#### FORESTERS TO ACT AS HEALTH OFFICER

PORTLAND, Or. July 11,-By an agreement just signed by District Forester George H. Cecil and Frederick D. Stricker, state health officer of Oregon, the forest supervisors in the state of Oregon have been appointed as deputy state officers.

This agreement applies only to the forest supervisors who are the of ficers in charge of the National Forests, of which there are fourteen in Oregon. The above agreement does not apply to the forest rangers or other field officers. The forest su-pervisors will co-operate with the Oregon State Health Board in forcing the sanitation laws of the state within the National Forests. and will serve without pay. The duties of the forest supervisors under this agreement are to report insanitary conditions and violations of 12.25 the Oregon health laws occurring within the National Forests; to advise violations of what the State health laws are, and if such violations are continued to report such conditions to the State health officer

The forest officers under existing 6.00 federal rules are required to protect and keep pure so far as they are able the domestic water supplies of towns cities and camping places, and to prevent the accumulation of filth 12.18 and insanitary practices in the For-ests that may be injurious to the public using the National Forest

> With the greatly increasing use being made of National Forests by the public for recreation Forest officers state that the necessity of on forcement of the federal and state sanitation rules become imperative for there are still careless campers who not only do not put out their camp fires, but who leave at their camping places tin cans rubbish and filth, all of which is a menace both to the public and to the Forests. For est Officers urge compliance with the well-known slogan of the Mazamas, "Leave a Clean Camp and a Dead Fire."

## PERSHING INFORMS MEN OF RIGHTS

One of the first official acts of General John J. Pershing upon assuming his new duties as Chief of Staff of the Army on July 1, was the issuing on that day of an order establishing contact between the War Department and the Bureau of War Risk Insurance for the purpose of keeping former service men informed of their rights under the War Risk Act and aiding them in securing these benefits through the cooperation of the personnel of the Army with the Bureau of War Risk In surance.

This order, General Order No. 27 issues the following instructions to practically the entire army:

Assistance for ex-service men in their relation with the Bureaeu of War Risk Insurance-1. It is the purpose of the War Department, act ing through its available personnel to assist ex-service men in every possible way in securing contact with the Bureau of War Risk Insurance, thus enabling them without delay to renew or convert their insurance, to hospitalization or vocational training, or to present their claims for compensation

The obligation is imposed upon all personnel adjutants throughout the Army recruiting officers, and regular officers on duty with the Na tional Guard and organized reserves to aid their less fortunate comrades. Such officers will at once familiarize themselves with the orders and circulars relating to the War Risk Insurance Bureau, in so far as these instructions refer to renewal or conversion of insurance, compensation, medical or dental treatment, hospitalization and vocational training so that intelligent assistance and advice may be afforded ex-service men in regard to their relations with the Bureau.

21.67 3. The officers mentioned will obtain without delay direct from the State of Oregon: War Risk Insurance Bureau, a supply of all blank forms needed by exservice men in their contact with

13.40 4. Upon application from ex-sol-17.50 70.00 diers, the officers mentioned in paragraph 2, will furnish blank forms. will assist in the preparation of applications will carefully examine all papers or instructions on the forms in question and will themselves promptly forward the comlpeted applications or statements directly to the Bureau of War Risk Insurance, Treasury Department, Washington,

#### We are ready to demonstrate and make deliveries of this NEW LIGHT-SIX

HE new Studebaker LIGHT-SIX meets the long existing demand for a comfortable, durable and economical light-weight, six-cylinder car. The public has always wanted such a car—the NEW LIGHT-SIX satisfies this desire.

Although this new six-cylinder car weighs but 2500 pounds, it is so perfectly balanced that its roadability is remarkable - there is no side sway or creeping-it drives straight as an arrow. You must ride in it and drive it to appreciate just how it sets new standards of power, flexibility, comfort, ease of handling, smoothness of operation and freedom from vibration.

The motor of the NEW LIGHT-SIX is an exclusive Studebaker design—conceived by Studebaker engineers and built complete in Studebaker factories. No other light, six-cylinder motor yet produced is as free from vibration or as flexible and powerful.

You can have the advantage of this motor's wonderful gasoline economy and the satisfaction of its smoothness of operation only by owning a Studebaker LIGHT-SIX. Let us give you a demonstration of the NEW LIGHT-

SIX-or better still drive it yourself.
