A BANK ACCOUNT'S ALWAYS IN ORDER

It is never either too early or too late to open a bank account. But, like the early bird, the early saver gets the biggest bank balance. We've lots of room at the top of the depositor list here at the First National Bank for even the biggest kind of "nationalized account. Why not get your name there?"

Progress such as this is vital to all of us. This phase of our government's endeavors to further prosperity is graphically told in the fifth of the series of articles which we issue each month.
