TILLAMOOK, OREGON, MARCH 31, 1921

NUMBER 22

ACTIVE CAMPAIGN TO GET SETTLERS

STATE CHAMBER OF COMMERCE WILL COVER MIDDLE WEST SECTION

RESOURCES OF STATE TO BE SHOWN

Personally Conducted Automobile Tours Throughout State Are Planned

Portland Ore. March 29, (Special) —A comprehensive and far reaching program for bringing settlers to Oregon on a wholesale scale from the middle western states during the coming summer was announced by the Oregon State Chamber of Commerce this week following an all after noon meeting of the Executive Committee at the Oregon Building. This plan, which has been "in the making" for several months, includes the routing of hundreds of homeseekers to Oregon in a body and a personally conducted tour by automobile over the entire state.

The State Chamber will devote its entire energy and resources to the task of putting this plan through effectively during the coming spring and summer, it was announced yesterday.

Briefly, the program adopted by the Board of Directors is as follows: Early this spring, agents will be sent to canvass the middle western states including the Dakotas, Kansas, Nebraska, Colorado, Wyoming, Montana and Utah, for the purpose of interviewing prospective immigrants who are contemplating a move westward. Advice received by the State Chamber during the past few months indicate that this westward movement will be on a larger scale this summer than in four years and these advance agents will gather together a large group to move to Oregon on a fixed schedule and a certain date.

It is believed that a party of at least 500 prospective settlers could be grouped together in this way and brought to Oregon in a body. Definite assurances have been given by the railroads that they will cooperate in every way with the proposed plan. Homeseekers rates which were suspended during the war were put into effect again last Tuesday following a conference of railroad officials at Omaha. Wm. McMurry, General Passenger Agent of the Union Pacific lines, wired from Omaha on that date, informing the State Chamber that the Union Pacific would cooperate in every way possible in the proposed plan and that the homeseekers rates had been put into effect on the Union Pacific Lines serving Oregon.

Taking advantage of these rates, which permits of stop-overs on any point enroute, the party of homeseekers would arrive in Oregon, the rail trip coming to an end at the most advantageous point. From that point a personally conducted tour over the entire state by automobile would begin.

The routing of the party through the state would be in the hands of a committee from the State Chamber. This committee would select the most favorable itinerary which would enable the settlers to investigate the wool and wheat growing sections, irrigated lands, fruit districts, and all the agricultural and industrial resources of the state. Great care would be used in selecting this itinerary, so that every representative district of the entire state would be covered by the party in the shortest space of time consistent with a thorough investigation.

The principal object of the trip is to show the middle western farmer what can be raised in Oregon, according to Secretary Quayle's report. "The cheapness and fertility of the land and potential resources of the state in general. One of the duties of the advance agents operating in the middle west would be to find out from each prospective settler exactly the part of the state in which he is interested and he will be diverted to that locality.

"Different commercial organizations throughout the state will appoint committees who will secure specific tracts of land for sale on appraised values based on crop production.

"The party would be made up not only of farmers, but of bankers and business men who would be interested in the industrial as well as the agricultural possibilities of the state. To those who are interested primarily in the industrial as well as the agricultural possibilities, many sections of the state would have a great ap-

OFFICIAL WAR FILM COMING

Preparations are going ahead for the showing of the official war film "Flashes of Action", which is to be presented by the local post of the American Legion on April 15th at the Gem Theater.

The films, which were taken by the United States Signal Corps during the World War, show actual battle scenes of the battle fields in Europe and include the parts taken by the 1st, 2nd, 3rd, 4th, 42nd, 91st and other American divisions "over there". The battle scenes were taken from Chateau Thierry, Soissons, Alene Marne, St. Mihiel and Meuse Argonne sectors.

A committee from Tillamook Post No. 47 of the American Legion is in charge of the films while they are to be here. The pictures were secured from the state department of the Legion and are only procurable by American Legion Posts.

Tillamook has waited for some time to get these pictures as they are in great demand all over the country and it is probable that after they are once shown here they will never be back.

JERSEY CLUBS HAVE MEETING

A joint meeting of the Tillamook Jersey Cattle Club and the Jersey Calf Club was held in Fairview Hall on Saturday, March 26th.

The meeting was called to order by Jos. Donaldson, president of the Jersey Cattle Club. Mr. Donaldson presented Miss Burr, Club organizer, who took charge of the Calf Club, and instructed the members in Calf Club work, which was very interesting as well as instructive.

G.B. Lamb was called upon, and talked to the children with much encouragement. He predicts a bright future for Tillamook County in the way of club work. The Club then proceeded to elect officers for the ensuing year. Joe Maxwell, Agnes Blaser, Orodella Miller, Schuyler Fletcher, Harold Proctor and Edith Miller were elected as board directors. Joe Maxwell, president; Orodella Miller, Vice President; and Agnes Blaser, Secretary and Treasurer.

After adjournment of the Calf Club the Jersey Cattle Club was called to order and proceeded to business. Many interesting subjects were introduced and discussed by different members of the Club. A motion was made and carried that a telegram be sent to the Oregon State Jersey Cattle Club which was holding a special session in Salem, Oregon, asking them to include Tillamook County in their Jersey Jubilee itinerary this year, and the following telegram in reply there to has been received by the Secretary of the Jersey Cattle Club. "The entire Jubilee will be in Tillamook County this year."

Now watch your papers for details as they will be given as they come. This is a great and good thing for Tillamook County and we can congratulate ourselves on this, and the responsibility that has come to us. It is not too early to begin work on your herds in order to put them in the best condition. They will be viewed by the best judges in Oregon and other states. Watch the papers for the best Jersey Jubilee on record.

FIVE HUNDRED PARTY

March 17th was the occasion of one of the prettiest gatherings at the Hotel Tillamook ever held in the city. The entertainment for the evening being the game of "500" and the hosts and hostesses were Mr. and Mrs. W.B. Alderman, Mr. and Mrs. David Kuratli, Mr. and Mrs. John Lamar and Mr. and Mrs. M.E. Gruber. The decorations were carried out in green, shamrocks, ferns, yellow daffodils, little pictures of dancing lads and lassies. The table covers were also typical of St. Patrick and even to the refreshments, candies and ice cream carrying the same theme.

The honors of the evening falling to Mr. and Mrs. Franklin, Mr. and Mrs. Hill. Everyone having an enjoyable evening as all do on such occasions. The invited list being issued to about one hundred persons.

At a meeting at Salem on Saturday it was decided by the Oregon Jersey Jubilee to visit Tillamook some time in June, and in answer to that news the Tillamook Jersey Breeders' Association sent a formal invitation and assured the Jersey breeders of a good time. The Chamber of Commerce has offered the local breeders association its cooperation in helping make it pleasant for the visitors.

CONSIDER PLANS TO FINANCE CANNERY

LOCAL BERRY MARKET WOULD MEAN MUCH FOR TILLAMOOK

COMMITTEE APPOINTED TO GET FUNDS

To Borrow Money Instead of Forming Stock Company Has Been Suggested

Filled with enthusiasm and determined to bring about the establishment of a berry cannery in Tillamook in the near future a number of business men took place in the Chamber of Commerce rooms in the city hall last Monday night to formulate some plan to raise sufficient financial support for the undertaking.

A.W. Bunn, who with the others has a large tract of loganberries already under cultivation about two miles east of the city, spoke upon the prospects of being able to market the product if Tillamook berries were put upon the market. Mr. Bunn has investigated loganberry land in the Willamette valley and stated that this county has the best soil for berry culture that he has ever seen. He also stated that the flavor of the local berries was much better than other places and in support of this he mentioned that berry canners from other points had, during the past, obtained Tillamook berries for their own use in preference to outside berries.

The proposition of financing the concern be put up to possible investors as a loan instead of a stock buying scheme was the contention of B. C. Lamb, who said that if an agreement were made with the canning people to loan the money at seven per cent with the promise to return the amounts subscribed in case the cannery project does not materialize this year it would have a greater chance of success in getting subscriptions for the fund. "This was agreed in by the others present."

An agreement was drawn up and entered into by the Graves Canning provisions that had been decided on at the meeting. Merrill Smith, R. B. Miller and E. M. Condit were appointed on a committee to secure the necessary funds and the movement was started Tuesday morning.

SWASTIKA CLUB

The Swastika Club met with Mrs. Burge Saturday March 26th, when an afternoon was spent sewing and visiting. A new member, Mrs. Hall was welcomed to the club at the meeting. We were glad to have an old member of the club with us. Mrs. Pete Lamar who is visiting her mother. A delicious luncheon was enjoyed by the club and guests who were Mrs. Foland and Mrs. Ford. The Club adjourned to meet with Mrs. Hays as Hostess next month.

The five year old daughter of C.W. Wagy died last night from complications resulting from the measles.

NEW CREAMERY BEING ERECTED

The new South Prairie creamery, being built just north of the old structure, is rapidly taking form and is expected to be completed in about thirty days if the weather permits. Foreman Merrick started work on the frame about a week ago and already has it nearly ready for the roof and siding.

The building was planned by the directors of the creamery to take care of all the needs of the South Prairie patrons for several years to come and has several unique features which are expected to be very convenient are being installed, one of which is a concrete driveway entirely around the building; the delivery will be on one side and the whey tank on the opposite side. The macker room is 39 by 50 feet, the curing room 39 by 38, the box room 39 by 25 and the boiler room 26 by 36 feet. The latter will be equipped with a 45 h.p. boiler. The new building is expected to cost about \$10,000.

Presbyterian Annual Dinner

The Presbyterian annual dinner and business meeting was held at the K.P. Hall, with about 100 friends and members present. This church has had a prosperous year from the reports which were made by the different departments. This church has almost doubled its membership since the separation of the Allied church. Several new members were added last Sunday.

After an interesting program of music, songs and readings; the following officers were elected: Elders, Dr. Robinson, W.B. Alderman, Alex Watt, E.M. Bales, Newton Anderson. Trustees, F.W. Christenson, A. A. Pennington, Carl Haberlack, David Kuratli and A.A. Hall. Church Treasurer, Alex McNair. Clerk of Congregation, Carl Haberlack. Financial Secretary, Dr. Robinson, Deaconess, Mrs. Alex Watt. Sunday School Supt., J.W. Heyd; Assistant Supt., Newton Anderson.

Names Omitted

The following names were inadvertently omitted from the list of the second spelling contest in District 23 5th grade—Ruby Blum, 100; Bertha Zirr, 98.

6th grade—Roy Hanenkrot, 100; Ferdinand Becker, 100; Helen Hoover, 100; Margaret Becker, 100; Gertrude Zirr, 98; Edward Werner, 98; Alice Hanenkrot 94.

8th grade—Veda Smith, 100; Thelma Hoover, 100.

CLOVERDALE HOTEL CHANGES HANDS

Cloverdale Ore., March 28.—It is reported that Mr. Antrim sold the Cloverdale hotel to Fred Meitzke last week. Mr. Antrim has been in possession of the hotel for several years and did a good business. It is understood that Mrs. Meitzke will be chief cook and if that be the case, the public is assured of "good eats" as Mrs. Meitzke understands the art of getting a good meal, to the last degree. It is not mentioned what Mr. Antrim's plans are for the future.

MAY RECALL STATE COMMISSIONER

PETITIONS NOW BEING PASSED AMONG CITIZENS OF TILLAMOOK

RESULT OF RISE IN TELEPHONE RATES

Recall Movement Incorporated and Headquarters Opened in Portland

Determined to go to the mat with the public service commission over the recent raise in rates granted the Pacific States Telephone Company some of the local telephone users are circulating recall petitions against Commissioner Williams of the public service body.

The local citizen's indignation was not decreased by the appearance Wednesday in a Portland daily of the following paragraphs quoted from a New York dispatch:

"The decision of the American Telephone & Telegraph company directors to increase the rate of annual dividend on the common stock from 8 to 9 per cent came as a pleasant surprise. . . .

On the receipt at midday American Telephone rose 6 points, kindred utilities gaining 1 to 3. In several instances these were extended before the finish, Telephone recording a net gain of 8 1/2 points. . . .

American Telephone convertible 6 rose 4 1/2 and the 4 1/2 6 1/2 points. Otherwise the bond market, including liberties and international issues, was irregular. Total sales par value, \$7,850,000."

That a concerted effort is to be made to bring the matter to a head is evidenced by the fact that the Public Service Recall Committee has been organized and incorporated with offices in the Lumberman's building at Portland and W.E. Richardson, the secretary of that committee is sending blank petitions for the recall to all parts of Oregon for signers. R.W. Watson is handling the petitions locally and is rounding up disgruntled telephone users to sign the papers, which are to be turned in for the pro action before May first.

COURT NOTES

Cruel and inhuman treatment is charged in the divorce case of Milata Lundberg against Walter Lundberg. The plaintiff alleges that she has been assaulted, beaten, slapped in the face and cursed at by the defendant, who, she says, deserted her last February after refusing to support her. The case was filed in the circuit court this week.

The couple were married at Kalama, Washington, July 3, 1920 and no children were born to the union.

Two suits to recover money on promissory notes were filed in the county records this week: J.R. Herter vs Chas. F. Burton and Pearl Burton and Oregon Investment and Mortgage company against Albert Johnson.

REPORT DROP IN EASTERN CHEESE

On account of the great difference in the prices of Tillamook and Wisconsin cheese the market situation in that line has become somewhat mixed reports Secretary Haberlack of the Creamery association.

A decline in the prices of the eastern product this week brought the Wisconsin Twins to nineteen cents, Daisies to 20 cents and longhorns to 21 cents. The San Francisco butter market declined this week to 32 1/2 cents on 92 score butter, the lowest price paid in three years and about 30 cents less than one year ago.

"So far cheese has been kept moving at 33 cents," said Mr. Haberlack, "but it is only a matter of time and prices will have to decline somewhere in line with other markets. It is, of course, impossible to maintain a spread of anywhere near that now in effect after we get lots of cheese. Maple Leaf and Tillamook creameries are getting close to 20,000 pounds per day now, and other factories in production."

The banner month for milk production is always considered here to be June, and this is expected to go a great way toward relieving the shortage of money now handicapping Tillamook dairymen.

YOUNG FOLKS' CLUBS ACTIVE

On Saturday afternoon, March 26th at two o'clock a meeting for those interested in a Holstein Calf Club was held at the Court House. An organization was perfected with the following officers:

President, Rolletta Watson, Tillamook.

Vice President, Andrew Lagler, Nehalem.

Treasurer, Noah Richards, Beaver. Local leader, Mrs. B.A. Folks, Tillamook.

The name of the organization is The Tillamook Holstein Friesian Calf Club. The club started with a membership of sixteen and more are expected to join.

Mr. B.A. Folks presided at the meeting and called on Mr. Lamb, County Superintendent, and Elizabeth Burr, County Club leader, for remarks. Mr. Watson offered a five dollar prize to the first prize Holstein winning calf at the county fair. The Holstein Breeders' Association will offer liberal prizes.

The next meeting of this club will be held at the home of Agnes Abplanalp.

The sixteen charter members are: Rosa Nuffer, Tillamook; Anna Nuffer Tillamook; Agnes Abplanalp, Tillamook; Charles Christenson, Bay City; William Vaughn, Bay City; Andrew Lagler, Nehalem; Mayzel Smith Beaver; LeRoy Daniel, Mohler; Noah Richards, Beaver; Flora E. Schild, Rosa and Lily Schild, Paul Todd, Rolletta Watson, Jack Mowery, Theodore Jacob, all of Tillamook.

A potato club has been organized in the county at the Glenger School, Miss Allen teacher, with a membership of eight. Mr. Homer Gross was chosen local leader of this club. This is the only Potato Club in the country and we expect it to come through 100 per cent with a good exhibit at the Fair and good potatoes on the market next fall.

The following young people were in attendance at the Tillamook Jersey Calf Club meeting which met last Saturday in the Fairview Hall:

Marjory Krake, John Krake, Orodella Miller, Agnes Blazer, Carl Blaser, Joseph Blaser Howard Hohlfeld, Joseph Maxwell, Merrill Maxwell, Ella Hohlfeld, Kenneth Vincent, Thelma Hoover, Helen Hoover all of Tillamook, Schuyler Fletcher and Harold Proctor of Henlock.

CHURCHES TO CONSOLIDATE

Reverend R. Scheutz who has been minister of the Reformed Congregational church here for some time past intends to leave this morning, with his family for Hoff, Oregon, where he has accepted the pastorate of the Congregational church.

It is understood that plans are being made to consolidate the Reformed Congregational church under one minister, Rev. Lienkemper, here.

The Stillwall Dyking District, which took in quite a large acreage west of the city, will be completed this week, with the exception of a few places that are to be finished by manual labor. The government dredge did the work, and after doing a few days work for F.R. Beals, will be put to work on the Bayocean road.

EPIDEMIC TREATED WITH INDIFFERENCE

FEW ATTEND MEETING CALLED WEDNESDAY NIGHT BY MAYOR

COMBATING DISEASE AMONG PUPILS

Cooperation of Parents is Necessary if Run of Measles is To Be Stamped Out

The meeting held last night for the purpose of discussing the sanitary conditions of the public schools was poorly attended, less than a dozen people being present.

Mayor Moulton had called the meeting to get the parents of school children together and to ask their cooperation in ridding the community of the epidemic of measles. Apparently there is very little interest in this subject.

One prominent local physician stated that, in view of the state law being constructed as it is, it would be a difficult matter to control epidemics without parents realizing the dangers of allowing children to attend school while being exposed to disease. Ignorance and indifference on the part of parents were thought to be the chief causes of contamination.

H.T. Botts, chairman of the school board, stated that everything possible was being done to prevent the spread of diseases among the school children. He stated that Supt. Turnbull has been sending home any pupils that seemed in danger of developing a contagious disease and that they were not being allowed back again without a certificate of health from a physician.

BEAVER ITEMS

Mrs. Jas. Goldsworthy gave a party for her little grand daughter, Viola Irene last Wednesday afternoon at her home. There were 14 babies and 11 mothers present. Little Arthur Lehman furnished the entertainment which was greatly enjoyed by all.

One of the best entertainments at Beaver this winter, was given by the young people of the Community Club last Friday evening, which was a mock trial with Don Bell as prosecuting attorney, Louie Wooley, Judge and Emil Wooley the other attorney.

Miss Veta Sappington was chosen as the Beaver delegate to Corvallis in June, by the industrial club of the school.

Mr. Saling an old resident of Tillamook County is here visiting his Mr. and Mrs. Saling have been living in Portland for the last year.

Mr. and Mrs. Roy Saling are the proud parents of a ten pound boy. Mr. and Mrs. Roy M. Savage were dinner guests at the home of Mr. and Mrs. Green of Tillamook last Wednesday evening.

Mrs. Goldsworthy spent Monday in Tillamook visiting relatives.

Mr. and Mrs. Will Gilbert and Mr. and Mrs. Savage attended the "Hard Times" dance in Tillamook last Wednesday.

Mr. Welsh, our postmaster under went an operation for appendicitis last week at the Beals hospital.

Mr. and Mrs. Will Gilbert and Mr. and Mrs. Savage attended the "Hard Times" dance in Tillamook last Wednesday evening.

White Wash Receipt

The following recipe for white wash has been handed in by E.L. Gislager, County herd inspector, who claims that it will stick better than the material made up by the ordinary method:

Take half a bushel of unslaked lime, slake it well with boiling water cover during the process to keep in steam, strain the liquid through a fine sieve or strainer, and add to it a peck of salt previously dissolved in warm water; three pounds of ground rice boiled to a thin paste and stirred in while hot; half a pound of Spanish whiting and one pound clean glue, previously dissolved by soaking in cold water and then hanging over a slow fire in a small pot within a larger one filled with water; add five gallons of hot water to the mixture, stir well and let stand a few days covered with dirt. It should be applied hot, for which purpose it can be kept in a kettle or portable furnace.

ELKS ATTENTION

Send names of friends who wish to invite to Elks party to be held Thursday night, April 7th, to Dr. Turner, secretary.
