

Tillamook Headlight

VOLUME 32

TILLAMOOK, OREGON, THURSDAY, JANUARY 29, 1921

NUMBER 12

COUNCIL PASSES ON MANY MATTERS

The Usual Routine of City Business Passes Through The Grid—Street Lights Ordered Installed Where Needed—Permits Granted And Ordinances Ordered Drawn.

At the regular meeting of the Common Council last Monday night several licenses were authorized.

J. S. Lamar, F. L. Eberman and John R. Patterson were granted permits to sell soft drinks and Carl Wagner was authorized to sell soft drinks and conduct a card room.

A petition was presented by operators of card rooms of the city asking that card rooms of the city ask on Sunday. It was found that this matter was out of the jurisdiction of the city council, having been passed upon by the voters at one time and making it necessary that any repeal be by popular vote.

Ordinance No. 401, an ordinance to repeal ordinance 63, 108, 115, 370, 371, 372, 373, 374, and 376, was presented and passed to the third reading by title only. The ordinance pertains to several measures now on an effect that are out of date on account of recent legislation by the state regarding health measures. The new ordinance also creates the officers, to be appointed by the mayor, defines the health officers duties and sets his salary at \$120 per year. This ordinance will pass to the third reading, subsequent to adoption next meeting.

The city attorney was instructed to draw up a general ordinance concerning card playing and games of chance.

It was reported that street lights were needed at the following intersections and the council ordered them installed: First avenue east and 6th street, Third avenue east and 6th street, Second avenue west and 5th street.

The specifications for the contract for the improvement of Miller avenue by grading to the city limits and paving to 8th street were read before the council.

I. O. O. F. Notes

Well, brothers, even if part of you did stay at home, the second degree was conferred just the same, and take a tip, you missed something. Those receiving the degree were, Wm. Harding, Albert Bailey, and A. L. Jeffries.

Brothers G. M. Kostic and W. R. Gould of Mt. Hebo, and Earl D. McNeil of Normal Lodge, Monmouth, paid us a visit.

At the Encampment, Jan. 27th, the Royal Purple degree will be conferred. All candidates will please be there, and the members will do well to be there.

Brother M. Dudley reported getting along fine at the hospital. Boys have you been up to call on him. Brother James Kodad was operated on at the Boals hospital last Monday. Don't forget to put him down on your visiting list.

Now is your chance, brothers! You have been rearing up on your hind legs telling how much you would like to do, and we are betting that to one that most of you will get sold feet now that you have the chance. It was decided that inasmuch as the wood question had the trustees down for the count, it would be wise to have one of those old fashioned wood bees, all day Friday, Jan. 21, at the Sid Anderson place, east of town. All that can go and will go please be on the street in front of the First National Bank at 8 A. M. on the appointed day, and there will be machines there to take you out to the job. So bring along your lunch. There will be plenty of hot coffee, made by an expert. George will be there and we cannot think of any way to keep Rollie away. Nuff said.

The Encampment at the last meeting, Jan. 13, conferred to Golden Rule degree. They are lining up some real work in 1921, so look out. The following officers were installed: J. M. Wilson, C. P.; F. W. Smith, H. P.; L. S. Huabbeck, S. W.; Chas. Bennett, J. W.; S. A. Brodhead, Scribe; Rollie Watson, Treasurer; F. H. Mathews, 1st W.; C. Christensen, 2nd W.; Benn Egge, 3rd W.; Wm. Pykenon, 4th W.; W. A. Church, 5th W.; Earl Snodgrass, O. S.

There were 45 members and 3 visitors present Tuesday evening. Did we see you there. If not why not? You another chance, next Tuesday.

Special prices on a lot of 9x12 8-3x10-6 Rugs at \$18.50. Best Furniture Company.

STATE ACCIDENT COMMISSION FILES SUITS IN CIRCUIT COURT

The State Industrial Accident Commission has filed suits against two parties in the circuit court this week.

In the case of the Accident Commission versus John Peyree and George B. Jacobs the plaintiff alleges that the defendants operated a box and shingle factory in the period between July 1, 1919, and March 31, 1920, that they signified their intention to accept the provisions of the Workmen's Compensation Act but that they failed to pay all the contributions to the fund. The plaintiff is now suing for the sum of \$154.81, the unpaid portion of the amount of the contribution.

Clarence L. Doughney is charged by the State Industrial Accident Commission with having failed to pay the contribution to the Workmen's Compensation Act for logging operations said to have been performed between July 1, 1919, and February 3, 1920. The plaintiff asks judgment for the sum of \$98.01.

Pythian Sisters

A very enthusiastic meeting was held at the home of Mrs. E. G. Lantz the evening of Jan. 13, for the purpose of organizing a social club from the membership of Miriam Temple No. 36.

The following officers were elected: President, Mrs. J. Merrill Smith; Vice President, Mrs. A. H. Harris; Secretary, Mrs. Fred Christensen; Treasurer, Mrs. Geo. Winslow; Reporter, Miss Flo Imus.

The regular meeting day will be the third Wednesday of each month at 7 P. M. All meetings will be held in the Pythian Castle Hall.

Plans were made for a Pythian Card party to be given Feb. 8, 1921, to which the public is cordially invited. A good time is assured. Admission fee of sixty cents, which includes refreshments, war tax, and checking wraps.

Tuesday evening, Jan. 25 is regular lodge night, and all members and visiting sisters are always welcome.

J. U. G. Club Meeting

On Jan. 12, the J. U. G. Club held another one of their delightful meetings with Mrs. Clarence Stanley and Mrs. Wm. Foster at the beautiful new home of the former.

After an afternoon of fun and fancy work the hostesses served delicious refreshments.

The guests were Mesdames Emil Heusser and Frank Hunter. Club members present were Mesdames Christensen, O. M. Cook, Dawson, Edwards, Hanselman, Clint King, Small, Winslow, Stanley, Savage, Foster and Carroll.

REPRESENTATIVE BEALS WILL LOWER TAX ON FARMS

A bill has been prepared and introduced by F. E. Beals in the Legislature which is intended to equalize the taxation between the farm and the timber.

As the law stands at present the county assessor must make his estimates from an old county cruise made some years ago and which is declared to be incorrect in that it does not show the amount of timber actually existing in this county. It is understood that the same conditions are found in other counties of Oregon.

Mr. Beals' amendment makes it necessary for the timber owners to furnish the assessor with the amount of the latest cruise of the property which it is thought more liable to be exact.

The local supporters of the bill ask that all those who are interested in this measure communicate with Mr. Beals in care of the State Legislature, endorsing the bill and urging its passage.

St. Maves Beale, bred by Ed Cary of Carlton, Or., and sold by him in 1918 to Ayerdaal, farm, Banger, Me., is 8 years old, has dropped five calves, produced 62,267.4 pounds of milk and 3569.5 pounds of butterfat, an average of 12,453.5 pounds of milk and 799.18 pounds of fat a year. This completes her fifth consecutive register of merit record.—McMinnville News Reporter.

We understand that the Youre Transportation Co. which was running from Portland to Tillamook has gone out of business. E. C. Carry who has been living here for the past while, had just bought an interest in the line a short time ago and we understand that he lost some money with them.—Willamina Times.

Salem.—Senator Joseph of Multnomah, hurried a binder containing a copy of "The Oregon Voters' list" at his editor, C. C. Chapman, in the Senate following a denunciation of the Oregon Voter in the Senate by Senator Thomas, because of an article attacking Senator Jones, of Eugene. The binder grazed the editor's ear.—Corvallis Gazette Times.

Will Move to Tillamook.—Geo. E. Rummel will remove to Tillamook in the near future and will have Tillamook county his territory for the Exide battery. His removal has been delayed because he was unable to get suitable quarters for a service station.—McMinnville News Reporter.

Work of Red Cross Reported

The following report of a recent visit to the Northwestern Division, American Red Cross, at Seattle, is given by Mrs. A. C. Everson, Executive Secretary of the Tillamook County Chapter.

"It was a pleasure to meet the manager and the directors of various departments and get first hand information in regard to the different activities of the Division. Dr. J. E. Critchen, Manager, is a physician of many years experience both as a practitioner and in various lines of public service, and is eminently fitted to handle the machinery of this great organization. In a very profitable interview with him one of the principles for which he stands, was very much in evidence—that of an economical and conservative expenditure of the Red Cross funds. Dr. Critchen has exactly the right idea—that the moneys contributed by the people for carrying on this work, should be even more carefully guarded and judiciously used than if it were private funds.

"While not fully appreciated by many who have only given a hasty consideration to the organization and its work, the Red Cross activities are just as great as during the war. Very naturally a different program has been instituted, yet after war activities have by no means ceased, and many ex-service men are receiving attention and assistance through the various departments.

"One of the activities strongly recommended for the different chapters is that of the instructor nurse. It is possible to secure the services of a thoroughly trained worker who will give instruction to classes which the chapter has organized, the aim and object being to teach mothers especially how to become competent nurses. Few homes do not, at some time, need such services, and no plan has ever been devised that will make possible the necessary instruction that will reach such a large number of persons. It is worth while to consider just what a competent nurse in each community would mean. The value cannot be overestimated, for it is but natural for assistance to be given to neighbors who are needing it, and if such assistance were along the lines of scientific, up-to-date nursing, it would be a heaven that would not stop working. Many would learn by observation who had never had class instruction, and in a very short time practically every neighborhood would have several persons who would be well informed, capable of understanding and able to carry on a physician's instructions.

"Tillamook Chapter would be glad to hear from all who would be interested in the instructor nurse program, to the end that it may be determined whether or not there would be a sufficient number to warrant an effort along this line. Further information will be given to any one who wishes to call at the Red Cross Office, Chamber of Commerce Room, in the City Hall. Communication addressed to the secretary will receive prompt attention."

Wilson River Wins

The Wilson River Athletic Club played its first game of basket ball Tuesday night, the 18th, at Cloverdale.

Cloverdale expecting to win the county championship, played a hard game, but were outclassed in passing and shooting by the Wilson river quintet.

The final score was 33 to 12 in favor of Wilson River. The following men made the trip to Cloverdale: Carl Heisel, Alfred Boquist, August Boquist, William Foster, Spud Harris, Joe Plasker and Gilbert Funk.

Wedding Bells

The marriage of Robert M. Myers to Miss Bessie Lantz occurred last Sunday at the home of the bride's parents in Tillamook.

Mr. Myers, a former resident of this place but now of Portland, is well known in his community and the bride also has a large number of acquaintances here.

The ceremony was performed by Rev. Harry E. Tucker and attended by a few close friends and relatives.

Death of Mrs. Schlavin

Mrs. Schlavin, of Brighton, died at the Boal's hospital Tuesday night after undergoing an operation.

The deceased formerly was from Eugene where her mother and sisters now reside. The burial will be at Junction City.

Announcement

We wish to announce to our customers and the public that we have bought out all interested parties in the Conover & Condit store, and sold out all interest in the Star Grocery Co. We thank you for the patronage you have given us in the past and esteem it a great favor to serve you in the future. CONOVER & CONOVER.

TILLAMOOK LEGION POST HOLDS ANNUAL ELECTION

Tillamook Post of The American Legion held its annual election of officers last Thursday.

Ira White was chosen as commander. He will be assisted by I. E. Keldson, Bert Ross and E. L. McCabe as vice-commanders. The adjutant and post finance officer has been combined and E. J. Claussen elected to fill that place. The executive committee was elected as follows: Ira White, I. E. Keldson, Bert Ross, E. L. McCabe, E. J. Claussen, V. L. White and Henry Heisel. According to the new by-laws adopted it will take at least five members of the executive committee to transact business.

The post went on record as not in favor of a campaign being conducted for the purpose of influencing legislation in favor of a state bonus, believing, rather, that if any compensation is to be paid it should be taken care of by the national government. The sentiment seemed to be general in the meeting however, that should the Gordon bill which is now pending in the state legislature, go through it would be greatly appreciated by all ex-service men. This bill calls for compensation to those who served in the military orces during the late war from Oregon, either by cash bonus or a farm or home loan.

The members of the local post expressed themselves as being very much in favor of legislation aiming to assist disabled ex-service men.

BAR VIEW NEWS

Bar View, Jan. 19.—(Special Correspondence)—Bar View was all to the good on Saturday night last when the "Get Together Club" put on a combination smoker and dance in the local hall. The bantam weights who opened the mill were Melvin Burgoyne and Wade Wampler, and Benny Leonard had nothing on them when it came to foot work and short arm jabbing.

Welter weights followed next in line with Messrs Erwin and Walpert in the ring. This four round contest ended in a draw with honors about even. Then the heavyweights, Willet and Burgoyne, Sr., were introduced and the premier event of the evening was on. Only a Ring Lardner could fittingly describe the fine points of this go, but the audience enjoyed it hugely, nevertheless. At the end of the battle both contestants were in badly battered condition but their genial dispositions were still entire for they embraced each other as if loath to part.

After this part of the performance was over the dance began and was followed by refreshments to both of which everybody did justice.

As grand marshal of the whole shebang, A. J. Cummings should be awarded the Nobel prize for he was there with cap and bells from start to finish and it was due to his efforts that all enjoyed themselves to the utmost. Whether it be hi-yiling around to work up enthusiasm, in a Paul Jones or haranguing the assemblage on the necessity of unity and co-operation in support of the club, he was all to the good. Mrs. VAN Northwick accompanied with W. A. Sippell, Jr., on the violin and A. Cummings on the drums. Announcement was made that a Carnival dance will be given on Saturday Jan. 22, to which everybody is cordially invited.

Mr. and Mrs. H. L. Russell of Tillamook are among the newest residents of Bar View, and occupy the house lately vacated by A. Cummings and family, who have moved to Garibaldi.

There is a noticeable dearth of moonshine around town as compared with last winter. Can't someone help.

Master Henry Ryan has returned from Portland where he went to have his eyes treated. Henry says he had a good time and intends repeating the performance in the near future.

Japs Watch Legion Officer

Franklin O'lier, Past National Commander of the American Legion, who has just returned from a trip to the Orient, recently furnished details of how he was constantly under the surveillance of supposed agents of the Japanese government during his stay in that country.

Basing their action on the ridiculous assumption that Mr. O'lier was in the country to organize American veterans into reserve, the Japanese, according to the National Commander, made a practice of searching his baggage and effects in almost every stopping place. His "guide," Mr. O'lier said, was in reality a spy.

The Legion official left this country shortly after the second Legion convention at which approval of the California Japanese exclusion laws was voted and it is believed that the Japanese fancied Mr. O'lier's mission was official instead of a pleasure tour.

CLAM PROTECTION IS ASKED

Discontinuance of commercial fishing of clams and oysters in Tillamook county is provided in a bill introduced at Salem by Representative Beals. According to the author of the proposed bill, the wholesale digging of clams and oysters threatens the extinction of these shell fish and passage of the proposed bill will be urged to protect the county from such a fate.

The bill does not prohibit the digging of clams in Tillamook county for domestic use.

Class Officers Are Elected

Arthur Harris has been elected basket ball manager by the student body. As manager Mr. Harris will endeavor to bring better games than have previously been brought to Tillamook. This will not only improve the High School but will put Tillamook "on the map" in a new line. It will be of advantage to the business men to support basket ball this season.

Friday a student body meeting was called to nominate officers for next semester. The following students were nominated and these will be voted on next Monday:

President—"Shingles" Gabriel, Jim Sharp; Vice President—Rodney Gary; General Manager—Bill Anderson; Secretary—Marie Glenger; Sgt. at Arms—Albert Viereck, Henry Boschler; Editors—Bryan Tucker, Laura Dodge, Elta Sheets, Lula Thurman; Yell Leader—Gerald Graves; Foot Ball Manager—Pete Gabriel, Jack Driscoll.

Class officers elected for the next semester are as follows: Seniors—President, Grace Jolliffe; vice president, Elda Archibald; Secretary and Treas., LaVerna Halden; Class Representative, Alta Simmons; Class Advisor, Mrs. Heyd.

Juniors—President, Jim Sharp; Vice President, Arthur Harris; Secretary-Treas., Marie Glenger; Representative, Elta Sheets.

Sophomores—President, Ramona Halton, Vice President, Carlisle Stranahan; Secretary-Treas., Ethel Anderson; Class Representative, Jack Driscoll; Class Advisor, Miss Starr.

Freshmen—President, Arline Heyd, Vice President, Henry Himes; Sec.-Treas., Doris Knight; Class Representative, Alpha Olson; Class Advisor, Miss Barry.

Oliver Mathers from Eugene High, Eugene, Oregon, and Teresa Moylan, Lewis and Clark High, Spokane, Washington, are new students in the High School.

Friday a short rally was held for the basket ball games to be played Friday and Saturday evenings. Speeches were delivered by Prof. Turnbull, Coach Dimmick and Prof. Bennett. The students showed their enthusiasm by a few "peppy" yells.

Friday football letters were presented to the following men for "valiant service rendered to the High School on the field of action." "Shingles" Gabriel, Harris, Farley, Large, Hoy and Anderson. Conover and Lienkaemper were given letters for conspicuous service on the field last year.

Last Monday night T. H. S. basket ball team played Blaine. The score was 31 to 25 in favor of T. H. S.

Friday night T. H. S. played Banks High. The score was 40 to 25 in favor of the local team.

The most exciting game played at a Tillamook floor in many years was played Saturday night between T. H. S. and Dallas High. When time was called the score was 17 to 13 in favor of Dallas. The T. H. S. students feel that this game would have been in our favor if Shingles, center, had not been hurt during the last half.

Cheese Report

Carl Haberlach reports the cheese business in good shape. He states that some cheese has been sold "market price prevailing date of shipment" as much as four weeks ahead.

Next week six of the factories will hold their annual meetings.

The association is quoting its famous oats and barley and oats, barley and corn mixture at \$50.00 in ton lots.

Corn, any style, \$50.00 per ton. Ground barley, \$50.00 per ton. Process barley, \$22.10 per sack. Wheat, 4c lb. Molasses in bbl. lots, \$44.00 per ton Portland.

The association is getting ill car of linseed oil meal and selling same to arrive at 3 1/2 c per lb. Patronage should call up and place their orders.

A number of cars of No. 1 alfalfa hay have been received and sold at \$26.00 for immediate shipment and \$25.00 for future delivery.

The association wishes it understood that it is getting the whole grain and putting out first class feed. Mill run, \$45.00 per ton. Middlings, \$58.00. Beet pulp out of car, \$45.00. Out of mill, \$45.00 per ton.—Adv.

Kansas members of the American Legion are in the throes of a struggle as champions of the cigarette. The fight is centered at Topeka where the local post has urged the repeal of the Kansas law prohibiting the sale of cigarettes. Dr. William A. McKeever, of the University of Kansas, author of the anti-cigarette law, and leading opponent of the Legion's stand, has appealed to the ex-soldiers to "turn aside from the selfish cigarette and come out on the side of Christ and Kansas" and has proposed a debate with the Legionnaires on the question of the cigarette as a menace. Legion members, in a recent resolution, asked Governor Allen to urge the repeal of the anti-cigarette law.

James Morris, one of the proprietors of Backus & Morris, of Portland, is enjoying a fishing trip in the county.

THIS IS EXAMINATION WEEK IN THE PUBLIC SCHOOLS

This is examination week in the city schools. The second semester opens January 24th. Pupils in the grades will go to their old rooms at 9 o'clock and secure their report cards. Those promoted will then pass to their new rooms.

Parents having children who are to start in school for the first time are requested to send them to Mrs. Burge's room in the grade building. Beginners cannot be admitted to the first B grade after the second Monday in the semester, January 31st.

Night school classes in the commercial subjects open for the second term, Monday, January 24. Anyone interested, call M150.

The gymnasium is now open to the public Mondays, Wednesdays and Thursday evenings. The heating contractor came in during the holidays to complete the work, but found the motor trouble. He carried the motor out to Salem and it is only through the courtesy of the Sunset garage, that the building could be opened. They loaned a motor and pump, which when connected up to the heating system enabled the janitor to beat the swimming tank. Until further notice women's nights will be Monday 8 to 9:30; men, Wednesday 8 to 9:30; family nights Thursday 8 to 9:30. To pay for extra heat, light, etc., a small charge is made, a ticket good for 25 evenings, being sold for \$2.50 or for a single evening at 25c.

AT The Gem

"In 'Hazel Farron,' the girl who kicked game and smacked the face of continued adversity; I have tried to create a type which faithfully represents many little unsung heroines of real life," says Madge Kennedy, in regard to her new Goldwyn Picture, "Dollars and Sense," which comes to the Gem Theatre, Wednesday, Jan. 26th.

"I wanted to show through 'Hazel' what I honestly believe—that a girl's best protection in her battle with the world is her own thoughts. Her own sweetness and innocence throw a strong safeguard around her. Unlike many screen heroines who have a hard struggle getting along 'Hazel' does not even think of taking 'the easiest way' when dark days come. Nor does she look on every man as an enemy. She's just a wholesome, plucky girl who wins out through keeping the right attitude of mind."

Tom Mix the daredevil of the screen, who comes to the Gem Theatre next Tuesday, in his latest William Fox production, "The Terror," was among the list of screen celebrities who helped Harold Bell Wright, the author, put on a charitable benefit performance in the town of Tucson, Arizona, for the Tubercular Charity Hospital of the place.

Mr. Wright, who lives in Tucson, informed Mix that he was personally producing his famous story "The Shepherd of the Hills" for the benefit. The Fox star boosted the benefit among his host of friends in Tucson and the neighboring territory, and wired to the management his best wishes for its success. Mix has the "glad hand" always ready for a deserving cause.

While Mary Pickford was shooting scenes for "Pollyanna" at the small town of New York, near Los Angeles, the following incident occurred: The day's work was done. Miss Pickford, seeking a place in which to change her costume, asked if a spare room could be secured in some building nearby. The village storekeeper standing in his doorway, overheard her inquiry. To Al Werker, property director, he said:

"Tell that kid she can come in here and change her clothes if she wants."

"The kid" Werker was indignant. "Why, that's Mary Pickford!"

"That's right," said the storekeeper, and a moment later when Miss Pickford had slipped out of her "Pollyanna" dress and had put on her grown-up clothes, he said: "There, now, that's Mary Pickford—you movin' picture feller's can't fool me!"

"Pollyanna" will be the feature at the Gem Theatre on Monday, Jan. 24. Houdini, the handcuff king, has added to the world-wide fame attained by his thrilling feats of self-liberation, by breaking into detention. In the latest edition of the New English occurs the following definition: "Houdini, N., an expert in extrication."

As if this were sufficient honor for one man, the celebrated illustration recently branched out as a motion picture star and he will appear in "The Grim Game," a new Paramount-Arctur picture, at the Gem Theatre Saturday, Jan. 22nd.

Tillamook Booster Abroad

"Tillamook is the best place in the world," said Henry Leach, Jr., at the Oregon yesterday. He gets his ideas of the value of telling the virtues of his home town from his father, M. F. Leach, who has lived in Tillamook more than 30 years. "A few of the logging camps are going to resume work again very soon," he said. "We are mighty glad of that. The little storm we had last week, wrecked some houses at Netarte and did a few stunts such as moving the side hall across the road, but out-far side of that it wasn't had. It returned to its normal condition in a few days ago at Barview, but, of course, did not do as much damage." Todd, W. M., Cloverdale, farmer; Kinnaman, Clyde, Tillamook, farmer; Hatfield, C. W., Cloverdale, farmer; Wallin, Carl Tillamook, carpenter; Sales, W. H. Barnesdale, farmer.

See me about the Vaughn-made D. er; Small, F. D., Tillamook, cannery; J. B. gas stump puller. E. G. Krebs, man; Hare, W. S., Tillamook, farmer.—131st er.

BUSINESS MEN'S MEETING TUESDAY

Called To Discuss And Act On Important Matters.—Building of Cannery At Tillamook Will Be Brought Up By Cannery Man.—Berry Industry To Be Outlined.

An important meeting of the business men of Tillamook City is to be held next Tuesday evening at the city hall at eight o'clock, and several matters that concern the future development of the city will be discussed. It is requested that a full attendance of business men be present.

Owing to the crowded conditions of the city schools the School Board would like to discuss the matter with the business men with the idea of adopting some plan to overcome the difficulty, as there is some disposition to erect new buildings, which will entail considerable expense.

Another matter that is of considerable importance is the erection of a large cannery in this city. Roy Graves and those interested in the loganberry industry will be present and will inform the business men of their plans to make this city a great logan berry center.

Other matters of interest to the city will be discussed, and those who have any suggestions to make that will help to make this a bigger business center will be given an opportunity to do so.

W. O. W. Install Officers

Thursday night January 13th, Alder Camp No. 219 Woodmen of the World at their regular meeting held in W. O. W. Hall, National Bldg., installed the following officers with F. H. Mathews, Head Camp Delegate, as installing officer, assisted by C. W. Wagy; H. W. Keys, Past Consul Com.; A. H. Harris, Consul Com.; L. A. Moulton, Advisor Lieut.; E. W. Stanley, Banker, S. A. Moulton, Clerk, Ralph Edwards, Escort, C. W. Wagy, Watchman, Thomas Keys, Sentry, Dr. Robinson, Manager.

Old time melodies were sung and enjoyed by all. Mrs. John Carroll presided at the piano. A chicken luncheon was enjoyed by all present. The newly installed officers are planning for a large increase in membership in the Camp during their term of office.

Jersey Breeders' Meeting

The annual meeting of the Jersey breeders will be held at Fairview Hall January 27th, 1921. Let every member be present, as officers are to be elected, Secretary's report to be read, and other matters of business to be attended to.

The following letter has been received by the Secretary: Mrs. Rose Crawford, Sec.-Treas. Tillamook Jersey Cattle Club, Tillamook, Oregon. Dear Mrs. Crawford: I am in receipt of your letter of invitation to President Lynn and myself and members of the Oregon Jersey Cattle Club to be present at your meeting the fourth Thursday in January. I will inform Mr. Lynn of this kind invitation and notify you as to his decision. Your meeting will be the Thursday following the meeting in Portland, of which your club has been notified, and it may be possible that a number of Oregon Jersey Cattle Club members can journey on to Tillamook following that meeting. Very truly yours, Ivan Loughary, secretary.

Bring your lunch baskets well filled, and ladies do not forget please to bring coffee.

Do not forget the date, January 27th.

ROSE CRAWFORD, Sec'y.

Grand Jury Drawn

The County Court has been engaged during the last week drawing a grand jury for the Grand Jury.

The panel is now finished and follows: Alley, C. L., Wheeler, laborer; Smith, Henry, Beaver, farmer; planalp, Mike, Tillamook, farmer; Gilbert, W. J., Beaver, merchant; H. C. Witt, Bay City; Sebald, John, Tillamook, farmer; Durrier, Joseph, Tillamook, retired farmer; Bales, E. M., Tillamook, carpenter; Bennett, R. W., Tillamook, jeweler; Breeden, Jacob, Tillamook, laborer; Loerpahel, George, Mohle, farmer; Tubbs, H. H., Nehalem, farmer; Lane, Claude M., Hebo, farmer; Johnson, Willard, Tillamook, farmer; Pys, Fred, Tillamook, carpenter; Wilson, Joseph, Hebo, farmer; Bauer, Simon, Neskoew, farmer; Alderman, W. B., Tillamook, mill man; Flinker, Henry, Tillamook, farmer; Hare, A. M., Tillamook, farmer; Messner, Wm., Hebo, farmer; Batterson, S. M., Nehalem, farmer.

Turner, B. W., Hebo, farmer; Clough, C. I., Tillamook, druggist; course, did not do as much damage." Todd, W. M., Cloverdale, farmer; Kinnaman, Clyde, Tillamook, farmer; Hatfield, C. W., Cloverdale, farmer; Wallin, Carl Tillamook, carpenter; Sales, W. H. Barnesdale, farmer.

See me about the Vaughn-made D. er; Small, F. D., Tillamook, cannery; J. B. gas stump puller. E. G. Krebs, man; Hare, W. S., Tillamook, farmer.—131st er.
