### High School

A week ago Tuesday T. H. S. basketball team defeated Wilson River five in one of the closest and hardest fought games of the season. The first half of the battle ended with the High School tossers in the lead 12 to 11. The fight was continued in the second half with the teams alternating for the lead. In the last 3 minutes a basket by Art Harris gave the lead to the High School. A beautiful shot by Gabriel in the last minute clinched the game, Tillamook High School winning by 20 to 17.

The line-up for both teams was: T. H. S.—Art Harris, f; Tucker, f; Shingles Gabriel, c; Driscoll, g; Conover, g. Wilson River—Heisel, f; Spud Harris, f; Al Boquist, c; Aug. Boquist, g; Gil. Funk, g.

The past week-end the High School boys have made another trip to the valley, leaving a game with McMinnville, 56 to 13. Our boys were lost on the large floor. McMinnville High has a fast team but we hope to "hook 'em" on our floor. No date is made but in all probability Thursday night will be the date set. Tuesday evening we play Cloverdale High for the high school championship of this district. This game determines whether or not Tillamook High will send a team to the conference match for state championship at Salem in April. Cloverdale has a team that is clever with the ball but not so good at shooting. We hope to win on general all around playing.

Tuesday noon the Rook Bibles were issued, wherein was set forth on a green background, the rules regulating the childish ways of rookdom. The bible is begun with some poetry to develop to musical ear of the young children just starting out in the great world of High School activities. Then comes the pledge of honor, to obey and love and trust upper class leaders. After that the rules set forth by the guiding hand of upper classmen to regulate the rooks. The rooks are greatly pleased with their new acquisitions.

Tuesday at student assembly the returned travelers told of the McMinnville game, after which a pep meeting and yell practice was held in preparation for Cloverdale game. Everyone showed much spirit by the yelling. Mr. Campbell on account of the absence of yell king Graves will lead the multitude Tuesday night. Most of the first squad will be in suits for this game and many will probably get a chance to play. The executive council met last

week and voted apportionments to the main activities as follows: debate, 25 per cent; football, 10 per cent; basket ball 25 per cent; miscellaneous 40 per cent. Student tax was assessed at \$1.00 per head. This tax must be paid immediately. If not paid within two weeks the delinquent is dropped from all student body activities. Manager Anderson issued the call for dues and every one should pay immediately.

Following is the probable schedule of the McMinnville High games in Tillamook this coming week-end: Thursday night, McMinnville High vs. Tillamook High; Friday night McMinnville High vs. Wilson River; Saturday night, McMinnville High vs. Tillamook Post, American Legion. These games will be held at the High School gymnasium. Regular admission. Everybody be there.—Bryan Tucker, High School Editor.

### "DRAG HARLAN"

Six part William Fox Production, featuring William Farnum at the Gem Thursday, February 15th. "Drag" Harlan, in the story of that name, is riding the plains in search of two men who killed his partner, when he chanced upon a shooting affair, in which a rancher named Lane Morgan is the victim. "Drag" recognizes one of Morgan's assailants as the slayer of his partner and kills him. Before Morgan dies he charges "Drag" to look out for his daughter, Barbara, and entrusts to him the map of a big gold deposit he has located. After a long list of exciting incidents and thrilling adventures "Drag" insists upon escorting Barbara to the ranch where he at once proclaims himself manager. He is held in distrust by all and is accused of being guilty of the murder of Morgan. Eventually he wins the confidence of Barbara and the men of the ranch and fastens the guilt on to Hayden, the real murderer, who is killed by one of the men while he is threatening the life of "Drag". It's only natural that in the end "Barbara" and "Drag" should locate the claim.

### J. U. G. CLUB

Mrs. Art Case and Mrs. Roy Savage entertained the J. U. G. Club at the home of Mrs. A. K. Case, Feb. 9. The house was beautifully decorated with hearts and cupid and the table decorations were carried out in St. Valentine's honor also. Mrs. Ingram won the prize in the guessing game. The girls decided to have a basket social at the K. P. hall, inviting the husbands, on March 2, at 8 o'clock. The invited guests were Mesdames Ralph Warren, S. W. Conover, Floyd

Inghram, Alva Williams, James Gailey.  
The club will meet with Mrs. Henry Heisel on March 9.

### FREIGHT EFFICIENCY

Last week Messrs. Partridge & Morrison received notice that the Wuriltizer Organ which they recently contracted for, had been shipped from San Francisco on Wednesday, February 2nd. The instrument arrived in Tillamook on last night's freight and will be installed as soon as the expert mechanic can get here, who has the installation in charge. We are informed that these gentlemen expect to have a special program of pictures and music when the public is given their first chance to hear this wonderful instrument, having at this time engaged a professional operator. We'll say the cities won't have "nothin'" on Tillamook now.

That you are getting full value for your money when you use this class of tobacco.

The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind.
