

# To The HOUSEWIVES

We always try to have the best of fruits and vegetables that the market affords.

Just now all kinds of home grown vegetables are plentiful and good.

In fruits, melons of all kinds are now at their best, with peaches coming on. The peach crop promises to be short, and you should place your orders in advance for canning.

## Sugar is still Cheap

and we have a good supply of fruit jars and trimmings.

# PAIGE

**THE MOST BEAUTIFUL CAR IN AMERICA**

Ten world's stock chassis records since January 21st, 1921. These are the credentials of the Paige "Daytona 6-66" Model—the supreme and undisputed leader of all American sporting cars.

Such consistently brilliant performance is unique in the history of Motordom. The records are complete and, without further comment, we ask you to draw your own conclusions.

# BUICK

## Presenting The New Buick Four

The new Buick Four is a distinctively Buick creation in every feature of design and construction. It embodies those principles of construction that have characterized Buick automobiles for more than twenty years.

The engine is of the famed Buick Valve-in-Head type. The bore is 3 1/4" — the stroke, 4 1/4". Wheel base, 109", turning radius, 36'.

A Marvel carburetor with the new automatic heat control insures proper vaporization of the common low grade of commercial gasoline.

Multiple disc clutch, the transmission and universal joint are of standard Buick construction—the universal joint

being lubricated from the transmission. The rear axle is the three-quarter floating type, with semi-elliptical type springs front and rear. The frame is a deep channel section, strongly reinforced with four cross members.

High pressure Alemite system provides lubrication. Delco equipment with Exide battery insures efficient starting, lighting and ignition.

All models have non-glare headlight lenses—all are complete with tire carrier and extra rim. Closed models are equipped with adjustable windshield visors, windshield cleaner, dome light, ventilating windshield, adjustable windows, and sun shade in rear window.

Cord Tires Standard Equipment on all Models
