

# SINNOTT WINS FIGHT FOR VETS

Washington, —Congressman N. J. Sinnott, of Oregon won one of his biggest battles on the floor late last evening when in a five minute speech, during which he quoted from Joaquin Miller some lines on the real battlefield, the Oregonian completely revolutionized the war risk practice of dealing with lapsed insurance of soldiers who die with compensation due to them. He spoke on the amendment offered by Congressman Elliott of Indiana, and is credited with winning the fight almost single-handed. On the first vote by tellers in the committee of the whole, the vote was claimed by Sinnott and his followers 69 to 50. The opponents claimed a tie vote, and the chair ordered a recount.

This gave the advocates of the amendment a lead of one, 79 to 73, but when they got into the house the amendment won 108 to 50, although the committee in charge of the bill was opposed to the amendment.

### CLOVERDALE BRIEFS

Mrs. Charlie Murphy was a Tillamook visitor last week.

Clarence Dunn came up from the dock Monday evening.

W. S. Grant of Dallas, was in town the first of last week.

### BOYS AND GIRLS CLUB NEWS

Fourteen boys and girls of Tillamook have recently returned from the two weeks Summer school session at the O. A. C. They report a splendid time with a full program of work and recreation for each day. The delegates from this county were Schuyler Fletcher, Marion Lamb, Joseph Maxwell, Kenneth Williams, Harold Proctor, Lynn George Wesley Tippin, Noah Richards, Flora and Lily Schild, Gwendolyn Harris, Marjorie Tucker, Susie Coulson and Lucia Wiley. Miss Maude Miller, Grace Miller, Supt. Lamb and Elizabeth Burr also visited the O. A. C. About 235 young people attended representing 19 or 20 counties of the state.

Mr. Foster, assistant national boys' and girls' club leader of Washington, D. C., and Mr. H. C. Seymour, state club leader, will come to Tillamook on Friday, July 1st. We have arranged for an informal meeting of local club leaders that evening at eight o'clock at the home of Miss Marie Geinger just south of town. Any parent or person interested in the development of club work in this county is invited to attend this conference. Ice cream and cake will be served.

The canning season is with us again with fruit and sugar reasonable in price so let us increase our club enrollment in this project. Information will be furnished upon request by addressing County Club Leader, P. O. Box No. 147, or by telephoning Supt. Lamb's office. Good prizes for work along this line will be offered at the county and state fairs this fall. A prize will be offered for the best exhibit taking quality, quantity, and variety into consideration.

### TELLS TRUTHFUL STORIES.

Made "The Story Lady" Famous

The stories told by Georgene Faulkner, the famous Story Lady, always teach a lesson or illustrate some truth children should learn. Her stories are truthful stories though often dealing with mythical characters. Miss Faulkner will appear in her famous Mother Goose costume at the Chautauqua this year on the fifth afternoon when a special matinee for the children has been arranged with only a ten cent admission for all "kiddies" under twelve. She first won recognition through her work with the settlement children in the Chicago playgrounds. She has been editor of the Story Page in the Ladies Home Journal, Chicago Tribune, Chicago Herald, has written many books of stories including the official Red Cross book for war work among children and has made a large number of Victor phonograph records.

### NEW RAY PICTURE A HIT

Charles Ray's latest Paramount picture, "An Old Fashioned Boy" will be shown at the Gem next Sunday. It is a pleasing comedy and well directed.

### HOW TO STOP CRIME WAVE.

Warden Botkin Discusses Remedies.

The best minds of America have recently been devoting a great deal of attention to the prevalence of crime and seeking methods of prevention and cure for this National disease.

This year's Chautauqua brings one of the progressive public men of the country, Honorable J. D. Botkin who as warden of the Kansas Penitentiary has studied the matter first hand.

The present orgy of bank hold-ups, gang murders, defaulting by officers of big concerns, sex crimes and others have been variously charged to the after effects of the war, the picturing of criminals in movies, lapse in religion, influx of undesirable foreigners, class hatred and many other causes. Mr. Botkin discusses the causes of crime as well as the remedy for it. In this latter connection,

such matters as delays in trial, avoidance of punishment through technicalities, early pardons, capital punishment, prison reform and other related matters all receive attention. Mr. Botkin is a pleasing speaker as well as a close student of public affairs and a public man of prominence. He will address the Chautauqua on the last afternoon.

It is in the information supplied by Chautauqua on great questions and the inspiration to better living that the Chautauqua has come to be considered the great American open forum. It is a duty of all patriotic citizens to hear such men as Warden Botkin. However, in his case, it is a pleasure as well. Nothing is more gripping than the stories of men who have "gone wrong" and reformed.

### BEALS' COW

For the third time F. R. Beals, of Tillamook, Oregon, is mentioned in the official bulletin of the Holstein Friesian association of America, published bi-weekly by Malcolm H. Gardner, of Delavan, Wis., which reports the milk and butter production of cows under official supervision.

The pure-bred registered Holstein-Friesian cow, Tillamook Lol's May De Kol, is reported as having made at the age of five years and one month, a record of 637 lbs. of milk and 22 lbs. of butter fat in seven days, equivalent to 28 1-2 lbs of butter.

The 36th Annual Meeting of the Holstein-Friesian association of America was held at Syracuse, N. Y. June 1st and 2nd. Ex-Governor Frank O. Lowden, of Illinois was elected president to succeed D. D. Aitken, of Flint, Mich. The next meeting of the association will be at Kansas City, Mo., June 2nd, 1922.

### BLAINE GRANGE

In conjunction with the Grange at Blaine two weeks ago last Saturday, the County Agent held a very successful meeting.

After a general discussion of agricultural and dairy problems, it was decided to hold a dairy school sometime during this summer for the Blaine district. Three men from the college are to be sent over, one to lecture on feeds and feeding, the other to give instructions and demonstration of judging dairy cattle and the third to lecture on farm crops.

The County Agent is trying to make arrangements with the Fire Warden to change the date of the burning period for the Blaine district. There are 200 acres of slashed-off land, not burned for two years, due to the fact that it is impossible to burn in this section after the burning season is over in other parts of the county.

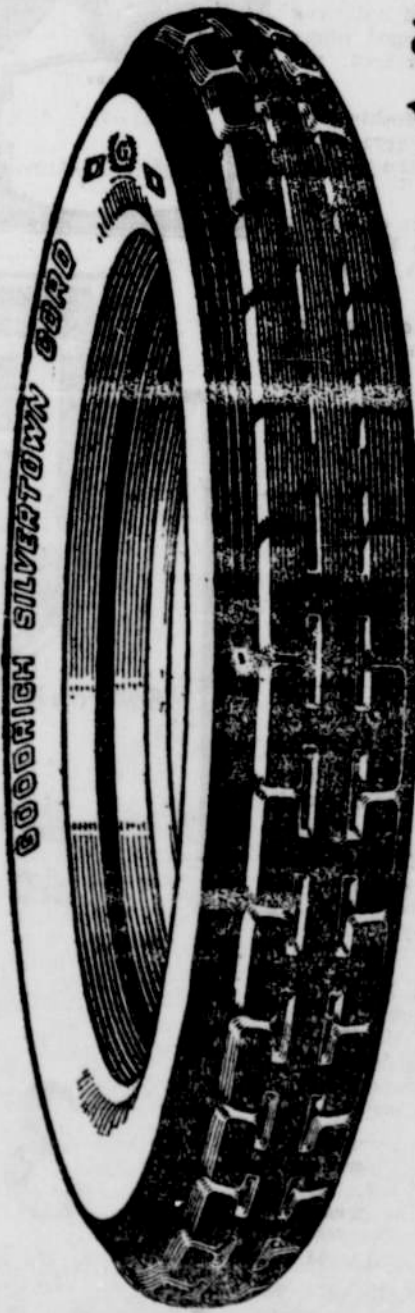

Those in charge of the proposed dairy school are J. R. Perry, J. F. Kumm and Miss Fannie Smith.

### BAYOCEAN TRAIL

The U. S. Lighthouse department has a crew at work opening up a new trail connecting Cape Meares station with the streets in Ocean View. A trail four feet wide is being opened up. It will follow for the most part the survey for what is to be a permanent road for the station.

The plan is to widen the trail as fast as funds are available until a good serviceable road is obtained. The terminus of the trail is at Pacific avenue, Ocean View. A good grade has been found for a road down to a point on the J. A. Biggs ranch and the permanent road may reach the bay somewhere in that vicinity. About twelve men are at work on the trail and good progress is being made.

# Goodrich Tire Price Reduction applies to all sizes—without reservation

The anti-skid safety tread Silvertown Cord

The name of Goodrich on a tire means just one thing—quality. And that quality is always the highest that can be produced.

Each tire is specially designed for the service it must deliver. Goodrich Fabrics, in the popular sizes, have established themselves as unusual values from the standpoint of real economy. Silvertown Cords in their class have always held first place in the esteem of motorists, not only because of their symmetrical perfection of finish, but furthermore, by reason of their long life, complete dependability and satisfactory performance.

Your dealer will supply you at these fair prices:

### SILVERTOWN CORDS
