**Big Live Stock Show Coming to
 Tillamook County.**

The Pacific International Livestock Exposition held in Portland last November was without doubt the biggest and best stock show ever held west of the Mississippi river. About 150 Tillamook people attended in person. The rest were prevented from doing so for various reasons. Some 40 head of Tillamook dairy cattle were exhibited there winning one championship and nearly all getting in the money.
 Those who did not see the show will be able to do so right here at home in moving pictures and lantern slides. General Manager O. M. Plummer will explain the pictures and tell all about the show. The schedule of dates for Tillamook county is as follows:
 Gem Theatre, Tillamook, Monday, March 15, 1920.
 Ray Theatre, Cloverdale, Wednesday, March 17, 1920.
 Joy Theatre, Nehalem, Thursday, March 18, 1920.
 Theatre, Wheeler, Friday, March 19, 1920.
 This is an opportunity that no one can afford to pass up to see some of the best cattle, horses, sheep and swine in the country. We are a live county and all interested. Let ever one be present.
 R. C. Jones, County Agent.

American Legion Meeting.

Seventy-five members were in attendance at the monthly meeting of the local post of the American Legion held last Friday evening in this city. Both the Cloverdale and Wheeler districts were represented and ex-service men from practically all parts of the county were present.
 The attraction for the meeting was the announcement that the legislation proposed by the Legion in the federal Congress would come up for discussion. Under the plan outlined by the Legion, every man who was in the service at any time during the war would be entitled to assistance from the federal government in one of four different ways, namely: He might receive preference in settling upon vacant lands; or he might receive a direct loan from the government in building a home or in purchasing or improving farm lands; or he might receive aid in getting vocational training; or he might receive a readjustment of pay on the basis of a \$50 bond for every month that he was in the federal service.
 It is proposed that each man should have the option to choose which form of assistance he might desire. In any case, he would receive only one of the four benefits.
 No opposition to the proposed measure was apparent among the members present and upon motion, the plan received unanimous support of the post.
 Medals awarded by the State in recognition of service by men who enlisted or were inducted from this State were presented to a number of the men present. Many failed to receive their medals because of their failure to furnish the information required before the medal can be awarded. I. E. Keldson, adjutant of the post, is gathering additional data covering men who have not received their medals. All service men who believe themselves entitled to one and who have not yet received one should communicate with Mr. Keldson. The medals are being presented only through posts of the Legion but it is not required that a man be a member of the Legion to secure one.

The Tusatila Club.

The Tusatila club met at the home of Val Jean Prahil Friday evening, March 5. The meeting was called to order by the president. Many things of interest to the club members were discussed. After the business meeting Lucia Wiley entertained the club with a piano solo and Ramona Halton gave a short talk on club spirit. Refreshments were served by the hostesses Val Jean Prahil and Cordelia Gattfield, which were enjoyed by those present. After the refreshments a pleasant hour was spent in playing games. All the members were present. Dr. Robison, who is honorary member was able to be present. Owing to illness, the leader Mrs. Drylund was not able to be present. The club ad-

country and a man who loved a woman with his heart, soul and body. He gave all and asked nothing in return.
 With a song in his heart and a laugh of the lips, Jacques La Ronge came and went to and from the trading post where Memory Bird lived with her father, an old pioneer. When she was trapped into marrying Treffer, a product of the elite and an outlaw of the North, it was Jacques who saved her. When she met and loved Warren Sherman, a man from the states who had gone north to redeem himself, it was Jacques who helped her. It was always Jacques and he finally received his reward in her happiness.
