HALTOM'S MONTHLY MERCHANDISING BULLETIN FOR FRUGAL SHOPPERS.

It is the express purpose of this pioneer merchandising establishment to issue a monthly bulletin in order that Haltom's many satisfied patrons may alleviate their shopping as much as possible, and we believe that this is one of the many ways that will be welcomed by Tillamook folk. During these days of "High Cost of Living," purely unavoidable on our part, however, we feel as an integral part in this community to combat this as much as is possible.

This store embraces a number of distinct departments under one roof, each department carrying a representative stock of its proper merchandise, each functioning perfectly as a business, although all directed by the same policy and all are integral parts of the Haltom institution. These sections together comprise the largest merchandise business in these parts. Advertising space inadequately conveys to our many patrons of the store news.

Patrons Residing Out of Town Shop by Mail.

As Haltom's Mail Order Service is satisfactory. We insist, however, that sufficient amount of postage be enclosed. We suggest that you keep this bulletin, as it will, no doubt, serve as a shopping guide and prices hold good on same throughout March or longer. Stocks are replete.
