I've tried them all
but give me a Camel

I'm through experimenting. No more switching. No more trying this and that. It's Camels for me every time.

They're so refreshing! So smooth! So mellow mild! Why? The answer is Camels exclusive expert blend of choice Turkish and Domestic tobaccos. There's nothing like it.

No other cigarette you can buy gives you the real sure-enough, all-day satisfaction that comes from the Camel blend. Camel is the quality cigarette.

Give Camels a tryout. Buy a pack today. Get your information first hand. You'll tie to Camels, too.
