NOTICE TO INVESTORS

Graves Canning Co., Inc., are contemplating the building of a berry cannery in this city. This Cannery will be a stock concern. Those wishing to purchase stock in this company will communicate with the above firm at their Sheridan, Oregon office.

This is a chance for you to trade in your Liberty Bonds at face value on a guaranteed investment of 7 percent preferred stock.

The Company is arranging for the planting of several hundred acres of Logan Berries all planted in small tracts of 2 to 10 acres, and this acreage will be sold to homeseekers, who in turn will add to the thrift of our county. It is our honest opinion that within a very few years the berry industry in this county will exceed that of the cheese.
