### Notice of Hearing of Petition to Form Drainage District.

In the County Court of the State of Oregon, for the County of Tillamook. Notice is hereby given, that hearing on the following petition will be held at the Court House in the City of Tillamook, County of Tillamook, State of Oregon, on the 5th day of May, 1920, for the purpose of determining whether the prayer of said petition should be granted.

Homer Mason,  
Clerk of Tillamook County.

To the Honorable County Court of Tillamook County, Oregon: The undersigned, being the owners of more than fifty per cent of the land in Tillamook County, Oregon, and within the boundaries of the drainage district proposed to be organized as hereinafter described, do hereby petition your honorable body, and pray that you cause to be organized and formed a drainage district, for the purpose of having the lands herein described re-claimed and protected in the manner herein set forth from the effects of water, for sanitary and agriculture purposes, and for the benefit and welfare of the public, and for public utility.

For the purposes of this petition the undersigned petitioners state the following facts, which are required under the provisions of Chapter 349 of the General Laws of Oregon for the year 1915, and as amended by Chapter 414 of the General Laws of Oregon for the year 1917:

First—The name proposed for such district herein prayed for is Sunset Drainage District.

Second—The boundary lines of the proposed district are as follows:

Beginning at the point where the West bank of the South fork of the Nehalem river intersects the Section line, running East and West, between Sections 23 and 26, in Township 3 North of Range 10 West W. M., and running thence West along said section line to the point where the same intersects the East bank of the main channel of the Nehalem river, and running thence in a southerly direction along the East bank of said river to the 16th section line, running East and West through the South half of Section 35 in said Township and Range; thence East along said 16th section line to the West line of the right of way of the Southern Pacific Company's railroad; thence Northerly and Easterly along said line of said railroad right of way to a point where the same intersects the Northerly line of the county road near Mohler; thence Easterly along the North side of said county road to the West bank of the South fork of the Nehalem river; thence following the South fork of the Nehalem river, down stream, to the place of beginning.

And petitioners state and allege, that such lands constitute a contiguous body of swamp, wet and overflow lands.

Third—The total acreage included in said proposed district is 851 acres.

Fourth—That names of the owners of land in said district as shown by the records of Tillamook County, Oregon, and the acreage owned by each of said owners, is as follows:

Charles Kunze, one-third interest in 621 acres.  
J. J. Rupp, one-third interest in 621 acres.

O. A. Schultz, one-third interest in 621 acres.  
Rudolph Zweifel, 155 acres.  
George Loerpabel, 75 acres.

Fifth—The proposed reclamation is for sanitary and agricultural purposes, and such proposed reclamation and protection will be conducive to the public health and welfare and of public utility and benefit.

Sixth—All of the lands included in said proposed district are properly included therein, and will be beneficially affected by the operations of the proposed district.

Seventh—The benefits of such proposed reclamation and protection will exceed the damage to be done, and the best interests of the land included, and the owners of such lands as a whole, and of the public at large, will be promoted by the formation and proposed operations of such district.

Eighth—That the promotion of a drainage district under the provisions of the acts hereinbefore referred to and under which this petition is presented, is a proper and advantageous method of accomplishing the reclamation and protection of the lands proposed to be included in said district.

Ninth—That the proposed plan for reclamation and protection of the property of such district is, that a dike shall be constructed along such portion of the outer boundary of said district as shall be found necessary to protect the lands in said district from overflow from the tide waters of the Pacific Ocean, together with such tide-gates and other works as may be necessary to give the protection required from effects of such overflow. The details of such construction to be worked out by the Chief Engineer and Supervisor of such district after the same is organized, and your petitioners would show that at the present time the tide overflows the land in said district to a great extent, and renders the same unprofitable, but by the construction of a dike, with suitable tide-gates therein along the western boundary of said district, the tides can be shut off from said lands, and they can thereby be effectually drained and rendered productive.

Tenth—The signers of this petition hereby agree that they will pay any and all expenses incurred, and any tax or taxes that may be levied against their lands for the purpose of paying the expenses of organizing, or attempting to organize the proposed district.

Wherefore, your petitioners pray that the lands described herein, or such of them as may be found by the Court to be properly included in the proposed district either permanently or until further investigation or surveys may permit elimination, shall be declared and organized into a drainage district under the name of Sunset Drainage District, under the provisions of the laws hereinbefore mentioned.

Dated this 10th day of March, 1920  
Chas. Kunze,  
George Loerpabel  
Rud. Zweifel,  
J. J. Rupp.

State of Oregon, County of Tillamook.

### Notice of Contest.

Department of the Interior, United States Land Office, Portland, Oregon, April 5, 1920.  
To John M. Adair of 548 North 2nd West Street, Salt Lake City, Utah, contestee:  
You are hereby notified that George H. Staiger, who gives Nehalem, Oregon, Route 1, Box 23 A, as his postoffice address, did on March 6th, 1920, file in this office his duly corroborated application to contest and secure the cancellation of your homestead entry, serial No. 04740, made April 29, 1916, for S 1/2 S. W. 1/4, N. E. 1/4 S. W. 1/4 and S. E. 1/4 N. W. 1/4 Section 19, Township 3 north, Range 9 West, Willamette Meridian, and as grounds for his contest he alleges that said John M. Adair never established his residence on said land, never cultivated any part of said land, never made any improvements thereon, and he has wholly abandoned said land for more than six months immediately preceding the beginning of this contest, that his absence from said land is not and was not due to his employment in the military or naval service of the United States during any war in which the United States has been engaged.

You are, therefore, further notified that the said allegations will be taken as confessed, and your said entry will be cancelled without further right to be heard, either before this office or on appeal, if you fail to file in this office within twenty days after the fourth publication of this notice, as shown below, your answer, under oath, specifically responding to these allegations of contest, together with due proof that you have served a copy of your answer on the said contestant either in person or by registered mail.

You should state in your answer the name of the post office to which you desire future notices to be sent to you.

Date 3rd publication April 29, 1920.  
Date 4th publication May 6, 1920.

Republicans will not nominate or elect president any man who is either ashamed or afraid to call himself a plain republican. Why should they?

The New York World wants the Senate abolished, but it would probably do considerably more good just to abolish the New York World.

### "He says I'm a good skate" —Chesterfield

A REAL pal—that's Chesterfield. Look at its record. Three million smokers—less than five years on the market! Two words explain it—"They Satisfy."

Our expert buyers in the Orient select for Chesterfields only the finest grade of the four choicest varieties of Turkish tobacco. To these are added the best of mild but full-bodied Domestic leaf.

But, in the end, it's the blend that makes Chesterfields "satisfy." And the blend—our private formula—cannot be copied. Extra wrapper of moisture-proof paper seals in the flavor.
