

We're Doing Our Part in Reducing The High Cost of Merchandise--Buy Now!

TILLAMOOK County people who are interested in lower prices, and undoubtedly this means practically everyone, are urged to reap from the benefits of Haltom's offerings, thereby fulfilling your allotment. Prices have been clipped on a number of our high grade lines, that which will concern both man, woman and child.

We are depending on you to do your share. Our share in this great merchandising movement is apparent through the price cutting; your share will be apparent only by insistently purchasing in large quantities. This ad. reveals only in part of what is in store for you.

Haltom's

I. O. O. F. NEWS NOTES.

Some Life and Doing in This Wide
Awake Order.

The Grand Lodge delegates came home Sunday, and report the largest attendance in the history of Odd Fellowship in any Grand Lodge session in Oregon. They were royally entertained, and nothing was left undone to make this session one to be remembered. The next session of the grand lodge will be held in Albany next May, and some of the brothers

are already planning to make the trip. Let us hope there will be no gasoline shortage next year.

Four candidates received the Patriarchal degree in the Encampment last Thursday night, who will be obligated in the Patriarchal degree, they can join the class, and all will be instructed in the mysteries of the Golden Rule degree. All Camp members are invited to be in attendance. The Bay City boys will bring several dozen cooked crabs for the occasion, so you had better come.

The County Convention of Odd

Fellows, will be held in Wheeler, June 12. If you want a good time, and can go to Wheeler, you will be well repaid.

The Memorial Day exercises were fine, an extra good program was rendered. The children's exercises were especially good, and in fact all who took part deserve mention. A few Odd Fellows, probably 25 were in the parade, some were unable to get away from their work, therefore not a very good showing was made, but we did the best we could, and Bro. Woods having gone to Blaine,

his assistant, F. A. Belts handled the line.

Bro. John Aschim made a good run for the high office of Grand Warden at the grand lodge, and to close a closely contested election, withdrew from the race. Watch him capture the coveted position in Albany next year.

The class of seven who have been taking the degrees, were instructed in the 3rd degree last meeting, and are now Odd Fellows, qualified to go on until they attain all the honors that the order affords. Seven brothers

made application for admission into the encampment, and will be received at the next meeting, June 10. Better line up with this class, give your application to any camp member. He will see that your name is handed in. Then come to the waiting room at 8:30 p. m., June 10.

Bro. Joe Mannix moves to Astoria, this week, where he will practice his profession, having bought an interest in a law firm. We are sorry to lose him from our Lodge and city; for although, he has only been a member here a short time he has

proven himself a loyal booster for Odd Fellowship, and all Bros. who heard his speech in the Lodge room last meeting, known where Joe stands on the Principles of Odd Fellowship.

The Rebekahs are taking in new members weekly. The Bay City Rebekah Degree team came up and put on the work last meeting.

Lodge again next Tuesday at 8. Camp, June 10 and 24th. Remember the date, do not forget the hour.

F. F. Conover, Sec.

To The Public.

There will be a meeting at the City Hall, Monday at 8 p. m. for the purpose of ascertaining whether to hold a Fourth of July celebration in Tillamook City this year. The boxing commission are contemplating having a good card for that date and the ball team are expecting to clash with some fast out side team. Attend this meeting and give some suggestions.
