SAME OLD STUFF

The other day a hyperated bunch got together in Portland and in a spirit of patriotic zeal (patriotism for their ancestral country), proceeded to pass some resolutions "demanding," "objecting," "declaring," etc. to certain conditions in this country obnoxious to them.

Among other things they expressed opposition to the Smith-Towner bill now in congress which relates to educational legislation. It is quite apparent from their remarks that they must indeed be opposed to education. They declared that Joseph Woerndle, who was picked up by government authorities on account of his connection with Boehm, the German spy, was an excellent citizen and intend to ask that the case against him be dismissed. They also rejected this worthy "citizen" as president of their body. They condemned "certain so-called patriotic organizations" meaning the American Legion and similar organizations. This kind of rot was actually gone thru with and no one stopped them. Surely, this must be a country of free speech when such things as this take place.

MEMORIAL DAY

A duty to be undertaken soon by the organizations of ex-service men will be that of carrying out the services of Memorial Day throughout the United States.

This day was set aside at one time for those who had fallen from the ranks of the Union army, but has now been adopted by the armies of all three of the greater wars in which this country has participated.

A piano recital will be given at the high school auditorium next Wednesday night when the pupils of Mrs. J. C. Holden will demonstrate their musical ability. The recital will commence at 7:45 P. M. Mrs. Holden has requested that no flowers be presented.

A marriage license was issued on the 20th to Charles A. Malab 25 of Portland and Linna J. Bewley 21 of Tillamook.

STAGE INFORMATION

The Stage hereafter will leave at 7:30 A. M. instead of 8 A. M. in order that you might reach Portland before dinner and if necessary return on the afternoon stage which leaves Portland at 2 P. M. If you, who travel by stage, want good service at more reasonable rates in the future it will be necessary for you to give your undivided support to the Cadillac Stage Line.

The Cadillac Line is an independent one running out of Portland, operated by Tillamook men, just as we believe you want it operated. We try to protect you by careful driving and \$40,000.00 accident insurance. Any request or suggestion by you in the way of improving service will be gladly received by us. During the summer there will be an aerial line established in connection with the Cadillac Stage Line so that you may have a more rapid and a more unique means of transportation when you wish.

The latter will be operated and piloted by Cap. Lyle Smith who expects to make his initial trip to Tillamook in his new plane next Saturday. For tickets or reservations go to or call F. B. McKinley's office, Bell phone 72W and Mutual phone. Adv. CADILLAC STAGE LINE

American Legion Notes

A hallowed mantle of the Grand Army of the Republic falls upon the young shoulders of the American Legion on Memorial Day of this year. Blue-uniformed, with medals upon his breast, the white-haired veteran of the Civil War made the Memorial Day round of the school houses in former years. This year it is the Legion members who will visit the school houses in many communities telling of a different conflict but teaching the same lessons.

In St. Paul, Minn., the Legion has assumed the task at the request of the G. A. R. itself. Post No. 8 will send 100 men to address the school children of the city and its vicinity.

"There is not much doubt in my mind that if it had not been for the determined stand of the American Legion, Zimmer and I would still be in prison," writes Sergeant Naef who with Sergeant Zimmer was arrested by the Germans following an attempt to capture Grover Cleveland Bergdoll, notorious slacker. "The American Legion came to my aid during one of my darkest hours and demonstrated by its unwavering loyalty toward a comrade that its sublime aspirations and lofty ideals concerning comradeship are a living truth."

A military band from Jefferson Barracks, Missouri, with American and American Legion flags in a procession was passing through the central section of St. Louis. As they neared a prominent corner, a man yelled out: "I'll bet this two dollar bill that I won't take off my hat for those flags."

He lost to a nearby Legion man. Likewise he lost his hat, which hit the street with such force that further use was out of the question.

An investigation conducted by the Indiana department of the American Legion in regard to conditions at Valparaiso University, charged by its president, who later resigned, with being a "hotbed of Bolshevism," resulted in the stain of Un-Americanism being removed from the school. The head of the student body is an ex-service man and fifty-two of the students are Legion members. The Government recently closed a contract for the education of 500 more disabled veterans at "the poor man's Harvard."

Photographs of the cemeteries in France where their sons lie buried will be supplied to gold star parents of Lynchburg, Va., by the American Legion post there in conjunction with the Kiwanis club.

NOTICE

This Boy One of Thousands

ARSHAG BAGDASARIAN THE SAME BOY as he arrived at the Near East Relief six months later dressed in clothes from America. This boy is one of the thousands of children whose parents were massacred by Turks near the Persian border. He was clever enough to hide out and escape to Develon, but was nearly dead from starvation and exposure when picked up by a larger boy, who carried him 52 miles to Erivan. It was thought useless to attempt to save the life of the emaciated little Arshag, but Edith B. Hofmann, of the Near East Relief, undertook the task, nursed him for six months, dressed him up in the little sailor suit seen by some American lad and the result is shown in the second picture. Think of Arshag and his brave battle against great odds and make up a bundle of clothing and toys for the relief ship to leave the Pacific coast directly for the Near East sometime early in June. Send all you can spare in order that as many as possible of the ragged little human skeletons like you see in the first picture, may be transformed into healthy and happy children like the lad shown in the second picture. Every kind of warm clothing is needed for men, women and children. If a local Unadde Boy has been mentioned for your community, give them; if none is planned for, send by parcel post to Near East Relief, Seattle Station, Portland, Oregon. 6-2619
