A Life of Happiness

COMES into every home when the Buick Valve-In-Head motor car arrives.

Nearly three millions of people today enjoy the comfort and pleasure of the five hundred thousand Buick cars in operation.

Each trip, every tour, or spin to town and back makes each passenger grow more enthusiastic over Buick operation for it is built to fulfill all the needs of family usage-and yet so easily appliable to any business acquirement or special duty.

That is why you find Buick dealers booking orders for the summer and fall months from motor car purchasers who know how essential Buick cars are in their daily life.

When better automobiles are built, Buick will build them
