

Tillamook Headlight

A Weekly Paper Published Every Thursday by the Headlight Publishing Company, Inc. Tillamook, Oregon

Entered as second-class matter in the postoffice at Tillamook, Oregon.

Subscription Rates: One year \$2.00, Six months 1.00, Three months .50

Back To Normal: This month will see Tillamook County, as well as all other communities, on the threshold of a new prosperity...

The newly rich and the "easy-come-easy-go" classes will necessarily have to settle down to the old workaday routine which will bring them more real happiness and satisfaction...

A Correction: In the last issue of the Headlight it was stated regarding the county budget meeting that "A motion was made and seconded and carried that \$15,000 of the \$25,000 on the budget for road district No. 1 be used on the Rockaway-Brighton road."

tion as made and carried was to the effect that \$15,000 extra be voted on the budget in addition to the \$25,000 already provided for the Rockaway-Brighton road.

The last issue of the Oregon Voter contains very good biographical sketches of some of the members of the state legislature under the title "Who's Who in the Senate".

Fraternal Notes

PYTHIAN SISTERS: Miriam Temple meets regularly the 2nd and 4th Tuesdays of each month in Pythian Castle Hall of Tillamook...

The Grand Chief plans to visit our Temple during January, and we hope great benefit will be derived therefrom.

Brothers and Sisters who cannot afford to miss the good times we are having.

I. O. O. F. ITEMS: Jan. 4, 1921—Yes there has been something doing all the time since Jan. 1st. Involving store stock—balancing up Lodge books—making out Grand Lodge reports etc.

thing about what your Lodge has other lodges had N. E. y6... Toa had 229 members; initiated during the year 48; joined by transfer from other lodges 15; reinstated 1. From this number we lost by death 5, by transfer to other lodges 6 and dropped for nonpayment of dues 13, leaving us a net membership at this time of 269 members.

Last year we paid sick benefit to 41 brothers and one brother's family, paying for 129 weeks at a cost of \$680. Also paid funeral benefits of \$310.00. Our current expenses for the year was over \$3237.70. Our lodge is in fine shape, and we start the new year expecting to keep up the work as started, and hope all the members will do their part.

The Encampment also made a good growth the past year.

SOAP AND SOCKS IN SUMATRA

Wearing of Hosiery is an Indication That the Wearer Earns at Least \$20 a Month.

Soap and socks in Sumatra—ten years ago the observant mind of a consul representative of the United States in that island would have devoted less thought to such matters, but now the internationalization of commerce gives soap and socks in Sumatra their place in the sun.

Norman Aldrich, a young American custom officer on duty in the north Maine woods near the Canadian border had the task and responsibility of a dozen men in his work to clear out the smugglers from that section of the border and to protect the land owners from the schemes of a large lumber syndicate.

Among the items purchased by the Mexican government for Francisco Villa and his followers are 800 plows, 20 mowing machines, 2 thrashing machines, 40 scrapers, 2 long auto trucks and 2 large warehouses.

At The Rex

Henry B. Walthall, in his latest success, "The Long Arm of Mannister," will be the headliner at the Rex Theatre on Sat. Jan. 15th.

A long list of players appear throughout the unfolding of the complex story of "The Long Arm of Mannister." In the working out of the ingenious and well-laid plan of revenge, Mannister's agents are everywhere, some are but shadows in the moonlight, others passing figures on the sidewalks of the crowded streets, all doing their small but important parts in this great tale.

It has taken the genius of David Wark Griffith to bring the rich, romantic flavor of Bret Hart's stories of the California of the rough days of '49 to the screen. "Scarlet Days," the latest Griffith production, which will show at the Rex Theatre, Friday, January 14th, tells a dramatic story of the life in the olden days in a boom mining town in the San Joaquin Valley.

Norman Aldrich, a young American custom officer on duty in the north Maine woods near the Canadian border had the task and responsibility of a dozen men in his work to clear out the smugglers from that section of the border and to protect the land owners from the schemes of a large lumber syndicate.

Although the lawless forces are massed against him, Aldrich has the faith of a few friends and a girl, the latter supplying him with the ambition and courage to continue the fight against the overwhelming odds.
