturday evening. He was flagging a train on the rear car, and while the train he was on went round a sharp curve, he was thrown off, and seeing what had happened another breakman jumped off to render assistance to Hammer, but in doing so failed to pull the string to stop the train. Hammer sustained two broken legs and is injured in the back, and the other breakman had his leg broken. Mrs. Hammer was visiting her parents who reside north of this city and her husband was expected in on a vacation on Wednesday. She left on Monday morning, to join her husband who will be sent to San Francisco and placed in a hospital there.

### THE RED CROSS MEMBERSHIP ROLL CALL.

### Tillamook County is Falling Behind, Drive to Continue for Several Weeks.

Call is falling somewhat below what was expected in Tillamook County, and for that reason the drive will be continued for several weeks as some of the districts failed to organize for the drive. There was some little delay in getting the city organized, for it was first thought that the American Legion would look after the city, but the boys found they did not have the time to attend to it, so committees had to be arranged for.

Owing to small pox in the north part of the county, this, too, will delay the drive. There are several districts which have been thoroughly canvassed and the memberships turned in, the most successful being the Maple Leaf district. The committee composed of Sollie Smith, Pete Heisel and W. S. Buel reporting that every adult person in that district had become a member with the exception of a few persons they had not been able to see. What pleased this committee most was the fact that not one person in the Maple Leaf district had refused to take out a membership in the American Red Cross. Ninety one memberships is the record up to date for this district.

In some few districts there is a little lukewarmness toward becoming members.

### Thanksgiving Dance.

On Thanksgiving eve, November 26th. The Dramatic order Knights of Korassan will give their first dance of the season, in the new K. of P. hall opposite the City Hall. This hall is the one recently completed by W. B. Alderman, and without a doubt is the finest in the county, the floor space is the largest and the floor itself is of the finest maple polished until you can use it for a mirror if you so desire.

Music for this occasion will be furnished by the K. of P. Band and Wilkins' Orchestra.

Tickets will be on sale after November 18th, by members of the D. O. K. K. The public is cordially invited to attend this dance, and the D. O. K. K.

members will guarantee you the time of your life.

J. Merrel Smith  
W. D. Coburn,  
H. F. Cook, Committee.

### American Legion Elects Officers.

At the meeting of the American Legion on Friday evening, the following officers were elected:  
President—E. J. Clausen.  
Vice-President—Leslie Harrison.  
Secretary—I. E. Keldson.  
Treasurer—E. L. McCabe.  
Historian—H. L. Lamar.  
Chaplain—John Gibson.  
Executive committee—E. J. Clausen, Leslie Harrison, I. E. Keldson, E. L. McCabe, Dr. J. E. Shearer, Dr. J. E. Reedy, Clarence Provoost and Victor Learned.

### George Walsh at The Gem.

William Fox's breezy and versatile star, George Walsh, is to be the attraction at the Gem Theatre next Thursday, when he will appear in a thrilling mystery comedy called "Putting One Over." Some Walsh feats of extraordinary daring are promised; but primarily the story is said to be an admirable one, replete with humor and with tense dramatic situations and complications which apparently defy solution.

As Jack Trevor, a New York salesman bound for Texas, Walsh is caught in a train wreck and a party of daring crooks manipulate his appearance while he is unconscious, so that he is made a "double" of the heir of a big estate who has been killed in the wreck. Of course, Trevor falls in love and finds himself in a maze of exciting and mysterious happenings.

### Oregon Butter and Cheesemakers' Short Course.

Beginning January 5th the Dairy Department of the Oregon Agricultural College will offer a three months short course in Dairy Manufacturing. Due to the fact that it may be impossible for many to get away for the full three months, provisions will be made for a two months course, January 5th to February 28th, for experienced men and a three months course for inexperienced men, January 5th to April 2nd. Diplomas will be given only to the experienced men who finish the requirement of the two months course. Practical work will be given in butter manufacturing, with practical men in charge. Instruction will be given in the college creamery, which operated strictly upon a commercial and self-supporting basis.

Special emphasis will be given to factory management, pasteurization, neutralization, workmanship of butter and uniformity of composition, also general instruction in all phases of butter and cheese manufacture.

This is an opportunity for butter and cheese makers to get acquainted with the new methods and also to become more efficient with their present methods.

An estimated cost of the eight weeks course is \$80 and \$116 for the twelve weeks course. For further information address, Dairy Department Oregon Agricultural College, Corvallis, Oregon.

### Successful Sunday School Convention.

The County Sunday School convention, which convened in Tillamook on the 8th and 9th of this month, was successful from start to finish, with the vim of a football game.

The State Secretary, Mr. Harold Humbert, a high tension wire, brought to his work the energy of young manhood, and the intelligent inspiration of a consecrated life. He created great interest and every member present participated in the splendid song service, and his solos touched the hearts of every one. His sermon on Sunday evening, "The Torch of Flanders," was a rare blending of spirituality and patriotism. He remarked afterwards that he had never spoken to an audience where the attention was so intense.

J. J. Handsaker, State Chairman of Armenian work, spoke on Saturday night, presenting an impressive picture of the distress in that war stricken district, and giving figures to prove that more lives have been sacrificed in that country in the past four years for the cause of Christianity than in all the history of the world put together.

A resolution was passed that Sunday the 23rd of November, be made Armenian day in the Sunday Schools of the county, and on that day every Sunday School in the county will be asked to make a pledge for this work. These pledges were to have been taken at Christmas time, but the supplies of food for Armenia will be exhausted early in December, and a bank in New York has offered to loan money to the National American Committee to the extent of the pledges made by the Sunday Schools of the United States. There will be a na-

tion wide drive for this work in February.

The offerings taken during the convention amounted to \$53.50 and will be used in the support of the county, state and national and International Sunday School work.

The following county officers were elected:

Chairman—Mrs. C. J. Edwards.  
Vice-Chairman—Mr. Ira Lance.  
Secretary—Mrs. Tippon.  
North district—Mrs. C. L. Alley.  
Central District—Mrs. Bert King.  
South district—Mr. Chas. Pearson.  
Adult department—Mr. Brimhall.  
Young People—Mrs. Dr. George Children—Mrs. Noyes.

Three fourths of the Sunday School were represented at the convention.

### Vivian Martin in "Little Comerade."

Even the pampered daughter of a large family can hustle, if inspired by a great emotion, so Genevieve Hale learned in "Little Comerade" the new Paramount picture starring Vivian Martin, which will be seen at the Gem Theatre next Monday.

Genevieve realized that she should do something for her country in its great need for increased food production, so in spite of the jeers of her family, who considered her only a baby, she enlisted as a farmerette. She learned that farm work was not for her, but in spite of the horrors of milking cows, cleaning chicken coops and hoeing potatoes, she stuck it out, bravely determined to do her bit for her country at any sacrifice.

### Constance Talmage in "The Shuttle."

Constance Talmage, Select comedienne, will be the attraction here at the Gem Theatre on Sunday night in a picture titled "The Shuttle," from the novel of the same name by Frances Hodgson Burnett, directed by Rollin Sturgeon and telling the story of "The Shuttle" of love which laughs at the wide expanse of the Atlantic and merrily weaves international romances.

Bettina Vanderpool (Constance Talmage) visits her sister Rosalie, the neglected wife of Sir Nigel Anstruthers, who leaves her and their son in the crumbling ruins of his ancestral estate, while he plays fast and loose on the continent. Betty, the staunch, independent, spirited, "regular" American girl, renews Rosalie's youth and restores her spirits. She also meets Lord Mount Dunstan, a neighboring squire, who gives his all to relieve the sufferings of his epidemic-stricken tenants; and despite the villainous plottings of Sir Nigel, they win their deserved happiness in the culmination of their romance.

### Oregon Dairy Council to Hold Annual Meeting.

The Oregon Dairy Council will hold its annual meeting and election of officers Wednesday, November 19 at 10:30 a.m., at the Multnomah Hotel.

It is probable that a Tillamook man will be elected to the board. Both Carl Haberlach and Ben Kuppenbender are being mentioned as possible candidates for directorships and both are popular among the dairymen and others who are members of the council. Tillamook has several members. The council did good work advertising Tillamook cheese at the Salem and Gresham fairs and in all its literature and educational work stresses the food value of cheese.

After the election the council will hold a luncheon at which time a dancer or soloist from the Orpheum theatre will give a number. A few brief toasts will be in order.

In the afternoon the members will motor over to the Pacific International Livestock Exposition where there will be special attractions. The council will have a fine exhibit of dairy cows there and will post bulletins showing what the relations have been and what the milk and butter fat production is. Miss Helen Miller of this county will demonstrate the testing. Professor Westover, of O. A. C. will be in charge of the livestock exhibit. Three Tillamook cows will be among those in the herd. The council will also have an educational exhibit for the teaching of the food value of dairy products. They expended \$250 for a recent exhibit in the Armory in Portland, showing the chemical and mineral content of milk. This was in conjunction with the exhibit of the milk distributors. Thousands of people are daily becoming more interested in the real value of dairy products. The council will spend about \$750 on the Pacific International.

The council is making the milk survey throughout the state and has received returns from many towns already. Tillamook has been asked to make the survey.

The Western Dairy Products show and Oregon Dairy Council announce as features for the Pacific International program the following: Monday, Students contest in judging dairy cattle, motion pictures in the lecture hall, viewing rewards, tour of educational exhibits, dairy cattle

demonstration, Oregon Dairy Council, government exhibit, guide accompanying.

Tuesday, students contest in judging dairy products, motion pictures, lecture by M. Ortensen, Ames, Iowa; Care and management of a dairy herd. O. E. Reed, of Purdue University; discussion led by H. P. Davis, University of Idaho; "Breeding for type and production." J. L. Smith, Hazelwood farm, Spokane; Western Dairy Instructors' banquet, Tuesday night, Elizabethian room, Imperial hotel; awarding of prizes.

Wednesday, Annual meeting Oregon Dairy Council, Multnomah hotel luncheon and adjournment to the livestock show; lecture C. C. Dickson of Shedd; "Raising Heifers," O. E. Reed; judging dairy products; lecture W. D. Reith, Astoria; History of the St. Maves family, Ed. Carey, of Carlton; J. Mickle to speak at 3:30 and 8 p.m. There will be a banquet for the Guernsey breeders at the Benson hotel.

Thursday, motion pictures, factory management by M. Mortsen. Results of cross line in breeding by D. Brooks Hogan and Brant of O. A. C. 2 p.m. selection, care and management of the herd sire by O. E. Reed. Discussion by Prof. G. H. Martin. Class in judging dairy products. Western Dairy Show Products.

Friday, Motion picture, Developing the dairy calf by Dick Nedrow, of Carlton, Ore. Ripening of cream for butter by M. Mortensen, Prof. of Dairying. 1 p.m. motion pictures. Feeding grain on pasture, Roy Jones, Tillamook; the making and feeding of silage; class in judging dairy products.

### Marguerite Clark in Heart-Gripping Picture.

Marguerite Clark portrays the role of Jean Fanshaw in "The Crucible", a Paramount picture, which will be shown at the Gem Theatre tomorrow, (Friday).

How Jean Fanshaw, after having been unjustly condemned to a reformatory and compelled to associate with the riff-raff of the town and state, is rewarded for her long struggle against evil, is forcibly portrayed in this unusual picture.

Marguerite Clark who is second to none in screen popularity, plays child parts that present her at the age of 12 and she carries them off as convincingly as if she were not a day older than the character that she is portraying. She is like a fairy of childhood's wonderland across the white screen of the universe, and is the spirit of make-believe, which plays no favorites, "grown-ups" as well as "kiddies" loving her more perhaps than any other actress on the screen.

### High School Notes.

Last week Gladys Brown resigned her office as student body secretary. There was much discussion concerning her resignation.

Monday morning the student body was favored by two addresses given by Mr. Hansaker, representing the Armenian drive, and Mr. Harold Humbert, State Sunday School secretary. Mr. Humbert was formerly an English teacher in this school. Mr. Hansaker talked on the Armenian question and its relation to the United States. He said that the Armenians wanted the United States to aid Armenia in establishing a government, as we did in the case of Cuba. He also stated that while Belgium had fought for liberty for four years and had suffered all the ravages of war, Armenia had fought for the same principles and suffered the same as Belgium for four hundred years.

Mr. Humbert gave a talk on "Have a Gleam and Follow it through life." He gave some very helpful quotations from Tennyson and others. His talk was interesting and instructive. Last week the Seniors-Sophomores met to elect their yell leader for the coming foot ball game. They elected Audrey Earl. The presiding officer chose the following committee to select yell: Audrey Earl, Bill Anderson, Rodney Farley and Sarette DeLillies.

The Juniors—"Frosh" met and elected Elta Sheets as their yell leader, she appointed the following for a yell committee, Elta Sheets, Ruby Hyder, Swenson and Alma Furrer.

The football game is coming off Thursday (today), the game is between the Seniors-Sophomores and the Juniors—"Frosh" Bill Anderson is captain of the S-S. team and Thomas Large is captain of the J-F. team.

Wednesday morning "Silence is golden" met one at every turn. A large cartoon was on the front board bearing "Silence is Golden."

There will be special music. Come with us to worship, to fellowship, to help serve Christ, the church, and the community.  
Allan A. McRea, Minister.

### Notice of Budget Meeting.

To the taxpayers of the Port of Bay City, Oregon. At a meeting of the Board of Commissioners of the Port of Bay City, Oregon, held on the 10th day of November, 1919, the following estimate or budget of the receipts and disbursements of the said Port for the year 1920 was ordered published.

RECEIPTS.	
Balance on hand with the First Bank of Bay City.	\$ 6,737.81
On hand with County Treasurer	10,915.29
Estimate of interest on U. S. Treasury Certificates held by the Port	1,500.00
Claim against U. S. Government allowed	12,917.30
Needed from taxes	24,970.00
Total	\$41,123.91

DISBURSEMENTS.	
Interest on bonds for the Port, due Jan. 1st, 1920.	\$507,000.00
6 months at 6 per cent per annum	\$ 15,210.00
Ditto July 1st, 1920	15,210.00
Ditto Jan. 1st, 1921	15,210.00
Interest on bonds to be issued by July 1st, 1920	4,500.00
For sundry expenditures	1,000.00
Total	\$51,130.00

For the dredging of channels in lower bay, which work will be commenced during the spring of 1920, the Port has sold \$260,000 of Port bonds, \$100,000 of which have been delivered, balance to be delivered by July 1st, 1920. The bonds delivered brought \$101,483.30.

The uncertainty as to when government will pay our claim of \$12,917.30, which is the balance over the actual cost of jetty work, forces the commission to levy the same sum as last year. If the claim is paid the sum will, of course, be considered in making next budget.

Please take notice that a meeting of the taxpayers of the said Port of Bay City, is hereby called to meet at the City Hall in said Bay City, Oregon, on the 7th day of December, 1919, at the hour of 10 o'clock a.m. for the purpose of discussing the said estimate or budget.

By order of the board.  
Theodore Jacoby,  
Secretary of the Port of Bay City
