The merchant who public sentiment. watches the goods coming in from I have received numerous letters mail order houses must wonder why of approval on this movement thru he is paying taxes to help support out the state and I am herewith, suba community that does not help sup- neitting a copy of one communition port him.

The complaint is made that things can be bought much cheaper from it the space in your paper it deserve, mail order houses than from local merchants. This may be so, but the large mail order house does business no right to discuss such momentous on an entirely different plan than questions as relate to the very life Credit Association is wanting the the local merchant does. The large chant gives you credit; the large company frequently sells an inferior grade of merchandise that the local merchant does not handle; the mail order house buys in carload output of factories, while the small town dealer must necessarily handle a conservative stock of goods.

Before buying from mail order concerns, remember this: A dollar sent out of the county never returns few. When the function of the gov- says are to be written at home and ing roots and bark, and hanging tena lar spent in Tillamook county stays here to help you and your neighbor pay taxes. Can anything be said of the good done Tillamook by mail order companies in Portland, Seattle or Chicago? Do they help build our roads, pave our streets, or help in taxation, brought about in a great before April 8th. "Why we should the up-building of our community?
