**Do Your  
Child's Shoes Fit?**

—If they do not fit you are laying the foundation for future trouble:  
—Ill fitting shoes soon cause weakened arches in children's growing feet.

—These lead to pins in the feet, legs and back (sometimes called growing pains) and cause the child to be nervous and irritable.

—Let our trained foot expert, Mr. Gilberston examine your children's feet and make sure that the shoe fits.

—If arch weakness has already started he will relieve it with the

—They are all leather, very light, and built on a principle that makes them especially suited for children's feet.
