checked when the Eag Bend post of the American Legion turned out in force to fight the conflagration. Then the Legionaltres offered their four hours the Logion men walked posts in the familiar military manner.

When it was proposed in Berlin that the famous Hindenburg wooden statute, into which the former kai ser drove a gold nail and the common German fron ones, should be sold at public auction, an American appeared on the scene. Ho offered 30,000 marks for the figure. Press ed as to his reason for buying the statue of the Bosche general, the American declared that he proposes to bring it to America and le: Americans, drive nails in it again at 25: a nail. Half the proceeds would so to the American Legion and the other half to the Red Cross.
