When You Feel Pessimistic
Look At This

(From Commerce and Finance)
A great many of our own people delight in fostering the idea that these little old United States face dismal days ahead, and they've been harping on this pessimistic theory ever since the war ended.

Do you know that the United States has only 6 per cent of the population of the world and only 7 per cent of the land?

That the United States is the richest country in the world? That the bank deposits in the United States exceed by billions the combined bank deposits of the whole world outside of this country?

That we produce 24 per cent of the world's wheat supply and of all the cotton, 60 per cent of all the corn, 75 per cent of all the cattle, 27 per cent of all the hogs, 40 per cent of all the dairy products, 25 per cent of all the iron and steel, 40 per cent of all the gold, 20 per cent of all the silver, 40 per cent of all the coal, 52 per cent of all the copper, 49 per cent of all the oil, 66 per cent of all the automobiles, 82 per cent

That is to say, of all the total products of the globe, we contribute one-quarter (25 per cent) of the agricultural supplies. Over one-third (34 per cent) of the manufactured goods.

Before the war we owed other nations \$5,000,000,000. We have not only paid this debt, but foreign nations now owe us \$10,000,000,000, and we hold the largest gold reserve of any nation in the world.

—Entire Stock Of Ribbons 20 Per Cent To 50 Per Cent Less Than Regular. This should tempt women to buy now for holiday fancy work. Thousands of yards to select from, comprising both plain and fancy ribbon.

—To \$2.98 Infants' and Girls' White Poplin Dresses \$1.59. Cunning little creations, about six dainty styles and trimmed, rather embroidered in blue or rose. Sizes 1 to 5.

—\$3.88 and \$4.39 Heavy Quality Georgette Crepe, Yard \$1.98. This includes our entire stock. Don't be deceived by making yourself think that this is ordinary light weight crepe that is being flooded in the market today---Ours is of wanted quality. 40 inches wide and come in both light and dark colors.

—\$5.29 Fine Wool Tricotine, This Sale, Only, Yard \$2.98. The heading really is all that is necessary to disclose as this most popular weave is in the height of fashion for suits and dresses. 48 inches wide.

Every Yard of Silk in Store Discounted 20 To 50 Per Cent. A broad assertion to make but investigation will convince those who are interested. A wise hint, "buy silks now for Xmas."

Envelopes, 25 To Pack, Tuesday, Only, Extraordinary At 3c. Standard size 3 1/2 x 5 1/2 inches. None sold to dealers or printers. We reserve the right to limit quantity.
