We Make Paints, Varnishes For Women's Use at Home

THOUSANDS of women with keen home pride want to do their own painting and varnishing at home, and thousands do—with materials we make.

We make those materials especially for home use. You ask for "Fuller's Home Service" Paint Products.

And we maintain a special "Home Service Department" furnishing free information and detailed directions which will enable anyone to do his or her own work.

You simply describe the article, how finished now, and the effect you want to get. We tell you how, the kind of paint, the kind of brush—the things you need to know to do good work. You'll be surprised, delighted

to see the transformation you yourself can make in home things—furniture, floors, walls, woodwork, bric-a-brac, etc.

"Just a can of paint or varnish and a little work that's fun," works wonders.

Our knowledge of paints and painting practice has been gained through 72 years' experience. We are one of the country's largest manufacturers of paint products and make the very finest kind of goods.

Don't think because you've never done it that you can't do work like this yourself. Try it with our help. Just follow Fuller's Specifications and you'll get the desired effects.

Remember—don't allow surfaces to rot. It costs less to paint them.

Fuller's SPECIFICATION "Home Service" Paints Varnishes - Enamels MTD by W. P. Fuller & Co.

WHERE TO BUY: Important that you get the right material so be sure to go to the right store for Fuller products. Cut out the coupons to the right as a memo to direct you. Write us now—a postcard for booklet of Fuller's Specifications.

Consult our Advisory Department relative to the questions you may have in mind.

For all exterior jobs of painting it is advisable to obtain the services of a Master Painter

Were it not for the assistance the Department of the Interior has rendered, our wonderful irrigation systems, waterworks and similar projects could never have been developed. Progress such as this is vital to all of us. This phase of our government's endeavors to further prosperity is graphically told in the fifth of the series of articles which we issue each month.
