Were you in lodge last Tuesday evening? If not why not? Were you really too tired, too late home from work, sick, or have you acquired that stay away habit? Must have been one of these, for you never get too old to attend, after you once get that fraternal spirit, which comes through association with Bros. In lodge meetings and in practicing the principle of the brotherly love.

Is your lodge all you would have it. Then don't knock, be a booster, come to lodge and bring another, visit the sick, extend the glad hand of fellowship. If you are in arrears, see your secretary, do not wait for him to notify you, then put your shoulder to the wheel, and help make your lodge the ideal lodge.

Do you know that 30 members have been initiated in your lodge since December 30. A little boosting, a contest did the work, and it has not stopped there, the encampment initiated about 25 candidates in the mysteries of the Patriarch and Golden Rule degrees at their last meeting and the Rebekahs have over thirty applications for membership, all done by live wires.

The Wheeler encampment have extended an invitation to our camp to bring all eligibles for the Royal Purple Degree to their lodge on April 17, when that degree will be conferred on a large class by their degree staff. A big time is expected.

Bros. R. W. Watson, F. F. Conover, S. C. Woods and Claude Myers attended Bay City Lodge last Friday night, as usual they report a fine time, and a great feed.

April 26 being the 101 anniversary of our order. All Bros. of Tillamook Lodge, No. 94, with their wives or sweethearts and Bros. from other lodges living in our midst are invited to be present. A big program is promised, and a bigger feed, which will be greatly enjoyed by the Young Bucks. Why? Ask the Old Bucks, and if you are past 35, you are an old Buck; please see Charley Bennett.

Have you received your golden souvenir? Rollie Watson has one for you. Ask him for it.

The members who have not been in the lodge room for months were present last meeting. They are coming again, or I miss my guess.

We meet again Tuesday evening at 8 o'clock.

F. F. Conover, Sec.

**Obituary.**

William Robert Illingworth was born in Marion county, Kansas, on December 3, 1873. In his infancy he journeyed with his parents to California and resided in San Luis Obispo County for about seven years. From California they moved to a place on Wagner Creek, Jackson county, Oregon, and wintered there. In the following summer, they journeyed again and stopped for several months near Dallas, in Polk county, from which locality they came to Tillamook county and settled.

In 1902, William took for his life companion, Margaret Smith, to which union seven children were born, all of whom survive him. The deceased has left a father, K. D. Illingworth, of Jewell, Oregon; two brothers, Frank and Albert Illingworth; four sisters, Mrs. May Jackson, Mrs. Helen Page, Mrs. Viola Johnson, and Mrs. Augusta Liebenritt, all of whom reside in Oregon.

William Illingworth was kind hearted, quiet and reserved in his manner, held no grudges against those who had wronged him, and was generous to a fault. He was a man who prayed in secret and received answers to his prayers. Last December he visited his sister, Viola, in Portland, and while there was stricken with influenza, but, in answer to prayer and faith, was raised again to health and strength. Since that time he has been a changed man in his religious life, giving evidence of saving faith in the Lord Jesus Christ and was noticed particularly by those who knew him best. On March 30, 1920, he passed to his heavenly home, suddenly, without an ache or pain. May God bless and comfort his scattered family, and sanctify his decease to them and to all the relatives and friends.

Funeral services for the deceased were held in R. N. Henkle's Undertaking Parlors in Tillamook City Saturday afternoon, and the interment was made at the Odd Fellows' Cemetery. Rev. A. F. Ingler, pastor of the Nazarene church, having charge of the services.

Who will make the greater sacrifice, a white woman or an Oriental? You will learn of the sacrifice of a little Japanese maid for the man she loved when you see Viola Nana in "The Willow Tree," at the Gem Theatre, Friday and Saturday, April 16 and 17. It is one of the most exquisite productions screen classics, Ince has ever made.

One moment she was a wooden image and the next she was alive. Remember the dates on this production.

**"Should A Woman Tell?" Here Soon.**

"Should A Woman Tell?" a screen classic. Ince all-star special photoplay with Alice Lake—who will be remembered as Nora Blake in "Lombardi Limited," with Bert Lytell—Jack Muihall, a young leading man whose screen name is description enough, and Frank Currier, the veteran actor viewers of Metro pictures have known so pleasantly through the medium of the screen for so many years, will come to the Gem theatre next Friday and Saturday, April 9 and 10.

Reports about the picture point to its being one of the most powerful and humanly appealing melodramas pictured in years. The story and scenario by Finnis Fox have for their

**Marguerite Clark Has Charming Role in "Miss George Washington."**

Because she was reputed never to have told a lie in all her life, Brenice Somers was presented with the truth medal. As a matter of fact, she was one of the worst fibbers that ever joined the Ananias Club.

The funny part of it was that she had such a pious and innocent expression on her pretty face that she completely fooled everybody except her immediate friends, who ironically called her "Miss George Washington"—because she was so different.

Dainty little Marguerite Clark is "Miss George Washington" in the photoplay of that name, which will be the Paramount attraction at the Gem Theatre next Wednesday.

**Beautiful Fox Star Will be Here Soon.**

Money, luxury and jewels don't matter when a woman finds "the heritage of Eden," even in the desert as it is found in "Lost Money," a new Fox photoplay that promises something unusual in the dramatic line at the Gem Theatre next Thursday, April 15. Madeline Treverse, the stately beauty who has won great admiration here, from time to time, stars in the picture, which, from all indications, is eminently fitted to her

great dramatic talents. The scenery in "Lost Money" is said to be one of its most striking features. It reflects South Africa.

The Bible School last Sunday was well attended in a fine spirit. This was a forerunner for the church services which was also large in attendance. The special numbers were of high order, becoming the occasion. In the evening the Bible School put on its Easter program, which was highly praised by the large audience that packed the auditorium. Each class taking part and all leading up to the climax—"The Token of Love", which was rendered by the Loyal Maids class. All in all it was great! Come next Sunday morning at 10 a.m. to the big school. Then remain for the 11 o'clock service by the Inter-Church team.

**Don't Be Disappointed**

Suppose you should purchase a Phonograph or Talking Machine, without first hearing the Cheney. Then suppose you should hear the Cheney after you had made your purchase and found that it was far superior in every respect to the phonograph you had bought—You would feel terribly disappointed, wouldn't you?

If you will come to the "Song Shop" before you decide; you will have no regrets.

The secret of Cheney tone supremacy, is the new system of acoustic inventions, protected fully by basic patents. Notable among the many exclusive features is the perfect spruce wood resonator, built like a violin, and entirely free from the walls of the cabinet.

A wonderful treat is in store for you.

"By all means hear the Cheney."
