## Women's Waists and Blouses.

Through the efforts of our New York buyers we have been able to secure one of the most varied lines of waists and blouses for spring and summer wear that we have ever shown. The prices, too, are surprisingly low, due to the large quantities we purchased for our two hundred and ninety-seven stores.

The tricolette blouse with short sleeves is very popular, almost all colors, plain or embroidered trimmed. We are also showing the new batik chiffon and tie dyed blouses in a combination of colors. Other fabrics are georgette and crepe de chine, made in either waist-or blouse style, plain or elaborately trimmed with beads or embroidery.

### SOME EX-SERVICE MEN NEGLECT TO APPLY FOR COMPENSATION

Tillamook Red Cross Secretary is Highly Commended

In looking after the interests of ex-service men, the Red Cross Chapters often run across ex-service men who are entitled to compensation or vocational education, who, will not avail themselves of the services of the Red Cross in obtaining what they are entitled to. There are a few of such cases in Tillamook County and although Mrs. C. A. Everson, the executive secretary, has tried to persuade them to make application for what they are entitled to, they refuse or neglect to do so, which they will be very sorry for later. In cases where ex-service men have applied to the local Red Cross Chapter, the secretary has taken considerable pains in filling of the necessary papers with the exact data required by the government. This is of much importance to ex-service men as well as the Federal Board for Vocational Education, and which brings prompt action. To show how the government officials appreciate papers being accurately filled out, the following letter was received last week:

Federal Board of Vocational Education,  
Seattle, Wash. June 23, 1920  
Mrs. C. A. Everson, Exec. Secy.  
Tillamook Chapter A. R. C., Tillamook, Or.

Dear Mrs. Everson: We have your letter of June 15th enclosing a complete set of papers in the case of Wm. E. Pykkonen. We wish to congratulate you most heartily on the splendid way in which you have handled this case. Few surveys have come to our office by anyone not connected with our staff which shows the care and completeness which this survey shows.

In accordance with the suggestion made we are today recommending that Mr. Pykkonen be granted the course in Sheet Metal Drafting, as outlined by the International Correspondence School.

Thanking you very kindly for the splendid support in this case, we are  
Yours very truly,  
Claude H. Anderson,  
District Vocational Officer.

### Should Get Certificate.

Any man who was injured or contracted disease while in the service should be sure to apply for a certificate of injury before one year expires from the date of discharge, even though the disease or injury may not trouble such a man now, or may be insufficient as a basis of a compensation award. The certificate of disability will protect the man in his compensation rights for the future should the disability develop.

In order to secure this certificate of injury, the applicant must file form 526 as if he were applying for compensation. If he seeks the disability certificate only, he should so state in the letter. If compensation claim has already been sent in, a separate letter may be written to the Bureau of War Risk Insurance asking for the certificate of injury. Such letter must always be signed by the applicant himself.

The above notice, published in the Bulletin, the official publication of the Northwestern Division, American Red Cross, is intended to reach as many ex-service men as possible, and it is the work of the Home Service Department of this organization to assist in making out the forms above referred to.

The Tillamook office is supplied with the necessary blanks and the secretary in charge is prepared to make out all papers in cases of compensation claims, vocational training, allotment and allowance problems, matters pertaining to insurance and any and all other work which the ex-service man or any member of his family may require.

There is no charge for any assistance given by the Red Cross and all who are in need of help in any way are urged to avail themselves of the services of the Tillamook Chapter. Call at Room 206, Tillamook Block.

### A Communication.

Oretown, June 21, 1920  
Editor Headlight, Dear Sir:

A near tragedy happened on the Little Nestucca River a few days ago. Paul White of Willamina came in with his wife and two little children, aged one and two years, to visit their relatives. All went well until they reached the crossing where the bridge was dynamited last fall. This is one of the most dangerous points of this swift and turbid stream; water poured into the buggy and almost swept the horse off its feet while the babies screamed with terror. The bed of the stream is covered with huge boulders, several feet through, which nearly capsize the rig. If this had happened, there would surely have been a drowning, which would be charged to the criminal neglect of responsible officials.

We were informed that the Court promised to replace this bridge early this Spring but so far nothing has been done.

Bids have been advertised for bridges in other parts of the County, but not for the Little Nestucca river. Why? Echo answers Why?

### Truth Will Out.

"Where's that infernal proofreader?" shouted an irate man with blood in each eye.  
"He certainly would be right hard to find now," said the editor uneasily. "What's he done this time?"  
"In the advertisement of my valveless motor he turned the second v into a u!"

## That office boy was a good picker

IT WAS my busy day.

AND I told the boy.

I COULD not see.

ANY VISITORS.

AND HE popped back.

AND SAID there was,

A GENTLEMAN outside.

WHO WISHED to see me.

AND I said "No."

BUT I guess the boy.

IS LIKE my wife.

AND DOESN'T know.

WHO'S BOSS.

FOR BACK he comes.

AND SAYS the man.

WANTS JUST a word.

AND I told the boy.

I COULD tell the man.

JUST WHERE to go.

IN JUST three words.

BUT THE boy came back,

AND SAID the man.

COULD SPOT me one.

HIS BUSINESS needed,

JUST TWO words.

AND I'M a sport.

AND CURIOUS too.

SO IN he came.

AND HANDED me.

SOME CIGARETTES to try,

AND SAID "They Satisfy."

AND I will state.

HE SAID something.

THEY satisfy"—that says it. Never were finer tobaccos used in any cigarette and never were tobaccos more carefully and skillfully blended. Chesterfields give you all that any cigarette could give, plus a certain "satisfy" quality that is exclusively theirs. The blend can't be copied.
