UNJUST CRITICISM

Some criticism of the American Legion has been manifested during the past week on account of the "Oregon Trail" exhibition put on by Tillamook Post. Strangely, the severest criticism appears to emanate from merchants of the town who complain of the vast sums of money taken from the city by the promoters of the show.

Members of the Legion would take this criticism in better grace if the business men of the community had displayed greater interest in the affairs of the Post. It is true that business concerns of the city contributed the sum of \$266.00 towards the publication of the so-called news paper issued three days last week, a part of which, however small it may have been, was returned to them in the publicity thereby gained. But with very few exceptions, the interest of the merchants ceased with that expression of cooperation. Less than twenty percent of the people in attendance at the "Trail" were residents of Tillamook City or of the near vicinity of Tillamook City and the number of merchants who appeared during the three evenings could probably be counted on the fingers of two hands. Smokers and other affairs heretofore planned by the Post and to which business men were invited, have received like consideration.

While the American Legion appreciates financial assistance given to it on occasion, it is not an institution organized for profit and it does

not think much of the fellow who thinks he has to dig up a dollar or two occasionally so as not to get in bad with the boys and then exercises his prerogative of standing on the street corner and knocking, with out much idea of what is going on. It is individually and collectively, human; and it has all the human faults and frailties. It needs more and appreciates more, the chap who attends its affairs, gives it a friendly pat on the back and a kind word and helps to navigate in safe channels.

Incidentally, the amount of money actually taken from the city by the promoters of the "Trail" was considerably less than \$250.00 while the sum spent in the city on account of it, including music, rents, printing, hotel bills, etc., was in excess of \$500.00. The treasury of Tillamook Post gained over \$300.00 from the show.

CLUB NEWS

Miss Helen Cowgill of the Oregon Agricultural College, Superintendent Geo. Lamb and Miss Elizabeth Burr, County Club Leader, are visiting the Home Economics clubs of the county this week. At Wheeler on Monday noon the two Sewing Clubs entertained at lunch in honor of Miss Cowgill and following that an hour was spent in instruction and in inspecting the work of the club members. They will have their Achievement exhibit on Saturday evening, June 4th.

On Monday afternoon the club recently organized at Pine Grove was visited and the club members manifested a keen interest in their work.

At Nehalem on Monday evening an Achievement Day program was given under the direction of Miss Parr and Mrs. Blanchard. Parents had been invited to attend and following the evening's program refreshments were served.

On Tuesday at Mohler an all day Achievement Day program was given by the clubs of Mohler and Barnesdale. Picnic dinner was served at noon. Exhibits including rabbits, Guernsey calves, sewing, and cooking were judged and prizes awarded.

An elaborate program was given in the afternoon including a Club Play, demonstrations, songs, readings and recitations. In every case much credit is due the local club leaders and teachers for their untiring efforts in behalf of the work.

Last Saturday a joint meeting of the Nestucca Guernsey and Jersey Calf Clubs was held at the Cloverdale Grange Hall. After a short business session the clubs adjourned to attend the program at the teachers meeting at the school house. The clubs will meet again during the first week in June prior to the Jersey Jubilee when Mr. Allen, State Livestock club leader will be here to help every calf club member in the county.

Miss Cowgill will meet with the club members in Tillamook City on Monday afternoon at the school house and will be pleased to meet with any others who may wish to attend, particularly the parents.

Club members of Oretown will be visited on Wednesday afternoon and at that time Miss Cowgill will present the Garden Club with their certificate of Achievement for having completed their work in 1920 with a 100 per cent record. Mrs. E. K. Mitchell is local club leader. They and their teacher, Mrs. Mitchell, will have a beach party on the last day of school Friday afternoon, May 30.

Cloverdale High School Dedicated

Cloverdale, May 16.—There was a big crowd present, Saturday at the dedication of the Cloverdale High School Building. The following program was rendered in the forenoon: America, by the audience. Prayer by Mr. P. O. Light and Dance, Choosing a Flower. Recitation, "Raggedy Man" by Agnes Todd. Piano Duet by Pauline Miller and Beatrice Blackburn. Dialog, "Troubles of a Census Taker," by Dorothy Le Fevre and Raymond Miller. Vocal Duet by Maxine Churchill and Freddie Buell. Recitation, "The Worm" by Glen Anderson. Animated Song, "Three Blind Mice" Colonial Minuet by High School Girls.

At the conclusion of the forenoon program the crowd was ushered into two large rooms, which were used on this occasion as dining rooms, where a sumptuous community dinner was served. The tables were loaded with eatables which looked good and tasted better. After satisfying their appetites the people again congregated in the spacious assembly room and listened to the afternoon program which was as follows: Action Song, "Trumpet Song." Reading "Mr. Meek's Dinner" by Pauline Miller. Speech by Dr. Le Fevre Song by five little girls.

May Pole dance by the grades Address by Supt. G. B. Lamb Address by Prof. E. T. Reed of O. A. C. "Dixie Days" by a dozen blackface singers.

All of those who participated in the entertainment deserve a great deal of credit, for they displayed such talent as is rarely found in a small town like Cloverdale. Much credit is also due those who trained the performers for they acted their parts to perfection.

Prof. Reed, Supt. Lamb and Dr. LeFevre each spoke of the money spent for schools and referred to it not as a "cost" but an "investment" in the boys and girls or future citizens.

The thanks of the entire community are due Prof. W. E. Buell Principal of the C. H. S. and his efficient corps of teachers for the splendid entertainment which they furnished us. All of those present seemed to think the day was profitably as well as enjoyably spent.

DO THE SCHOOL CHILDREN READ THE HEADLIGHT?

Ask Rollie W. Watson The Insurance Man

Two weeks ago Mr. Watson placed an advertisement in the Headlight announcing that he would give a lead pencil and a key ring to each school pupil who came to his office, the only requirement being that they cut out the ad and bring it with them. The same ad was run TWICE in the Tillamook Herald but only ONCE in the Headlight. The result has been that 32 Tillamook county pupils have brought in the ad, cut from the Headlight, while 12 have come in from the Herald.
