## HOMESPUN FOLKS Christmas Eve and Christmas Night

THOMAS H INCE presents "HOMESPUN FOLKS"

"Homespun Folks" is not a cocktail drama. It has romance and tenderness; and robust comedy.

It has the tenderness and the rush of melodramatic action—but it never loses that deft, magnetic, masterful SOMETHING that makes it a pastoral epic. It is a combination of "The Old Homestead" and "Way Down East." Every lawyer should see it. Every citizen should also.

THE REVENGE OF TARZAN GOLDWYN P.1-2 Col.

Standing on the topmost branch of the tallest tree in the jungle, Tarzan sends booming through the dense thickets a blood-curdling roar of defiance.

The savage beasts of the jungle cringe at the sound. The tawny hair of Numa, the lion, stands up stiffly along his spine. It is the cry of death.

The most thrilling picture ever screened. Don't miss it--if you love excitement, romance, adventure, fight!

## COLUMBIA Storage Battery

HAS your storage battery had a "drink" of distilled water lately? Every storage battery should be refreshed with distilled water every 2 weeks or 4—depending on the weather and on how much it is used for starting, lighting, signaling, or ignition.

All battery manufacturers urge this watering with strict regularity; for water is steadily dissipated by the action of every storage battery, and it **must** be replaced often in order to avoid the battery's failure and rapid destruction. For technical reasons **distilled water must** be used.

No matter what the make of your battery stop in. Let us put you on our regular calling list and help you prolong its life by keeping it in first-class condition.

Columbia Batteries are guaranteed for one year against defects in material or workmanship.
