

HIGH SCHOOL GYM. NEARLY COMPLETED

New Building To Be Opened To General Public Evenings

MONDAY NIGHT, JAN. 3 RESERVED FOR THE LADIES

Physical Director To Give Students Instructions In Art Of Swimming

Early this fall a schedule was adopted by the local board of education which was designed to give the public opportunity to use the high school swimming tank and gymnasium. But because of unavoidable delay in completion of the heating system these plans could not be put into effect. It is hoped that the work will soon be completed and the community begin to get the full benefit of the building.

To meet the additional expense which will be involved by keeping the building open evenings a small fee will be charged to cover lighting, heating, etc. This amount has been fixed, temporarily, at twenty-five cents per night, or tickets good for twelve evenings will be sold for \$2.50. These tickets are transferable only within immediate family of the purchaser.

The schedule as adopted gives the use of the playing floor and swimming tank to the women on Monday evenings - and on Thursday the tank will be open to men and their wives, and children under nine years or who are below the fourth grade room in school. With this one exception children will not be admitted to the gymnasium on the nights when adults are given the use of the building. This provision is necessary to prevent overcrowding. Children above the age mentioned are given opportunity to use the tank during the day time, so will not be allowed to crowd out their elders in the evening. The tank will be open from eight to nine. On Thursday night the floor may be used for men's basketball, etc. Tuesday and Friday nights are reserved for high school basketball.

The above arrangements are temporary, and may be changed as actual practice indicates the need. The contractor has promised to complete the work during the week between Christmas and New Years Day.

Delay of the work on the heating plant may postpone the operation of the above schedule.

Unless unforeseen complications arise, Monday, January 3rd, will be opening night for the ladies, at which time they will have their first opportunity to use the tank. The men will have Wednesday, January 5. First family night will be Thursday, January 6. Use of floor is reserved at all times regular match basketball games.

The following rules for the use of the tank by high school students are in force, and as they are designed to protect those using the gymnasium, people using the tank on public nights are requested to observe the same regulations.

1. Shower bath must be taken before entering the pool.
2. Do not spit in pool, use spit trough.
3. All talking, etc., must stop instantly at the sound of the director's whistle.
4. No diving from radiators, furnace, etc., is allowed.
5. No diving at shallow end of pool is allowed.
6. All persons having colds; skin disease, etc., shall be excluded from the tank.

Mr. Dimick, physical director, will be at the gymnasium and plans to give lessons to students of the high school and grades who wish to learn to swim, during the second week of vacation, beginning January 3rd. A regular schedule has been made out for that week so that there will be no conflicting between the time devoted to those who can swim and those who are taking beginner's lessons.

"No matter what happens, there is always a market for Tillamook cheese. That is one asset which cannot be taken away from our county, even should there be a depression in industry generally," says Claude R. Barrick, attorney of Tillamook, who arrived yesterday. Mr. Barrick made the trip by automobile in six hours which speaks well for the condition of the roads. — Oregonian

A. M. Hare, the retiring County Judge

MANY TAXPAYERS ATTEND COUNTY BUDGET MEETING

Expect That Funds Will Be Available To Open Beach Road As Far As Hadden

The budget meeting Monday afternoon went off more quietly than had been expected. There was a large attendance from each end of the county and considerable pressure was brought to bear on the Barview-Rockaway-Brighton road and the Blaine-Beaver road. The Sandlake and Bayocean roads were mentioned and discussed.

Commissioner Alley stated that he thought funds would be available to open the beach road as far as Hadden this year. A motion was made, seconded and carried that \$15,000 of the \$25,000 on the budget for road district No. 1 be used on the Rockaway-Brighton road.

A motion was made, seconded and carried that the budget be accepted as read. The meeting then adjourned.

MASONIC AND EASTERN STAR LODGES INSTALL OFFICERS

A joint installation of the Blue Lodge, Royal Arch Masons, and Eastern Star was held in the Masonic hall Monday evening, December 27.

The officers installed in the Blue Lodge were A. H. Gaylord, W. M.; L. V. Eberhardt, S. W.; H. C. Boone, J. W.; L. E. Keldson, Treasurer; Harvey Ebinger, Secretary; W. T. Oathout, S. D.; H. F. Cook, J. D.; John Zumstein, S. S.; A. F. Smith, J. S.; A. A. McRea, Chaplain, and M. V. Stillwell, Tyler.

The R. A. M. installed the following: E. J. Claussen, E. H. P.; A. A. Pennington, King; Thos. Coates, Scribe; A. H. Gaylord, Captain of Hosts; E. G. Anderson, Royal Arch Captain; E. J. Shelling, Principal Sovereign; B. C. Lamb, Treasurer; I. E. Keldson, Secretary; Masters of the veils: Leslie Harrison; 2nd, H. C. Boone; 3rd, I. C. Smith; M. V. Stillwell, Sentinel.

The Eastern Star installed as officers the following: Worthy Patron, Mrs. Steinbach; Worthy Patron, H. A. Williams; Associate Master, Mrs. H. A. Williams; Secretary, Mrs. Albert Plank; Treasurer, Mrs. H. A. Franklin; Associate Conductress, Mrs. A. K. Case; Chaplain, Mrs. Vick; Marshall, Mrs. Stanley Coates; Organist, Mrs. C. B. Stanley; Warder, Mrs. Frank Heyd; Sentinel, Lee Doty; Adah, Mrs. E. Bales; Ruth Mrs. R. N. Henkle; Esther, Mrs. R. B. Miller; Martha, Mrs. Leslie Harrison; Electa, Mrs. Orpha Eastman.

During the evening several musical numbers were rendered. Leo Doty sang "A Son of the Desert Am I" a solo by Mrs. Cook, "Roses of Memory," and a mixed quart composed of C. W. Barrick, John Zumstein, I. W. White, H. F. Cook, Mrs. O. M. Cook, Mrs. Alfred Smith, Mrs. H. F. Cook and Mrs. Harvey Ebinger sang "Little Town of Bethlehem."

TILLAMOOK COUNTY THIRD IN PERCENTAGE OF INCREASE

Tillamook County is the third county in the state in percentage of gain in population for the ten year period just closed. Its percentage of increase was 40.1. Only Curry with 48 percent and Clatsop with 43 exceeded this record. An increase of 146 in the number of farms within the county was also made in the last decade. In 1910 there were 651 farms listed in the county, while today there are 797.

Charges Desertion

A complaint has been filed in the Circuit Court in which A. E. Albersing of Bay City charges J. H. Albersing with desertion and asks for a divorce. The parties were married at Brooklyn, Oklahoma, May 9, 1891, and the plaintiff charges that he was deserted in March, 1916.

A. J. Schmelzer and wife were married at Tillamook, Oregon.

SHIFTING SCENES AT COURT HOUSE

Newly Elected County Officials To Take Places On January 1

JUDGE, SHERIFF AND CLERK ARE NEW ON THE JOB

All The Other County Officials Re-elected In November Election

Next Friday, December 31st, will see the last of the old year of 1920, the year of high prices and elections. Also it will see a change in the regime that has served the county the past two years. The change will be scarcely noticeable for the different county offices are so well organized that everything will go along as smoothly as before. In all cases the incoming officers have had sufficient training in the duties they are to perform that everything will be carried out in the best possible manner.

Homer Mason, the newly elected county judge, has held public office in Tillamook County for quite a number of years, having been county clerk and county judge in the past. He is a practical farmer and understands the necessity of improvements to the farmer and rancher.

A. M. Hare, the retiring judge, has held the office of county judge for a number of terms and many improvements have taken place during his administration. All the hard-surfacing Tillamook County now has was laid during the administration of Judge Hare. He will probably take up his profession of farming again upon the completion of his work with the county.

H. S. Brimhall, the incoming county clerk, came to Tillamook county in 1911 from Portland, where he had taught in the public schools and had been employed in the postoffice. He first taught school at Cloverdale upon his arrival here. After two years in the Cloverdale school he moved to Garibaldi as teacher of that school for four years, from there going to Nehalem. He had taught three years in the Nehalem school when his aspiration for public office led him to enter the race for county clerk.

The new sheriff, John Aschlin, came to Tillamook as a boy, practically penniless, but by his perseverance he has graduated from the public and high schools of this place and has held public positions with the city and county for some time past. He has been a deputy in the office under Sheriff Campbell.

W. L. Campbell, retiring sheriff, has served the people of Tillamook two terms in that office. Before his election to the office of sheriff he was a deputy under assessor Johnson for one year and a deputy under Sheriff Crenshaw for two years. He has not yet decided as to what he will do in the future.

Miss Kathleen Mills, county treasurer, was elected to succeed herself at the general election last November. She is the first woman ever elected to hold public office for Tillamook county.

The assessor, C. A. Johnson, has held that office so long that nobody can remember when he was first elected. He is getting to be a landmark around the courthouse and as long as he discharges his duties faithfully as he has in the past he will be in no danger of being ousted. Stanley Coates, County surveyor, is serving in his second term in that office. In his office in the top story of the courthouse you will always find Stanley bent over a large table drawing maps, or figuring the grades of some road or proposed road.

Commissioner H. V. Alley was re-elected from the North end at the last general election. His home is at Nehalem. Our popular undertaker, R. N. Henkle, was again elected to the office of coroner. His duties are said to be the most pleasant of all the county officers.

G. B. Lamb, school superintendent has held that office for several terms. Under his direction the schools of the county have made wonderful improvement.

A. M. Fleming will pass the holidays at Tillamook at the home of his daughter, Mrs. Allen, where a baby arrived last week to gladden the household. — McMinnville News-Reporter.

H. S. Brimhall, Recently Elected County Clerk

BODY OF OVERSEAS SOLDIER TO ARRIVE HERE THIS WEEK

Harry R. Ackley, Killed In Battle In France, Being Brought Home

The body of Harry R. Ackley, overseas soldier who was killed near the Soisson Front by machine gun fire in September, 1918, is to arrive in Tillamook this week for burial.

The family of the deceased has received a telegram from the government officials that the body was shipped from New York on the 25th and it is expected to arrive here Thursday or Friday. This is the first body of a Tillamook boy to be brought home from France for burial.

The funeral is to be held at the Christian Church next Sunday at 2 o'clock. The American Legion will conduct the services at the cemetery.

ONE FROM TILLAMOOK TAKING AGRICULTURE COURSE

Leonard T. Cain, of Nehalem, Oregon, sophomore in the school of Agriculture, is the only agricultural student at O. A. C. from Tillamook County. With the exception of Curry and Jefferson every county in the state has representatives among the 727 enrolled agricultural students.

The department has 154 rehabilitation students for special training, 78 of whom are being maintained in the college by the federal government from the various counties in Oregon, fifteen of 78 are from Multnomah, and 8 each from Benton and Marion, 6 from Lane, 4 from Umatilla, 3 each from Baker, Clackamas, Linn, Union, Douglas and Washington, 2 each from Polk, Klamath, Morrow, Lincoln and Yamhill, 1 each from Wallowa, Deschutes, Columbia, Hood River, Wasco, Lake Coos, Malheur and Jackson.

In addition to the 154 rehabilitation students in the school of agriculture the state has eleven industrial rehabilitation men enrolled for special work in agriculture. This is provided for by the Workmen's Compensation Law.

Charges Cruel Treatment

Cruel and inhuman treatment is charged in a suit of Mrs. Nellie Maybee vs. George M. Maybee filed in the circuit court this week.

The complaint states that the parties were married at Pontiac, Michigan, November 11, 1913, and that no children were born to the union. The plaintiff alleges that the defendant habitually used vile and profane language toward her, threatening at times to throw her out of the house.

The plaintiff asks that the matrimonial ties be severed and that she be awarded a one-third interest in the property.

Keep Wind Shield Clean

George K. Abraham, Carpenter, tried out the recipe for keeping a windshield free from rain and fog, as published recently in the Gazette-Times at the suggestion of a woman who had found it a great help, and Mr. Abraham demonstrated its worth to perfection. With a little of this preparation on his windshield, he drove his car to this office through the hardest rain of recent days and his shield was almost as clear as in sunny weather. That portion of the windshield lacking the preparation could scarcely be seen through. He says he has tried it under varying conditions of the weather and found it all that the Gazette-Times informant had said for it. The recipe is as follows:

Take one ounce of water, two ounces of glycerine, one drachm of salt, mix well, use mixture to wipe off windshield, stroking downward. — Corvallis Gazette-Times

European Relief Subscriptions

Complete figures are not available for the European Relief drive that has been taking place in Tillamook County for the last week.

Some of the districts have subscribed as follows: Nehalem, \$310.00. Miami, \$50.00. Yellow Fir, \$90.00. Cloverdale, \$60.00. The quota for Tillamook City is \$1120 of which over \$1000 is already in.

WINDOW SHATTERED BY GUN DISCHARGE

Palm Confectionery Scene Of Unusual Accident Today

SHOTGUN BEING MOVED ACCIDENTLY GOES OFF

Excitement Created But No One Is Injured By The Occurrence

This afternoon when Pete Gabriel, clerk at the Palm Confectionery, picked up a shotgun that was leaning against the wall near the front of the building, the gun went off and blew a hole in the plate glass window, the charge entering the marquee outside.

Some of the shot are said to have rattled against the Odd Fellow's building across the street.

The gun, which was a 12-gauge, had been left in the store by some customer, who had left it loaded.

The hole through the window is just above the level of a person's head and it is exceedingly fortunate that no one was hit.

Entertained At Five Hundred

A 500 party was given in the dining room of the Tillamook Hotel Wednesday evening, December 15th, when Mr. and Mrs. J. H. Rosenberg, Dr. and Mrs. E. L. Glaisyer, Mr. and Mrs. H. F. Cook and Mr. and Mrs. H. H. Rosenberg acted as hosts and hostesses to about a hundred guests. The room was seasonably decorated with evergreens and holly. The guests were entertained by Miss Navelle Smith and Miss Margaret Tucker, dressed in Hawaiian costumes, who sang native songs accompanied by their ukuleles.

A dainty lunch was served, during which Mr. John Carroll sang as a solo J. Sarjeant's "Blow, blow, thou winter winds." He was accompanied on the piano by Mrs. Carroll.

After the lunch Lynn Partridge and Leo Morrison sprung a surprise on all by an invitation for them to attend the Gem theater, where "Jubilo" was being shown.

The followings were present: Mr. and Mrs. F. C. Baker, Mr. and Mrs. R. A. Leonard, Mr. and Hall, Mr. and Mrs. W. L. Campbell, Mrs. and Mrs. W. A. Lewis, Mr. and Mrs. John Carroll, Mr. and Mrs. Leo Morrison, Mr. and Mrs. A. K. Case, Mr. and Mrs. S. A. Moulton, Mr. and Mrs. W. T. Oathout, Mr. and Mrs. L. E. Partridge, Mr. and Mrs. E. M. Condit, Mr. and Mrs. W. J. Riechers, Mr. and Mrs. S. W. Conover, Mr. and Mrs. Geo. Hanselmer, Mr. and Mrs. O. M. Cook, Dr. and Mrs. Reedy, Mr. and Mrs. O. A. Shultz, Mr. and Mrs. Carl Shultz, Mr. and Mrs. Max Shultz, Mr. and Mrs. Rae Craven, Mr. and Mrs. Galey, Mr. and Mrs. F. C. Eech, Mr. and Mrs. C. Flekner, Dr. and Mrs. Grider, Mr. and Mrs. David Kuralt, Mrs. J. S. Lamar, Mr. and Mrs. M. E. Gruber, Mr. and Mrs. Carl Haberlach, Mr. and Mrs. E. M. Bales, Mr. and Mrs. Roy Henkle, Mrs. W. J. Hill, Dr. and Mrs. L. L. Hoy, Miss Flo Imus, Mr. and Mrs. E. G. Lantz, Mr. and Mrs. E. M. Skeels, Mr. and Mrs. J. M. Smith, Mr. and Mrs. L. W. Turnbull, Mrs. Francis Stranahan, Mr. and Mrs. J. L. Steinback, Mr. and Mrs. G. P. Winslow, Mr. and Mrs. Albert Plank, Mr. and Mrs. Joe Franklin, Mr. and Mrs. F. Armstrong, Mr. and Mrs. Ed Anderson, Mrs. J. P. Norrel, Mr. and Mrs. Daniels, Mrs. F. Beltz, Mr. and Mrs. Coe.

The prizes of the evening were awarded as follows: Mrs. C. Foelker, first lady's prize; Mr. Galey, gentleman's first prize; Mrs. L. C. Daniel's, lady's consolation, and R. M. Henkle, gentleman's consolation.

Sues For Labor Wage

George Henderson versus O. Parks is a suit filed in the circuit court wherein the plaintiff alleges that he performed labor for the defendant in Columbia, Tillamook and Washington counties during May, 1920, and that he has not received any compensation for the work. He demands judgment for the sum of \$236.20.

Sues For Attorney Fee

Robert McGrath vs. W. Kuppenbender and Ida Kuppenbender is a suit filed in the circuit this week. Plaintiff alleges that he was hired as attorney for the defendants in their suit against Wayne Franklin and that the fee for the work has not been paid. The plaintiff also alleges that the defendants obtained services in a case with R. E. Warwick and that he has not been paid for this work. He asks judgment for the sum of \$375 from the defendants.

Parties To Accident Should Report

In view of the accident that took place last week between an automobile and a horse drawn rig, it might be well to state that the law requires each party to any accident occurring on public highways to make a report of such accident as soon as possible to the sheriff of the county in which the accident occurred. There seems to be quite a lack of knowledge of this matter, and as this is a requirement of the law, it should be strictly observed.

C. J. Edwards expects to leave in the next few days for Salem.

The senate meets on the 10th of January but Mr. Edwards is going out a few days ahead of time.

Homer Mason, next Tillamook County Judge

DR. DUEBER PASSES AWAY SUDDENLY AT HOME HERE

Coroner's Inquest Held and Determines Death Due To Heart Disease

The death of Dr. C. W. Dueber, dentist of Tillamook, occurred early Monday morning at his office and living rooms in the Tillamook building.

He had apparently been in the best of health, having taken a long walk and eaten a hearty meal on the afternoon before he died.

An autopsy was performed Monday morning and the coroner's jury which sat on the case declared Dr. Dueber to have died from diseases of the heart and arteries.

He was a member of the B. P. O. E.

CONVICT SHOT AT ASTORIA ROBBED NEHALEM STORE

It has been ascertained that the convict shot by officials near Astoria some time ago is the man who blew the safe at Anderson's store at Nehalem. The convict is known to have made an auto trip from Astoria to Cannon Beach about the time of the robbery and signs along the road between Cannon beach and Nehalem point to the fact that he also had been there.

All that was missed from the Anderson store after the safe cracking was about \$12.50 in silver and some candy. The wrappers from this certain kind of candy scattered along the Cannon beach road were one of the proofs that the robbery had been committed by the convict.

Serious Accident Narrowly Averted

Friday night occurred what might have been a serious accident, when Zeno Biser was returning home town with a horse and buggy and was struck by an automobile driven by Charles Cater. Mrs. Biser was thrown from the buggy and bruised but her injuries were not serious. It has not been determined as to who is to blame.

Sues For Labor Wage

George Henderson versus O. Parks is a suit filed in the circuit court wherein the plaintiff alleges that he performed labor for the defendant in Columbia, Tillamook and Washington counties during May, 1920, and that he has not received any compensation for the work. He demands judgment for the sum of \$236.20.

Sues For Attorney Fee

Robert McGrath vs. W. Kuppenbender and Ida Kuppenbender is a suit filed in the circuit this week. Plaintiff alleges that he was hired as attorney for the defendants in their suit against Wayne Franklin and that the fee for the work has not been paid. The plaintiff also alleges that the defendants obtained services in a case with R. E. Warwick and that he has not been paid for this work. He asks judgment for the sum of \$375 from the defendants.

Parties To Accident Should Report

In view of the accident that took place last week between an automobile and a horse drawn rig, it might be well to state that the law requires each party to any accident occurring on public highways to make a report of such accident as soon as possible to the sheriff of the county in which the accident occurred. There seems to be quite a lack of knowledge of this matter, and as this is a requirement of the law, it should be strictly observed.

The senate meets on the 10th of January but Mr. Edwards is going out a few days ahead of time.

AUTOMOBILE TURNS TURTLE; 1 INJURED

For Hire Machine Goes Into the Ditch Near York Saw Mill

STATE BOILER INSPECTOR SUFFERS BROKEN RIBS

Accident Said To Have Been Caused By Slippery Roads

Another automobile accident occurred Wednesday evening when W. E. Noyes, who operates a for hire car, was returning from the south end of the county with C. W. Thomas, Salem, Oregon, state boiler inspector. Mr. Thomas had spent the day making an inspection of the boilers in the saw mills and creameries.

As they arrived at the curve near the York Lumber Company mill about eight miles from town they were overtaken by the Donaldson stage and in turning out to give way to the stage the Noyes' car in some way spun around and turned over pinning both occupants under it. Mr. Noyes was able to extricate himself but his passenger was caught between the back of the front seat and the ground. Help was summoned and Mr. Thomas was taken from under the car in an unconscious condition. He revived soon however and was brought in to the Boals' hospital, where it was found that he was not badly injured, though suffering from two broken ribs and some bruises.

Both men should congratulate themselves that nothing more serious happened for there was a chance for either of them or both to have been killed outright. The damage to the car is nominal considering the accident; the top and windshield were torn off and the radiator and fenders damaged some, but otherwise the car is in good condition.

Growing of Filberts Urged

The growing of filberts is urged by the Oregon Growers Co-operative association, as there are but two states growing them commercially—Oregon and Washington.

Already there is an active interest in filberts and many are preparing to put in tracts of from five to 20 acres. There are now only from 40 to 50 small tracts in western Oregon.

Filberts grown in this state are of much finer quality than those imported from Spa in, Sicily and Turkey. There is a commercial crop about the fifth year after planting. As there are fully 10,000 acres of logged off land in Oregon adapted to the growing of filberts and English walnuts, it is predicted that in a few years, the growing of nuts will be one of the great industries of western Oregon.—Roseburg News Review.

AID OF SENATORS ASKED FOR LEGION MEASURE

The local officials of The American Legion received a telegram this week from the state organization asking that they bring all possible pressure to bear on Senators Chamberlain and McNary to induce them to help push through the ex-soldier legislation that is now before the House.

Dilatatory tactics by some of the legislators have almost shelved the soldier measures, and the help of all the friends of the ex-soldiers will be needed if anything is done at all.

A council of the Legion met Wednesday night and set telegrams to Chamberlain and McNary asking them to give their support to the measures.

ELKS BRING GLADNESS TO TILLAMOOK YOUNGSTERS

The Elk's Christmas tree in the auditorium of the City Hall last Saturday morning was a great success.

About 140 youngsters were given presents of candy, nuts and fruit. At the back of the stage where the tree was set hung a great American flag, a present to the Koomatit Club from Ben Joy. The flag formerly was the one used at the shipyard during the war.

Another auto accident on the Pacific highway has been caused by the car occupants holding hands in the middle of the road. It is about time sparking zones were established.—Medford Mail-Tribune.
